Schedule I

MCDERMOTT INTERNATIONAL, INC.
(PARENT COMPANY ONLY)
NOTES TO CONDENSED FINANCIAL INFORMATION
DECEMBER 31, 2005

NOTE 1 - BASIS OF PRESENTATION

The accompanying financial statements have been prepared to present the unconsolidated financial position, results of operations and cash flows of McDermott International, Inc. (Parent Company Only). Investments in subsidiaries and other investees are stated under the equity basis of accounting which is at cost plus equity in undistributed earnings from date of acquisition. These Parent Company Only financial statements should be read in conjunction with McDermott International, Inc.'s consolidated financial statements filed in the Annual Report on Form 10K.

NOTE 2 - CONTINGENCIES

As of December 31, 2005, McDermott International, Inc. ("MII") had one outstanding performance guarantee for a contract executed by The Babcock & Wilcox Company ("B&W"). The guarantee has a cap of \$3.2 million, which has expired. Additionally, MII had outstanding performance guarantees for one contract executed by Volund, a subsidiary of B&W. This guarantee will expire on December 31, 2007, and has an aggregate cap of \$0.8 million. These projects have all been completed, and MII has never had to satisfy a performance guaranty for Volund or B&W. Under the terms of an agreement between MII and B&W, B&W must reimburse MII for any costs MII may incur under any of these performance guarantees. As of December 31, 2005, B&W had sufficient liquidity to cover its obligations under this agreement. However, if Volund incurs and is unable to satisfy substantial warranty liabilities on these projects prior to expiration of the guaranty periods and B&W is not able to satisfy its contractual obligation to MII, and such liabilities are not covered by insurance, MII would be liable.

At the time of the B&W bankruptcy filing, MII was a maker or a guarantor of outstanding letters of credit aggregating approximately \$146.5 million, which were issued in connection with the business operations of B&W and its subsidiaries. At that time, MI and BWICO were similarly obligated with respect to additional letters of credit aggregating approximately \$24.9 million, which were issued in connection with the business operations of B&W and its subsidiaries. Although a permitted use of the debtor-in-possession revolving credit and letter of credit facility (the "DIP Credit Facility") is the issuance of new letters of credit to backstop or replace these preexisting letters of

Edgar Filing: MCDERMOTT INTERNATIONAL INC - Form 10-K/A

credit, each of MII, MI and BWICO has agreed to indemnify and reimburse B&W and its filing subsidiaries for any customer draw on any letter of credit issued under the DIP Credit Facility to backstop or replace any such preexisting letter of credit for which it has exposure and for the associated letter of credit fees paid under the facility. As of December 31, 2005, approximately \$11.1 million in letters of credit has been issued under the DIP Credit Facility to replace or backstop these preexisting letters of credit. All previous preexisting letters of credit have expired.

MII has agreed to indemnify our two surety companies for obligations of various subsidiaries of MII, including B&W and several of its subsidiaries, under surety bonds issued to meet bid bond and performance bond requirements imposed by their customers. As of December 31, 2005, the aggregate outstanding amount of surety bonds that were guaranteed by MII and issued in connection with the business operations of its subsidiaries was approximately \$36.0 million, of which \$31.9 million related to the business operations of B&W and its subsidiaries.

One of B&W's Canadian subsidiaries has received notice of a possible warranty claim on one of its projects. This project included a limited term performance bond totaling approximately \$140 million for which MII entered into an indemnity arrangement with the surety underwriters. At this time, B&W's subsidiary is analyzing the facts and circumstances surrounding this issue. It is possible that B&W's subsidiary may incur warranty costs in excess of amounts provided for as of December 31, 2005. It is also possible that a claim could be initiated by the B&W subsidiary's customer against the surety underwriter should certain events occur. If such a claim were successful, the surety could seek to recover from B&W's subsidiary the costs incurred in satisfying the customer claim. If the surety seeks recovery from B&W's subsidiary, we believe that B&W's subsidiary has adequate liquidity to satisfy its obligations. However, if claims are made by the surety against B&W's subsidiary, and B&W's subsidiary is unable to satisfy its obligations, MII could ultimately have to satisfy any claims. This surety bond is not included in our disclosures above as the project is deemed complete and in the warranty phase. In addition, BWICO has provided a

9

parent company guarantee to the customer of the B&W subsidiary for contract performance associated with this project.

NOTE 3 - DIVIDENDS RECEIVED

McDermott International, Inc. received dividends from its consolidated subsidiaries of \$0.3 million, \$5.7 million and \$98.9 million for the years ended December 31, 2005, 2004 and 2003, respectively.
