per share, 1,170,493 Veritas Energy Services Inc. exchangeable shares and 314,421 Veritas Energy Services class A exchangeable shares series 1. In this proxy statement, all such shares are referred to collectively as "shares," and all holders of shares are referred to collectively as "stockholders." This proxy statement addresses you if you are a stockholder. All shares vote together as a single class and each share entitles its holder to one vote on each matter presented at the meeting. Holders of a majority of the outstanding shares must be present, in person or by proxy, to constitute a quorum for the transaction of business. Abstentions will be treated as present for purposes of determining whether a quorum is present.

The proxy accompanying this proxy statement, when properly signed and returned, permits you to vote by proxy on all matters to come before the meeting or any adjournment of the meeting. If you specify your choice on the proxy with respect to a matter being voted upon, your shares will be voted as you specify. UNLESS YOU SPECIFY OTHERWISE, YOUR SHARES WILL BE VOTED IN FAVOR OF THE EIGHT NOMINEES TO THE BOARD OF DIRECTORS AND IN FAVOR OF THE AMENDMENT AND RESTATEMENT OF THE 1997 EMPLOYEE STOCK PURCHASE PLAN IF YOU SIGN, DATE AND RETURN YOUR PROXY.

We are not aware of any business to be acted upon at the meeting other than what is set forth in the accompanying Notice. If, however, other matters are properly brought before the meeting, or any adjournment of the meeting, the persons appointed as proxies will have discretion to vote or abstain from voting on any such matter according to their best judgment.

You may revoke your proxy by (i) giving written notice to Larry L. Worden, Vice President, General Counsel & Secretary, Veritas DGC Inc., 10300 Town Park Drive, Houston, Texas 77072, (ii) signing and delivering a later dated proxy to Mr. Worden at any time before its exercise, or (iii) attending the meeting and voting in person. Our inspector of election, who is required to decide impartially any interpretive questions as to the conduct of the vote, will tabulate the votes at the meeting and certify the results.

We will bear the cost of soliciting proxies in the accompanying form. In addition to solicitations by mail, our employees may solicit proxies in person, by telephone, fax or electronic mail.

This proxy statement and form of proxy is first being sent or given to stockholders on or about October 29, 2001.

### ELECTION OF DIRECTORS

The stockholders will elect eight directors at the meeting. Each director elected will hold office until the next annual meeting of stockholders, until his successor is elected and qualifies or until his earlier death, resignation or removal. By signing, dating and returning the accompanying proxy, you will grant your proxy to vote your shares as you direct. Unless you specify otherwise, your shares will be voted FOR the eight nominees to the board of directors if you sign, date and return your proxy. All nominees previously have been elected directors by the stockholders. If any nominee becomes unavailable for election, the proxy may be voted for a substitute nominee selected by the persons named in the proxy or the board of directors may be reduced accordingly; however, we are not aware of any circumstances likely to render any nominee unavailable.

The eight nominees who receive a majority of the votes cast will be the duly elected directors of Veritas DGC. Abstentions and broker non-votes will not be counted as a vote for or against any nominee, and will not effect the outcome

### COMMITTEES AND MEETINGS OF DIRECTORS

During fiscal year 2001, the board of directors met on eight regularly and specially scheduled occasions. Committees of the board of directors held meetings as follows: audit - four meetings; compensation - three meetings; executive - no meetings; nominating - one meeting; and health, safety and environment - two meetings. During fiscal year 2001, all directors attended at least 75% of the meetings of the board of directors and committees on which they served, with the exception of Steven J. Gilbert who attended 45% of the meetings of the board of directors and committees on which he served.

The audit committee assists the board of directors in assuring that our accounting and reporting practices are in accordance with all applicable requirements. The audit committee has reviewed and

3

discussed our audited financial statements for the year ended July 31, 2001 with management and has discussed with PricewaterhouseCoopers LLP, certified public accountants, the independent auditors and accountants for Veritas DGC, the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU Section 380) with respect to those statements. The audit committee has received the written disclosures and the letter from PricewaterhouseCoopers LLP required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees), and has discussed with PricewaterhouseCoopers LLP, its independence in connection with its audit of our most recent financial statements. Based on this review and these discussions, the audit committee recommended to the board of directors that these audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended July 31, 2001. The information in this paragraph shall not be deemed to be soliciting material, or be filed with the Securities and Exchange Commission or subject to Regulation 14A or 14C or to liabilities of Section 18 of the Securities Act of 1933, nor shall it be deemed to be incorporated by reference into any filing under the Securities Act or the Securities Exchange Act of 1934, except to the extent that we specifically incorporate these paragraphs by reference.

The members of the audit committee are independent, as defined in Sections 303.01(B)(2)(a) and (3) of the NYSE's listing standards. Clayton P. Cormier, James R. Gibbs, and Jan Rask are the members of the audit committee. On June 12, 2001 the board of directors approved several changes to the Veritas DGC Audit Committee Charter. A copy of the charter, as amended, is attached to this proxy statement as Annex A. The board of directors has determined that each member of the audit committee is financially literate and that Mr. Cormier has the necessary accounting and financial expertise to serve as chairman.

The compensation committee administers our compensation plans, including stock option and restricted stock plans, and approves officers' compensation, including awards of stock options and restricted stock.

Prior to September 18, 2001, the executive committee had specific limited authority, from time to time, in connection with our equity offerings to determine the exact number of our shares to be sold, the price for each share, the discount or commissions to be paid to underwriters, and other similar terms of the offering. The board abolished the executive committee on September 18, 2001.

The nominating committee recommends nominees for election to the board of directors at each annual meeting and to fill existing or anticipated vacancies on the board of directors. The nominating committee will consider nominees recommended by stockholders. In accordance with the company's audit

## Edgar Filing: VERITAS DGC INC - Form DEF 14A

committee charter, the committee also recommends nominees for appointment to the company's audit committee.

The health, safety and environment committee assists the board of directors by overseeing our environmental and occupational health and safety policies and programs and monitoring related current and future regulatory issues.

