Item 1.01 Entry into a Material Definitive Agreement.

On April 19, 2006, NeuStar, Inc. (Parent) entered into an Agreement and Plan of Merger (the Merger Agreement) with UDNS Merger Sub, Inc., a Delaware corporation and a wholly owned subsidiary of Parent (Merger Sub), UltraDNS Corporation, a Delaware corporation (the Company), and Ron Lachman, solely in his capacity as the Holder Representative (the Holder Representative).

The Merger Agreement contains customary representations, warranties and covenants, including a representation that the Company is not a telecommunications service provider. The consummation of the merger is subject to customary conditions, including (i) approval of the Merger Agreement by the stockholders of the Company and (ii) the absence of a material adverse effect on the Company. Under the terms of the Merger Agreement, if the closing conditions are met and the parties proceed to closing, Merger Sub will merge with and into the Company, the separate corporate existence of Merger Sub will cease, and the Company will continue as the surviving corporation (the Merger), as a wholly owned subsidiary of Parent.

Promptly after the closing of the Merger, the equityholders of the Company (including holders of its preferred stock, common stock, warrants and options) will receive aggregate cash consideration derived from the following formula: \$61,800,000, less the amount of certain indebtedness of the Company (which will be paid-off at closing), less Company transaction expenses, and subject to certain purchase price adjustments as set forth in the Merger Agreement, including based upon the Company's net working capital at closing. Of the merger consideration payable to the equityholders at or promptly after closing, \$6,100,000 will be deposited in escrow, of which \$6,000,000 will be used to satisfy any post-closing purchase price adjustments in favor of Parent and any indemnity claims by Parent for breaches of representations or covenants. The other \$100,000 will be used for the reimbursement of certain costs and expenses of the Holder Representative. The funds will remain in escrow for a one-year period (unless claims are pending at such time), after which remaining proceeds will be distributed to the equityholders.

The foregoing description of the Merger Agreement is qualified in its entirety by reference to the full text of the Merger Agreement, a copy of which is attached as Exhibit 2.1, and which is incorporated herein by reference.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On April 21, 2006, after receiving approval of the stockholders of the Company by the written consent of more than 95% of the shares entitled to vote on the Merger, Parent, Merger Sub and the Company completed the Merger pursuant to the Merger Agreement, and Merger Sub was merged with and into the Company, the separate corporate existence of Merger Sub ceased, with the Company continuing as the surviving corporation and a wholly owned subsidiary of Parent. The Company provides managed domain name systems (DNS) services.

In the Merger, the equityholders of the Company will receive the merger consideration described in Item 1.01 above. The information from Item 1.01 above is incorporated by reference into this Item 2.01.
