**Item 2.05. Costs Associated with Exit or Disposal Activities.**

On December 8, 2008, NeuStar, Inc. (the Company) issued a press release announcing a restructuring plan (the Plan) for its NeuStar Next Generation Messaging (NGM) business segment to more appropriately allocate resources to the Company's key mobile instant messaging initiatives. The Plan involves the reduction and, in some cases, elimination of resources in the Company's NGM business segment that do not support the Company's key mobile instant messaging priorities. Under the Plan, the Company's NGM business segment will be reduced by up to 110 employees. On December 8, 2008, the Company began providing notices to employees whose employment would be terminated as part of the Plan. The Company anticipates that the Plan will be completed by the end of the second quarter of 2009. A copy of the press release containing the announcement is included as Exhibit 99.1 to this Current Report and is incorporated herein by reference.

In connection with the Plan, the Company expects to incur total pre-tax cash restructuring charges of approximately \$3.0 million to \$3.4 million. The Company estimates that these costs will consist primarily of employee severance and related costs of approximately \$2.4 million to \$2.8 million, and lease and facilities exit costs at the affected facilities of approximately \$0.6 million. The Company expects to recognize the majority of the foregoing charges in the fourth quarter of 2008, with the remaining costs being recognized over the first half of 2009.

The Company does not intend for the information contained in this report on Form 8-K to be considered filed under the Securities Exchange Act of 1934 or incorporated by reference into future filings under the Securities Act of 1933 or the Securities Exchange Act of 1934. The foregoing information is provided pursuant to Item 2.05, Costs Associated with Exit or Disposal Activities of Form 8-K.