### DIRECTOR COMPENSATION

Each of our directors who is not also an employee is paid an annual fee of \$15,000 plus travel expenses, a fee of \$1,500 per regular or special board of directors meeting, \$750 per telephonic board of directors meeting and \$750 per regular, special or telephonic committee meeting attended. We maintain a stock option plan for non-employee directors providing for stock options to be granted to each non-employee director. Under the stock option plan for non-employee directors, each eligible director is granted options to purchase 5,000 shares on the date of the first meeting of the board of directors each calendar year. If a director is initially elected or appointed to the board of directors other than at the first meeting of the calendar year, the board of directors may grant an option to such director for a number of shares not to exceed 5,000. The exercise price for each option granted is the closing sale price of a share of common stock on the day immediately before the date of grant. Each option is exercisable as follows: 25% of the options are immediately exercisable on the date of grant and an additional 25% become exercisable on each succeeding anniversary of the date of grant until all are exercisable on the third

4

anniversary of the date of grant. All options granted to non-employee directors expire ten years after the date of grant.

### APPROVAL OF AMENDMENT AND RESTATEMENT OF 1997 EMPLOYEE STOCK PURCHASE PLAN

The Company's 1997 Employee Stock Purchase Plan (the "Purchase Plan") was adopted by the Board of Directors in September 1997 and approved by the shareholders in December 1997. A total of 500,000 shares were initially reserved for issuance under the Purchase Plan. The plan provides, in general, that each participating employee is deemed to have been granted an option to purchase, on the first day of the fiscal quarter, as many whole and fractional shares as may be purchased with the payroll deductions credited to the participant's account during the quarter.

### DESCRIPTION OF AMENDMENT TO PURCHASE PLAN

On October 10, 2001 the board of directors approved an amendment to the Purchase Plan to increase the aggregate number of shares authorized for issuance under the plan by 500,000 shares, bringing the total number of shares reserved for issuance under the Purchase Plan to 1 million shares. The Company seeks shareholder approval of this amendment.

The Company considers the increase in shares necessary to meet the Company's current needs. The Purchase Plan is an integral component of the Company's benefits program that is intended to provide employees with an incentive to exert maximum effort for the success of the Company and to participate in that success through the acquisition of the Company's stock. As of October 10, 2001, approximately 437 or 24% of the Company's eligible U.S. employees were participating in the Purchase Plan. The Company anticipates that the enrollment of employees into the Purchase Plan will likely continue to increase.

## Edgar Filing: VERITAS DGC INC - Form DEF 14A

### VOTE REQUIRED

By signing, dating and returning the accompanying proxy, you will grant your proxy to vote your shares as you direct. Unless you specify otherwise, your shares will be voted FOR the amendment and restatement of the Purchase Plan if you sign, date and return your proxy. The affirmative vote of a majority of the votes cast will be required to approve the amendment and restatement of the Purchase Plan. Abstentions and broker non-votes will not be counted as a vote for or against the amendment and restatement, and will not effect the outcome of the vote. Cumulative voting is not allowed.

The board of directors recommends a vote FOR the amendment and restatement of the Purchase Plan.

A copy of the proposed amended and restated 1997 Employee Stock Purchase Plan is attached as Annex B. The only amendment proposed to the previous plan is substituting the words "One Million (1,000,000)" in the first sentence of Section 4 of the plan in place of the words "Five Hundred Thousand." Certain essential provisions of the Purchase Plan are outlined below.

### ADMINISTRATION

The compensation committee of the board of directors administers the Purchase Plan.

### ELIGIBILITY

Only employees who have completed at least six consecutive months of continuous employment with the Company or any of its majority-owned subsidiaries may participate in the Purchase Plan. Subject to eligibility requirements, participation is voluntary. No employee is eligible to obtain an option to purchase shares under the Purchase Plan if, immediately after the grant of the option under the Purchase Plan, the employee would own shares, and/or hold outstanding options to purchase shares, possessing five percent (5%) or more of the total combined voting power or value of all classes of stock of Veritas DGC or of any of its subsidiaries. In addition, no employee is eligible to obtain an option under the plan that would permit him or her to purchase shares through the Purchase Plan with a value in excess of \$25,000 (determined at fair market value of the shares at the time the option is granted).

5

### OFFERING PERIOD

The first offering period commenced on October 1, 1997 and terminated on January 31, 1998. Subsequent offering periods were August 1 through October 31, November 1 through January 31, February 1 through April 30 and May 1 through July 31. The offering periods will continue until the Purchase Plan is terminated.

### PURCHASE PRICE

For each fiscal quarter, each participant is deemed to have been granted an option to purchase, on the first day of the fiscal quarter, as many whole and fractional shares as may be purchased with the payroll deductions credited to the participant's account during the quarter. The purchase price per share at which shares will be sold in an offering under the Purchase Plan is the lower of (i) eighty-five (85%) of the fair market value of a share on the first day of the fiscal quarter or (ii) eighty-five (85%) percent of the fair market value of a share on the last day of the fiscal quarter. For purposes of distribution under the Purchase Plan, the fair market value of the Company's shares on a given date is the closing price as of the immediately preceding

## Edgar Filing: VERITAS DGC INC - Form DEF 14A

business day as reported on the New York Stock Exchange.

### PAYMENT OF PURCHASE PRICE; PAYROLL DEDUCTIONS

The purchase price of the shares is accumulated by payroll deductions over the offering period. The Purchase Plan provides that the aggregate of such payroll deductions during the offering period shall not exceed fifteen percent (15%) of the participant's base pay. Base pay is defined as regular straight-time earnings or base salary, excluding bonuses and other types of extraordinary compensation.

All payroll deductions made for a participant are credited to the participant's account under the Purchase Plan and are included with the general funds of the Company. Funds received upon sales of stock under the Purchase Plan are used for general corporate purposes.

### WITHDRAWAL

A participant may abandon his or her election to purchase shares under the Purchase Plan by signing and delivering to the Company a notice of withdrawal from the Purchase Plan at least fifteen (15) days prior to the end of the fiscal quarter. The participant may also withdraw all of the accumulated balance in his account being held to purchase shares.

