The purpose of the Information Statement is to inform all stockholders of the following actions, which have been approved by the required consent of the holders of a majority of the outstanding Common Stock as of the Record Date:

### THE NAME CHANGE

The Board of Directors and persons holding a majority of the issued and outstanding shares of the Company's Common Stock have approved the Name Change. The purpose of the Name Change is to signify the Company's new direction, which is providing communications infrastructure services. Nextgen Communications Corporation is descriptive of the services that the Company will be providing, whereas the Company's present name signifies a line of services no longer provided by the Company. The Name Change will become effective upon the filing of the Restated Certificate, the form of which is attached hereto as Exhibit A, with the Delaware Secretary of State.

Following the Name Change, the Company will change the trading symbol of the Common Stock from "USIS" to a more appropriate symbol. Share certificates currently held by stockholders will continue to be valid. In the future, new share certificates will contain a legend noting the change in name or will be issued bearing the new name.

### THE SHARE INCREASE

The Board of Directors and persons holding a majority of the issued and outstanding shares of the Company's Common Stock have approved the Share Increase. The Share Increase will provide additional shares of authorized Common Stock that can be issued by the Board of Directors in connection with strategic acquisitions and financing transactions. The Company is at various stages of negotiations with several acquisition candidates, but the Share Increase is not necessary to close any or all of the acquisitions currently under consideration. The Share Increase will become effective upon the filing of the Restated Certificate with the Delaware Secretary of State. The Company cannot estimate whether the Share Increase will have an impact on the market value of the Company's Common Stock.

### THE PAR VALUE REDUCTION

The Board of Directors and persons holding a majority of the issued and outstanding shares of the Company's Common Stock have approved the Par Value Reduction. The Par Value Reduction should avoid an increase in certain fees that would otherwise result from the Company's increased stated capital following the Share Increase. The Par Value Reduction will become effective upon the filing of the Restated Certificate with the Delaware Secretary of State, and will not affect the market value of the Company's Common Stock.

Stockholders need not exchange their existing stock certificates. However, after the effective date of the actions contemplated herein, any stockholders desiring new stock certificates may submit their existing stock certificates to the Company's transfer agent, American Stock Transfer & Trust Co., Attn: Stock Transfer Department, 59 Maiden Lane, Plaza Level, New York, New York 10038, for cancellation and exchange for new certificates.

2

EFFECTIVENESS OF AMENDMENTS

The Company reserves the right, upon notice to stockholders, to abandon or modify the Restated Certificate at any time prior to its filing with the Delaware Secretary of State, upon consent of the Board of Directors and the holders of a majority of the existing Common Stock then issued and outstanding.

2001 STOCK PLAN APPROVAL

The Board of Directors and persons holding a majority of the issued and outstanding shares of the Company's Common Stock have approved the 2001 Stock Plan. The purpose of the 2001 Stock Plan is to create an equity-based incentive program for the Company's employees in order to increase loyalty and productivity in the workplace, and to have the flexibility of offering stock options to non-employees for various strategic purposes. The Board of Directors has reserved 2,000,000 shares of Common Stock for issuance upon exercise of grants made under the 2001 Stock Plan. Such awards can be in the form of incentive stock options, nonqualified stock options, and restricted stock purchase rights. The 2001 Stock Plan was approved by the Board of Directors on April 2, 2001, on which date grants of restricted stock purchase rights were made to certain officers of the Company, subject to the approval of the Company's stockholders. Stockholder approval shall be effective upon the expiration of 20 calendar days following the date this Information Statement is mailed to the Company's stockholders. The form of the 2001 Stock Plan is attached hereto as Exhibit B.

(ii) If the Common Stock is regularly quoted by a recognized securities dealer but selling prices are not reported, its Fair Market Value shall be the mean between the high bid and low asked prices for the Common Stock on the last market trading day prior to the day of determination; or

If an Option or Stock Purchase Right expires or becomes unexercisable without having been exercised in full, is surrendered pursuant to an Option Exchange Program, or repurchased pursuant to the Company's right of repurchase, the unpurchased Shares which were subject thereto and the repurchased shares, as the case may be, shall become available for future grant or sale under the Plan (unless the Plan has terminated). ### 4. Administration of the Plan.

(a) The Plan shall be administered by the Board or a Committee appointed by the Board, which Committee shall be constituted to comply with Applicable Laws.

(b) Powers of the Administrator. Subject to the provisions of the Plan and, in the case of a Committee, the specific duties delegated by the Board to such Committee, and subject to the approval of any relevant authorities, the Administrator shall have the authority in its discretion:

(i) to determine the Fair Market Value;

(ii) to select the Service Providers to whom Options and Stock Purchase Rights may from time to time be granted hereunder;

4

17

(iii) to determine the number of Shares to be covered by each such award granted hereunder;

(iv) to approve forms of agreement for use under the Plan;

(v) to determine the terms and conditions, of any Option or Stock Purchase Right granted hereunder. Such terms and conditions include, but are not limited to, the exercise price, the time or times when Options or Stock Purchase Rights may be exercised (which may be based on performance criteria), any vesting acceleration or waiver of forfeiture restrictions, and any restriction or limitation regarding any Option or Stock Purchase Right or the Common Stock relating thereto, based in each case on such factors as the Administrator, in its sole discretion, shall determine;

(vi) to determine whether and under what circumstances an Option may be settled in cash under Section 9(e) instead of Common Stock;

## Edgar Filing: U S INDUSTRIAL SERVICES INC - Form PRE 14C

Market Value of the Shares to be withheld shall be determined on the date that the amount of tax to be withheld is to be determined. All elections by Optionees to have Shares withheld for this purpose shall be made in such form and under such conditions as the Administrator may deem necessary or advisable; and

(xi) to construe and interpret the terms of the Plan and awards granted pursuant to the Plan.

