ITEM 8.01. OTHER EVENTS.

Coeur d Alene Mines Corporation (the Company) learned on November 19, 2004 that its wholly owned subsidiary, Compania Minera Polimet S.A. (Polimet), the owner of the Martha mine, is being investigated by Argentine governmental agencies. Based on discussions between the Company s counsel and governmental authorities, the Company currently believes that the investigation relates to operations carried out by the predecessor owner of Polimet. In particular, the Company understands that the investigation may focus on shipments of ore from the Martha mine made by the predecessor owner of Polimet in 2001 and early 2002, and whether such shipments complied with applicable export control laws. The Company purchased the stock of Polimet in April 2002.

At this point, neither the Company, Polimet nor any officer or director has been served with any complaint or subpoena, given any official written notice or formally charged with any offense. Consequently, the Company cannot state with certainty or specificity any allegations that may ultimately be brought against the Company, Polimet or their individual directors or officers, or what remedies may ultimately be sought or obtained against the Company. If the Company suffers any losses or damages related to operation of the Martha mine prior to the Company s ownership, the Company will pursue indemnification against the predecessor owner of Polimet.

The Company believes it has fully complied with Argentine law since it acquired the Martha mine. If the Company or Polimet is formally charged or notified of a pending action, the Company will cooperate fully with the Argentine government authorities to resolve the matter.