### TERMINATION OF EMPLOYMENT

Termination of a participant's employment for any reason, other than retirement, death or disability, immediately terminates his or her participation in the Purchase Plan. In such event the payroll deductions credited to the participant's account will be returned without interest to such participant or his or her heirs.

If a participant's termination of employment is due to retirement on or after the age of 65, death, or disability, the participant may elect to either (i) withdraw that balance of the participant's account as of the termination date; or (ii) exercise the option to purchase shares on the last day of the fiscal quarter based upon the balance in the participant's account as of the termination date.

### AMENDMENT AND TERMINATION OF THE PLAN

The Board may at any time amend or terminate the Purchase Plan, except that no such termination shall affect options previously granted and no amendment shall make any change in an option granted prior thereto that adversely affects the rights of any participant. Under the Purchase Plan, an amendment to increase the number of shares reserved for issuance or an amendment to the class of employees eligible to purchase stock under the Plan requires the approval of the shareholders of the Company. The Plan will terminate in October 2007, unless terminated earlier by the Board.

6

### TAX INFORMATION

The Purchase Plan, and the right of participants to make purchases thereunder, is intended to qualify under the provisions of Sections 421 and 423 of the Internal Revenue Code of 1986, as amended (the "Code").

### SHARES ISSUED UNDER THE PLAN

## Edgar Filing: VERITAS DGC INC - Form DEF 14A

As of July 31, 2001, a total of 414,867 shares had been issued under the terms of the Purchase Plan. Absent approval of the amendment and restatement of the Purchase Plan, only 85,133 shares remain to be issued of the 500,000 shares originally set aside for issuance under the plan.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Mr. Robson, Chairman and Chief Executive Officer, is an ex officio non-voting member of the compensation committee of the board of directors. As such, he is invited to and attends meetings of the compensation committee from time to time. He is not allowed to vote on any item that comes before the committee, nor is he allowed to be present during the committee's discussions of his compensation. None of the three voting members of the compensation committee - Messrs. Gibbs, Gilbert, and MacNeill - is or has been at any time an executive officer or employee of Veritas DGC or any of its subsidiaries nor has any of them had any relationship with Veritas DGC that would otherwise require disclosure.

COMPENSATION COMMITTEE REPORT

The compensation committee of the board of directors has furnished the following report on executive compensation for fiscal 2001:

We seek to relate a significant portion of potential total executive compensation to Veritas DGC's financial performance. Our executive compensation consists of three elements: base compensation, bonus and stock-based benefits.

We intend the base compensation for executive officers to afford a reasonable degree of financial security and flexibility to those individuals whom we regard as acceptably discharging the levels and types of responsibility implicit in the various executive positions.

## Edgar Filing: VERITAS DGC INC - Form DEF 14A

We last increased the base pay for certain executive officers effective March 2001. At the time of the increase, we gave little consideration to the compensation plans of executives in other seismic companies, because some of our principal competitors are subsidiaries of larger, more diversified oilfield service concerns, and compensation data was not publicly available for the comparable executive positions in those subsidiaries. Moreover, the few publicly held seismic operators had such disparate operating and financial characteristics and were of such dissimilar sizes, that the compensation committee found little basis for reliable comparison. In setting the salaries of the executive officers, we considered the salary histories of each executive, his past performance, credentials, age and experience with Veritas DGC, as well as his perceived future utility to Veritas DGC.

We require a minimum level of company financial performance before the executive officers earn any annual bonuses, and we award bonuses for achieving higher levels of performance directly tied to the level achieved. In fiscal 1998, we recommended and the board of directors adopted an incentive compensation program pursuant to which some 200 managerial personnel (including the executive officers) became eligible to earn bonuses based upon Veritas DGC's actual results of operations as a percentage of those results anticipated in the annual budget approved by the board of directors at the beginning of the fiscal year. We awarded the following bonuses under the incentive compensation program for performance during fiscal 2001: Mr. Robson - \$300,216.15; Mr. Ludlow - \$182,320.00; Mr. Wells - \$170,853.33; Mr. Tripodo - \$142,693.33; and Mr. Worden - \$130,720.00.

We believe periodic grants of significant blocks of stock options to executive officers helps to align the executive's economic interests with those of stockholders and to provide a direct and continuing focus on the goal of increasing stockholder value. We will consider such grants every year. We last granted options on March 6, 2001.

The Compensation Committee,  
Brian F. MacNeill (Chairman)  
James R. Gibbs  
Steven J. Gilbert  
David B. Robson (ex officio, non-voting member)

The following graph illustrates the performance of our shares compared with the cumulative total return on (i) Standard & Poor's 500 Stock Index and (ii) an index of peer companies we selected for the period beginning July 31, 1996 and ending July 31, 2001. The graph assumes that the value of the investment in our shares and each index was \$100 at July 31, 1996. In all cases the cumulative total return assumes, as contemplated by the Securities and Exchange Commission rules, that any cash dividends on the common stock of each entity included in the data presented below were reinvested in that security.

The index of peer companies for fiscal year 2001 consists of Dawson Geophysical Company, Petroleum Geo-Services, Inc., Schlumberger Limited, and Seitel, Inc. Until 1999, Western Atlas was included in the index of peer companies. Once Western Atlas became a wholly owned subsidiary of Baker Hughes Incorporated, the index included Baker Hughes for years 1999 and 2000. For fiscal year 2001, Baker Hughes has been removed from the index of peer companies since its seismic operations were merged with Schlumberger Limited's seismic operations to form WesternGeco, which is already included in the peer group as a part of Schlumberger.

In this regard, neither the transfer of a Participant from Employment by the Company to Employment by a Subsidiary, nor the transfer of a Participant from Employment by a Subsidiary to Employment by the Company, shall be deemed to be a termination of Employment of the Participant. Moreover, the Employment of a Participant shall not be deemed to have been terminated because of absence from active Employment on account of temporary illness or during authorized vacation, temporary leaves of absence from active Employment granted by Company or a Subsidiary for reasons of professional advancement, education, health, or government service, or during military leave for any period if the Participant returns to active Employment within 90 days after the termination of military leave, or during any period required to be treated as a leave of absence which, by virtue of any valid law or agreement, does not result in a termination of Employment.

voluntary. Each Employee who has completed at least six (6) consecutive months of continuous Employment with an Employer (calculated from his last date of hire to the termination of his Employment for any reason) and has reached the age of majority in the jurisdiction of his legal residency, will be eligible to participate in the Plan on the first day of the payroll period commencing on or after the earlier of (i) the Effective Date or (ii) the Entry Date on which the Employee satisfies the aforementioned eligibility requirements. Each Employee whose Employment terminates and who is rehired by an Employer shall be treated as a new Employee for eligibility purposes under the Plan.

(b) Limitations on Eligibility. Any provision of the Plan to the contrary notwithstanding, no Employee will be granted an option under the Plan:

(i) if, immediately after the grant, the Employee would own stock, and/or hold outstanding options to purchase stock, possessing five percent (5%) or more of the total combined voting power or value of all classes of stock of the Company or of any Subsidiary; or

(ii) which permits the Employee's rights to purchase stock under this Plan and all other employee stock purchase plans (within the meaning of Section 423 of the Code) of the Company and its Subsidiaries to accrue at a rate which exceeds \$25,000 of the fair market value of the stock (determined at the time such option is granted) for each Fiscal year in which such option is outstanding at any time, all as determined in accordance with Section 423(b) (8) of the Code.

For purposes of Section 3(b) (i) above, pursuant to Section 424(d) of the Code, (i) the Employee with respect to whom such limitation is being determined shall be considered as owning the stock owned, directly or indirectly, by or for his brothers and sisters (whether by the whole or half blood), spouse, ancestors, and lineal descendants; and (ii) stock owned, directly or indirectly, by or for a corporation, partnership, estate, or trust, shall be considered as being owned proportionately by or for its shareholders, partners, or beneficiaries. In addition, for purposes of Section 3(b) (ii) above, pursuant to Section 423(b) (8) of the Code, (i) the right to purchase stock under an option accrues when the option (or any portion thereof) first becomes exercisable during the calendar year, (ii) the right to purchase stock under an option accrues at the rate provided in the option but in no case may such rate exceed \$25,000 of fair market value of such stock (determined at the time such option is granted) for any one calendar year, and (iii) a right to purchase stock which has accrued under one option granted pursuant to the Plan may not be carried over to any other option.

4. SHARES SUBJECT TO THE PLAN. The total number of shares of Common Stock that upon the exercise of options granted under the Plan will not exceed One Million (1,000,000) shares (subject to adjustment as provided in Section 17), and such shares may be originally issued shares, treasury shares, reacquired shares, shares bought in the market, or any

ANNEX B  
Page 4 of 16

combination of the foregoing. If any option which has been granted expires or terminates for any reason without having been exercised in full, the unpurchased shares will again become available for purposes of the Plan. Any shares which

## Edgar Filing: VERITAS DGC INC - Form DEF 14A

are not subject to outstanding options upon the termination of the Plan shall cease to be subject to the Plan.

### 5. PARTICIPATION.

(a) Payroll Deduction Authorization. An Employee shall be eligible to participate in the Plan as of the first Entry Date following such Employee's satisfaction of the eligibility requirements of Section 3, or, if later, the first Entry Date following the date on which the Employee's Employer adopted the Plan. At least 10 days (or such other period as may be prescribed by the Committee or a Benefits Representative) prior to the first Entry Date as of which an Employee is eligible to participate in the Plan, the Employee shall execute and deliver to the Benefits Representative, on the form prescribed for such purpose, an authorization for payroll deductions which specifies his chosen rate of payroll deduction contributions pursuant to Section 6, and such other information as is required to be provided by the Employee on such enrollment form. The enrollment form shall authorize the Employer to reduce the Employee's Base Pay by the amount of such authorized contributions. To the extent provided by the Committee or a Benefits Representative, each Participant shall also be required to open a stock brokerage account with a brokerage firm which has been engaged to administer the purchase, holding and sale of Common Stock for Accounts under the Plan and, as a condition of participation hereunder, the Participant shall be required to execute any form required by the brokerage firm to open and maintain such brokerage account.

(b) Continuing Effect of Payroll Deduction Authorization. Payroll deductions for a Participant will commence with the first payroll period beginning after the Participant's authorization for payroll deductions becomes effective, and will end with the payroll period that ends when terminated by the Participant in accordance with Section 6(c) or due to his termination of Employment in accordance with Section 11. Payroll deductions will also cease when the Participant is suspended from participation due to a withdrawal of payroll deductions in accordance with Section 10. When applicable with respect to Employees who are paid on a hourly wage basis, the authorized payroll deductions shall be withheld from wages when actually paid following the period in which the compensatory services were rendered. Only payroll deductions that are credited to the Participant's Account during the Fiscal Quarter will be used to purchase Common Stock pursuant to Section 8 regardless of when the work was performed.

(c) Employment and Stockholders Rights. Nothing in the Plan will confer on a Participant the right to continue in the employ of the Employer or will limit or restrict the right of the Employer to terminate the Employment of a Participant at any time with or without cause. A Participant will have no interest in any Common Stock to be purchased under the Plan or any rights as a stockholder with respect to such Stock until the Stock has been purchased and credited to the Participant's Account.

ANNEX B

### 6. PAYROLL DEDUCTIONS.

(a) Participant Contributions by Payroll Deductions. At the time a Participant files his payroll deduction authorization form, the Participant will elect to have deductions made from the Participant's Base Pay for each payroll period such authorization is in effect in

## Edgar Filing: VERITAS DGC INC - Form DEF 14A

whole percentages at the rate of not less than 1% nor more than 15% of the Participant's Base Pay.

(b) No Other Participant Contributions Permitted. All payroll deductions made for a Participant will be credited to the Participant's Account under the Plan. A Participant may not make any separate cash payment into such Account.

(c) Changes in Participant Contributions. Subject to Sections 10 and 22, a Participant may increase, decrease, suspend, or resume payroll deductions under the Plan by giving written notice to a designated Benefits Representative at such time and in such form as the Committee or Benefits Representative may prescribe from time to time. Such increase, decrease, suspension or resumption will be effective as of the first day of the payroll period as soon as administratively practicable after receipt of the Participant's written notice, but not earlier than the first day of the payroll period of the Fiscal Quarter next following receipt and acceptance of such form. Notwithstanding the previous sentence, a Participant may completely discontinue contributions at any time during a Fiscal Quarter, effective as of the first day of the payroll period as soon as administratively practicable following receipt of a written discontinuance notice from the Participant on a form provided by a designated Benefits Representative. Following a discontinuance of contributions, a Participant cannot authorize any payroll contributions to his Account for the remainder of the Fiscal Quarter in which the discontinuance was effective.

### 7. GRANTING OF OPTION TO PURCHASE STOCK.

(a) Quarterly Grant of Options. For each Fiscal Quarter, a Participant will be deemed to have been granted an option to purchase, on the first day of the Fiscal Quarter, as many whole and fractional shares as may be purchased with the payroll deductions (and any cash dividends as provided in Section 8) credited to the Participant's Account during the Fiscal Quarter.

(b) Option Price. The option price of the Common Stock purchased with the amount credited to the Participant's Account during each Fiscal Quarter will be the lower of:

(i) 85% of the Market Price of a share of Stock on the first day of the Fiscal Quarter; or

(ii) 85% of the Market Price of a share of Stock on the last day of the Fiscal Quarter.

### ANNEX B Page 6 of 16

Only the Market Price as of the first day of the Fiscal Quarter and the last day of the Fiscal Quarter shall be considered for purposes of determining the option purchase price; interim fluctuations during the Fiscal Quarter shall not be considered.

### 8. EXERCISE OF OPTION.

(a) Automatic Exercise of Options. Unless a Participant has elected to withdraw payroll deductions in accordance with Section 10, the Participant's option for the purchase of Common Stock will be deemed to have been exercised automatically as of the last day of the Fiscal Quarter for the purchase of the number of whole and fractional

## Edgar Filing: VERITAS DGC INC - Form DEF 14A

shares of Common Stock which the accumulated payroll deductions (and cash dividends on the Common Stock as provided in Section 8(b)) in the Participant's Account at that time will purchase at the applicable option price. Fractional shares may be issued under the Plan. As of the last day of each Fiscal Quarter, the balance of each Participant's Account shall be applied to purchase the number of whole and fractional shares of Stock as determined by dividing the balance of such Participant's Account as of such date by the option price determined pursuant to Section 7(b). The Participant's Account shall be debited accordingly. The Committee or its delegate shall make all determinations with respect to applicable currency exchange rates when applicable.

(b) Dividends Generally. Cash dividends paid on shares of Common Stock which have not been delivered to the Participant pending the Participant's request for delivery pursuant to Section 9(c), will be combined with the Participant's payroll deductions and applied to the purchase of Common Stock at the end of the Fiscal Quarter in which the cash dividends are received, subject to the Participant's withdrawal rights set forth in Section 10. Dividends paid in the form of shares of Common Stock or other securities with respect to shares that have been purchased under the Plan, but which have not been delivered to the Participant, will be credited to the shares that are credited to the Participant's Account.

(c) Pro-rata Allocation of Available Shares. If the total number of shares to be purchased under option by all Participants exceeds the number of shares authorized under Section 4, a pro-rata allocation of the available shares will be made among all Participants authorizing such payroll deductions based on the amount of their respective payroll deductions through the last day of the Fiscal Quarter.

### 9. OWNERSHIP AND DELIVERY OF SHARES.

(a) Beneficial Ownership. A Participant will be the beneficial owner of the shares of Common Stock purchased under the Plan on exercise of his option and will have all rights of beneficial ownership in such shares. Any dividends paid with respect to such shares will be credited to the Participant's Account and applied as provided in Section 8 until the shares are delivered to the Participant.

(b) Registration of Stock. Stock to be delivered to a Participant under the Plan will be registered in the name of the Participant, or if the Participant so directs by

ANNEX B  
Page 7 of 16

written notice to the designated Benefits Representative or brokerage firm, if any, prior to the purchase of Stock hereunder, in the names of the Participant and one such other person as may be designated by the Participant, as joint tenants with rights of survivorship or as tenants by the entirety, to the extent permitted by applicable law. Any such designation shall not apply to shares purchased after a Participant's death by the Participant's beneficiary or estate, as the case may be, pursuant to Section 11(b). If a brokerage firm is engaged by the Company to administer Accounts under the Plan, such firm shall provide such account registration forms as are necessary for each Participant to open and maintain a brokerage account with such firm.

## Edgar Filing: VERITAS DGC INC - Form DEF 14A

(c) Delivery of Stock Certificates. The Company, or a brokerage firm or other entity selected by the Company, shall deliver to each Participant a certificate for the number of shares of Common Stock purchased by the Participant hereunder as soon as practicable after the close of each Fiscal Quarter. Alternatively, in the discretion of the Committee, the stock certificate may be delivered to a designated stock brokerage account maintained for the Participant and held in "street name" in order to facilitate the subsequent sale of the purchased shares.

(d) Regulatory Approval. In the event the Company is required to obtain from any commission or agency the authority to issue any stock certificate hereunder, the Company shall seek to obtain such authority. The inability of the Company to obtain from any such commission or agency the authority which counsel for the Company deems necessary for the lawful issuance of any such certificate shall relieve the Company from liability to any Participant, except to return to the Participant the amount of his Account balance used to exercise the option to purchase the affected shares.

10. WITHDRAWAL OF PAYROLL DEDUCTIONS. At any time during a Fiscal Quarter, but in no event later than 15 days (or such shorter prescribed by the Committee or a Benefits Representative) prior to the last day of the Fiscal Quarter, a Participant may elect to abandon his election to purchase Common Stock under the Plan. By written notice to the designated Benefits Representative on a form provided for such purpose, the Participant may thus elect to withdraw all of the accumulated balance in his Account being held for the purchase of Common Stock in accordance with Section 8(b). Partial withdrawals will not be permitted. All such amounts will be paid to the Participant as soon as administratively practical after receipt of his notice of withdrawal. After receipt and acceptance of such withdrawal notice, no further payroll deductions will be made from the Participant's Base Pay beginning as of the next payroll period during the Fiscal Quarter in which the withdrawal notice is received. The Committee, in its discretion, may determine that amounts otherwise withdrawable hereunder by Participants shall be offset by an amount that the Committee, in its discretion, determines to be reasonable to help defray the administrative costs of effecting the withdrawal, including, without limitation, fees imposed by any brokerage firm which administers such Participant's Account. After a withdrawal, an otherwise eligible Participant may resume participation in the Plan as of the first day of the Fiscal Quarter next following his delivery of a payroll deduction authorization pursuant to the procedures prescribed in Section 5(a).

ANNEX B  
Page 8 of 16

### 11. TERMINATION OF EMPLOYMENT.

(a) General Rule. Upon termination of a Participant's Employment for any reason, his participation in the Plan will immediately terminate.

(b) Termination Due to Retirement, Death or Disability. If the Participant's termination of Employment is due to (i) retirement from Employment on or after his attainment of age 65, (ii) death or (iii) Disability, the Participant (or the Participant's personal representative or legal guardian in the event of Disability, or the Participant's beneficiary (as defined in Section 14) or the administrator of his will or executor of his estate in the event of death), will have the right to elect, either to:

## Edgar Filing: VERITAS DGC INC - Form DEF 14A

(1) Withdraw all of the cash and shares of Common Stock credited to the Participant's Account as of his termination date; or

(2) Exercise the Participant's option for the purchase of Common Stock on the last day of the Fiscal Quarter (in which termination of Employment occurs) for the purchase of the number of shares of Common Stock which the cash balance credited to the Participant's Account as of the date of the Participant's termination of Employment will purchase at the applicable option price.

The Participant (or, if applicable, such other person designated in the first paragraph of this Section 11(b)) must make such election by giving written notice to the Benefits Representative at such time and in such manner as prescribed from time to time by the Committee or Benefits Representative. In the event that no such written notice of election is received by the Benefits Representative within 30 days of the Participant's termination of Employment date, the Participant (or such other designated person) will automatically be deemed to have elected to withdraw the balance in the Participant's Account as of his termination date. Thereafter, any accumulated cash and shares of Common Stock credited to the Participant's Account as of his termination of Employment date will be delivered to or on behalf of the Participant as soon as administratively practicable.

(c) Termination Other Than for Retirement, Death or Disability. Upon termination of a Participant's Employment for any reason other than retirement, death, or Disability pursuant to Section 11(b), the participation of the Participant in the Plan will immediately terminate. Thereafter, any accumulated cash and shares of Common Stock credited to the Participant's Account as of his termination of Employment date will be delivered to the Participant as soon as administratively practicable.

(d) Rehired Employees. Any Employee whose Employment terminates and who is subsequently rehired by an Employer shall be treated as a new Employee for purposes of eligibility to participate in the Plan.

### ANNEX B Page 9 of 16

12. INTEREST. No interest will be paid or allowed on any money paid into the Plan or credited to the Account of any Participant.

13. ADMINISTRATION OF THE PLAN.

(a) No Participation in Plan by Committee Members. No options may be granted under the Plan to any member of the Committee during the term of his membership on the Committee.

(b) Authority of the Committee. Subject to the provisions of the Plan, the Committee shall have the plenary authority to (a) interpret the Plan and all options granted under the Plan, (b) make such rules as it deems necessary for the proper administration of the Plan, (c) make all other determinations necessary or advisable for the administration of the Plan, and (d) correct any defect or supply any omission or reconcile any inconsistency in the Plan or in any option

## Edgar Filing: VERITAS DGC INC - Form DEF 14A

granted under the Plan in the manner and to the extent that the Committee deems advisable. Any action taken or determination made by the Committee pursuant to this and the other provisions of the Plan shall be conclusive on all parties. The act or determination of a majority of the Committee shall be deemed to be the act or determination of the Committee. By express written direction, or by the day-to-day operation of Plan administration, the Committee may delegate the authority and responsibility for the day-to-day administrative or ministerial tasks of the Plan to a Benefits Representative, including a brokerage firm or other third party engaged for such purpose.

(c) Meetings. The Committee shall designate a chairman from among its members to preside at its meetings, and may designate a secretary, without regard to whether that person is a member of the Committee, who shall keep the minutes of the proceedings. Meetings shall be held at such times and places as shall be determined by the Committee, and the Committee may hold telephonic meetings. The Committee may take any action otherwise proper under the Plan by the affirmative vote of a majority of its members, taken at a meeting, or by the affirmative vote of all of its members taken without a meeting. The Committee may authorize any one or more of their members or any officer of the Company to execute and deliver documents on behalf of the Committee.

(d) Decisions Binding. All determinations and decisions made by the Committee shall be made in its discretion pursuant to the provisions of the Plan, and shall be final, conclusive and binding on all persons including the Company, Participants, and their estates and beneficiaries.

(e) Expenses of Committee. The Committee may employ legal counsel, including, without limitation, independent legal counsel and counsel regularly employed by the Company, consultants and agents as the Committee may deem appropriate for the administration of the Plan. The Committee may rely upon any opinion or computation received from any such counsel, consultant or agent. All expenses incurred by

ANNEX B  
Page 10 of 16

the Committee in interpreting and administering the Plan, including, without limitation, meeting expenses and professional fees, shall be paid by the Company.

(f) Indemnification. Each person who is or was a member of the Committee shall be indemnified by the Company against and from any damage, loss, liability, cost and expense that may be imposed upon or reasonably incurred by him in connection with or resulting from any claim, action, suit, or proceeding to which he may be a party or in which he may be involved by reason of any action taken or failure to act under the Plan, except for any such act or omission constituting willful misconduct or gross negligence. Such person shall be indemnified by the Company for all amounts paid by him in settlement thereof, with the Company's approval, or paid by him in satisfaction of any judgment in any such action, suit, or proceeding against him, provided he shall give the Company an opportunity, at its own expense, to handle and defend the same before he undertakes to handle and defend it on his own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Articles of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the

## Edgar Filing: VERITAS DGC INC - Form DEF 14A

Company may have to indemnify them or hold them harmless.

14. DESIGNATION OF BENEFICIARY. At such time, in such manner, and using such form as shall be prescribed from time to time by the Committee or a Benefits Representative, a Participant may file a written designation of a beneficiary who is to receive any Common Stock and/or cash credited to the Participant's Account at the Participant's death. Such designation of beneficiary may be changed by the Participant at any time by giving written notice to the Benefits Representative at such time and in such form as prescribed. Upon the death of a Participant, and receipt by the Benefits Representative of proof of the identity at the Participant's death of a beneficiary validly designated under the Plan, the Benefits Representative will take appropriate action to ensure delivery of such Common Stock and/or cash to such beneficiary. In the event of the death of a Participant and the absence of a beneficiary validly designated under the Plan who is living at the time of such Participant's death, the Benefits Representative will take appropriate action to ensure delivery of such Common Stock and/or cash to the executor or administrator of the estate of the Participant, or if no such executor or administrator has been appointed (to the knowledge of the Benefits Representative), the Committee, in its discretion, may direct delivery of such Common Stock and/or cash to the spouse or to any one or more dependents of the Participant as the Committee may designate in its discretion. No beneficiary will, prior to the death of the Participant, acquire any interest in any Common Stock or cash credited to the Participant's Account.

15. TRANSFERABILITY. No amounts credited to a Participant's Account, whether cash or Common Stock, nor any rights with regard to the exercise of an option or to receive Common Stock under the Plan, may be assigned, transferred, pledged, or otherwise disposed of in any way by the Participant other than by will or the laws of descent and distribution. Any such attempted assignment, transfer, pledge, or other disposition will be void and without effect.

Each option shall be exercisable, during the Participant's lifetime, only by the Employee to whom the option was granted. The Company shall not recognize, and shall be under no duty

ANNEX B  
Page 11 of 16

to recognize, any assignment or purported assignment by an employee of his option or of any rights under his option.

16. NO RIGHTS OF STOCKHOLDER UNTIL CERTIFICATE ISSUED. With respect to shares of Stock subject to an option, an optionee shall not be deemed to be a stockholder, and the optionee shall not have any of the rights or privileges of a stockholder. An optionee shall have the rights and privileges of a stockholder when, but not until, a certificate for shares has been issued to the optionee following exercise of his option.

17. CHANGES IN THE COMPANY'S CAPITAL STRUCTURE. The Board shall make or provide for such adjustments in the maximum number of shares specified in Section 4 and the number and option price of shares subject to options outstanding under the Plan as the Board shall determine is appropriate to prevent dilution or enlargement of the rights of Participants that otherwise would result from any stock dividend, stock split, stock exchange, combination of shares, recapitalization or other change in the capital structure of the Company, merger, consolidation, spin-off of assets, reorganization, partial or complete liquidation, issuance of rights or warrants to purchase securities, any other corporate transaction or event having an effect similar to any of the foregoing.

In the event of a merger of one or more corporations into the Company,

## Edgar Filing: VERITAS DGC INC - Form DEF 14A

or a consolidation of the Company and one or more corporations in which the Company shall be the surviving corporation, each Participant, at no additional cost, shall be entitled, upon his payment for all or part of the Common Stock purchasable by him under the Plan, to receive (subject to any required action by shareholders) in lieu of the number of shares of Common Stock which he was entitled to purchase, the number and class of shares of stock or other securities to which such holder would have been entitled pursuant to the terms of the agreement of merger or consolidation if, immediately prior to such merger or consolidation, such holder had been the holder of record of the number of shares of Common Stock equal to the number of shares purchasable by the Participant hereunder.

If the Company shall not be the surviving corporation in any reorganization, merger or consolidation (or survives only as a subsidiary of an entity other than a previously wholly-owned subsidiary of the Company), or if the Company is to be dissolved or liquidated or sell substantially all of its assets or stock to another corporation or other entity, then, unless a surviving corporation assumes or substitutes new options (within the meaning of Section 424(a) of the Code) for all options then outstanding, (i) the date of exercise for all options then outstanding shall be accelerated to dates fixed by the Committee prior to the effective date of such corporate event, (ii) a Participant may, at his election by written notice to the Company, either (x) withdraw from the Plan pursuant to Section 10 and receive a refund from the Company in the amount of the accumulated cash and Stock balance in the Participant's Account, (y) exercise a portion of his outstanding options as of such exercise date to purchase shares of Stock, at the option price, to the extent of the balance in the Participant's Account, or (z) exercise in full his outstanding options as of such exercise date to purchase shares of Stock, at the option price, which exercise shall require such Participant to pay the related option price, and (iii) after such effective date any unexercised option shall expire. The date the Committee selects for the exercise date under the preceding sentence shall be deemed to be the exercise date for

### ANNEX B Page 12 of 16

purposes of computing the option price per share of Stock. If the Participant elects to exercise all or any portion of the options, the Company shall deliver to such Participant a stock certificate issued pursuant to Section 9(d) for the number of shares of Stock with respect to which such options were exercised and for which such Participant has paid the option price. If the Participant fails to provide the notice set forth above within three days after the exercise date selected by the Committee under this Section 17, the Participant shall be conclusively presumed to have requested to withdraw from the Plan and receive payment of the accumulated balance of his Account. The Committee shall take such steps in connection with such transactions as the Committee shall deem necessary or appropriate to assure that the provisions of this Section 17 are effectuated for the benefit of the Participants.

Except as expressly provided in this Section 17, the issue by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, for cash or property, or for labor or services either upon direct sale or upon the exercise of rights or warrants to subscribe therefor, or upon conversion of shares or obligations of the Company convertible into such shares or other securities, shall not affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Stock then available for purchase under the Plan.

18. PLAN EXPENSES; USE OF FUNDS; NO INTEREST PAID. The expenses of the Plan shall be paid by the Company except as otherwise provided herein or under

## Edgar Filing: VERITAS DGC INC - Form DEF 14A

the terms and conditions of any agreement entered into between the Participant and any brokerage firm engaged to administer Accounts. All funds received or held by the Company under the Plan shall be included in the general funds of the Company free of any trust or other restriction, and may be used for any corporate purpose. No interest shall be paid to any Participant or credited to his Account under the Plan.

19. TERM OF THE PLAN. The Plan shall become effective as of November 1, 1997, subject to approval by the holders of the majority of the Common Stock present and represented at a special or annual meeting of the Company's stockholders held on or before 12 months from November 1, 1997.

Except with respect to options then outstanding, if not terminated sooner under the provisions of Section 20, no further options shall be granted under the Plan at the earlier of (i) October 31, 2007, or (ii) the point in time when no shares of Stock reserved for issuance under Section 4 are available.

20. AMENDMENT OR TERMINATION OF THE PLAN. The Board shall have the plenary authority to terminate or amend the Plan; provided, however, that the Board shall not, without the approval of the stockholders of the Company, (a) increase the maximum number of shares which may be issued under the Plan pursuant to Section 4, (b) amend the requirements as to the class of employees eligible to purchase Stock under the Plan, or (c) permit the members of the Committee to purchase Stock under the Plan. No termination, modification, or amendment of the Plan shall adversely affect the rights of a Participant with respect to an option previously granted to him under such option without his written consent.

### ANNEX B Page 13 of 16

In addition, to the extent that the Committee determines that, in the opinion of counsel, (a) the listing for qualification requirements of any national securities exchange or quotation system on which the Company's Common Stock is then listed or quoted, or (b) the Code or Treasury regulations issued thereunder, require stockholder approval in order to maintain compliance with such listing or qualification requirements or to maintain any favorable tax advantages or qualifications, then the Plan shall not be amended by the Board in such respect without first obtaining such required approval of the Company's stockholders.

21. SECURITIES LAWS RESTRICTIONS ON EXERCISE. The Committee may, in its discretion, require as conditions to the exercise of any option that the shares of Common Stock reserved for issuance upon the exercise of the option shall have been duly listed, upon official notice of issuance, upon a stock exchange, and that either:

(a) a Registration Statement under the Securities Act of 1933, as amended, with respect to said shares shall be effective; or

(b) the participant shall have represented at the time of purchase, in form and substance satisfactory to the Company, that it is his intention to purchase the Stock for investment and not for resale or distribution.

22. SECTION 16 COMPLIANCE. The Plan, and transactions hereunder by persons subject to Section 16 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), are intended to comply with all applicable conditions of Rule 16b-3 or any successor exemption provision promulgated under the Exchange Act. To the extent that any provision of the Plan or any action by the Committee or the Board fails, or is deemed to fail, to so comply, such provision or action shall be null and void but only to the extent permitted by law and deemed

## Edgar Filing: VERITAS DGC INC - Form DEF 14A

advisable by the Committee in its discretion.

23. WITHHOLDING TAXES FOR DISQUALIFYING DISPOSITION. Whenever shares of Stock that were received upon the exercise of an option granted under the Plan are disposed of within two years after the date of grant of such option or one year from the date of exercise of such option (within the meaning of Section 423(a)(1)), the Company shall have the right to require the Participant to remit to the Company in cash an amount sufficient to satisfy federal, state and local withholding and payroll tax requirements, if any, attributable to such disposition prior to authorizing such disposition or permitting the delivery of any certificate or certificates with respect thereto.

24. NO RESTRICTION ON CORPORATE ACTION. Subject to Section 20, nothing contained in the Plan shall be construed to prevent the Board or any Employer from taking any corporate action which is deemed by the Employer to be appropriate or in its best interest, whether or not such action would have an adverse effect on the Plan or any option granted under the Plan. No Employee, beneficiary or other person shall have any claim against any Employer as a result of any such action.

25. USE OF FUNDS. The Employers shall promptly transfer all amounts withheld under Section 6 to the Company or to any brokerage firm engaged to administer Accounts, as directed

ANNEX B  
Page 14 of 16

by the Company. All payroll deductions received or held by the Company under the Plan may be used by the Company for any corporate purpose, and the Company will not be obligated to segregate such payroll deductions.

### 26. MISCELLANEOUS.

(a) Options Carry Same Rights and Privileges. To the extent required to comply with the requirements of Section 423 of the Code, all Employees granted options under the Plan to purchase Common Stock shall have the same rights and privileges hereunder.

(b) Headings. Any headings or subheadings in this Plan are inserted for convenience of reference only and are to be ignored in the construction or interpretation of any provisions hereof.

(c) Gender and Tense. Any words herein used in the masculine shall be read and construed in the feminine when appropriate. Words in the singular shall be read and construed as though in the plural, and vice-versa, when appropriate.

(d) Governing Law. This Plan shall be governed and construed in accordance with the laws of the State of Delaware to the extent not preempted by federal law.

(e) Regulatory Approvals and Compliance. The Company's obligation to sell and deliver Common Stock under the Plan is at all times subject to all approvals of and compliance with the (i) regulations of any applicable stock exchanges and (ii) any governmental authorities required in connection with the authorization, issuance, sale or delivery of such Stock, as well as federal, state and foreign securities laws.

(f) Severability. In the event that any provision of this Plan shall be held illegal, invalid, or unenforceable for any reason, such provision shall be fully severable, but shall not affect the remaining

Edgar Filing: VERITAS DGC INC - Form DEF 14A

provisions of the Plan, and the Plan shall be construed and enforced as if the illegal, invalid, or unenforceable provision had not been included herein.

(g) Refund of Contributions on Noncompliance with Tax Law. In the event the Company should receive notice that this Plan fails to qualify as an "employee stock purchase plan" under Section 423 of the Code, all then-existing Account balances will be paid to the Participants and the Plan shall immediately terminate.

(h) No Guarantee of Tax Consequences. The Board, Employer and the Committee do not make any commitment or guarantee that any tax treatment will apply or be available to any person participating or eligible to participate in the Plan, including, without limitation, any tax imposed by the United States or any state thereof, any estate tax, or any tax imposed by a foreign government.

(i) Company as Agent for the Employers. Each Employer, by adopting the Plan, appoints the Company and the Board as its agents to exercise on its behalf all of the powers and authorities hereby conferred upon the Company and the Board by the terms of the Plan, including, but not by way of limitation, the power to amend and terminate the Plan.