(c) Effect of Administrator's Decision. All decisions, determinations and interpretations of the Administrator shall be final and binding on all Optionees.

### 5. Eligibility.

(a) Nonstatutory Stock Options and Stock Purchase Rights may be granted to Service Providers. Incentive Stock Options may be granted only to Employees.

(b) Each Option shall be designated in the Option Agreement as either an Incentive Stock Option or a Nonstatutory Stock Option. However, notwithstanding such designation, to the extent that the aggregate Fair Market Value of the Shares with respect to

5

18

which Incentive Stock Options are exercisable for the first time by the Optionee during any calendar year (under all plans of the Company and any Parent or Subsidiary) exceeds \$100,000, such Options shall be treated as Nonstatutory Stock Options. For purposes of this Section 5(b), Incentive Stock Options shall be taken into account in the order in which they were granted. The Fair Market Value of the Shares shall be determined as of the time the Option with respect to such Shares is granted.

(c) Neither the Plan nor any Option or Stock Purchase Right shall confer upon any Optionee any right with respect to continuing the Optionee's relationship as a Service Provider with the Company, nor shall it interfere in any way with his or her right or the Company's right to terminate such relationship at any time, with or without cause.

6. Term of Plan. Subject to Section 18, the Plan shall become effective upon its adoption by the Board. It shall continue in effect for a term of 10 years unless sooner terminated under Section 14.

7. Term of Option. The term of each Option shall be stated in the Option Agreement; provided, however, that the term shall be no more than 10 years from the date of grant thereof. In the case of an Incentive Stock Option granted to an Optionee who, at the time the Option is granted, owns stock representing more than 10% of the voting power of all classes of stock of the Company or any Parent or Subsidiary, the term of the Option shall be five years from the date of grant or such shorter term as may be provided in the Option Agreement.

### 8. Option Exercise Price and Consideration.

(a) The per share exercise price for the Shares to be issued upon exercise of an Option shall be such price as is determined by the Administrator, but shall be subject to the following:

## Edgar Filing: U S INDUSTRIAL SERVICES INC - Form PRE 14C

(i) In the case of an Incentive Stock Option

(1) granted to an Employee who, at the time of grant of such Option, owns stock representing more than 10% of the voting power of all classes of stock of the Company or any Parent or Subsidiary, the exercise price shall be no less than 110% of the Fair Market Value per Share on the date of grant.

(2) granted to any other Employee, the per Share exercise price shall be no less than 100% of the Fair Market Value per Share on the date of grant.

(ii) In the case of a Nonstatutory Stock Option granted to any Service Provider, the per Share exercise price shall be no less than 85% of the Fair Market Value per Share on the date of grant.

(iii) Notwithstanding the foregoing, Options may be granted with a per Share exercise price other than as required above pursuant to a merger or other corporate transaction.

6

19

(b) The consideration to be paid for the Shares to be issued upon exercise of an Option, including the method of payment, shall be determined by the Administrator (and, in the case of an Incentive Stock Option, shall be determined at the time of grant). Such consideration may consist of (1) cash, (2) check, (3) promissory note, (4) other Shares which (x) in the case of Shares acquired upon exercise of an Option, have been owned by the Optionee for more than six months on the date of surrender, and (y) have a Fair Market Value on the date of surrender equal to the aggregate exercise price of the Shares as to which such Option shall be exercised, (5) consideration received by the Company under a cashless exercise program implemented by the Company in connection with the Plan, or (6) any combination of the foregoing methods of payment. In making its determination as to the type of consideration to accept, the Administrator shall consider if acceptance of such consideration may be reasonably expected to benefit the Company.

### 9. Exercise of Option.

(a) Procedure for Exercise; Rights as a Stockholder. Any Option granted hereunder shall be exercisable according to the terms hereof at such times and under such conditions as determined by the Administrator and set forth in the Option Agreement. Unless the Administrator provides otherwise, vesting of Options granted hereunder shall be tolled during any unpaid leave of absence. An Option may not be exercised for a fraction of a Share.

An Option shall be deemed exercised when the Company receives: (i) written or electronic notice of exercise (in accordance with the Option Agreement) from the person entitled to exercise the Option, and (ii) full payment for the Shares with respect to which the Option is exercised. Full payment may consist of any consideration and method of payment authorized by the Administrator and permitted by the Option Agreement and the Plan. The Company shall issue (or cause to be issued) such Shares promptly after the Option is exercised. Certificates representing the Shares issued upon exercise of an Option shall be issued in the name of the Optionee or, if requested by the Optionee, in the name of the Optionee and his or her spouse. If an Optionee elects to conduct a Cashless Exercise, the Company shall cause to be delivered

## Edgar Filing: U S INDUSTRIAL SERVICES INC - Form PRE 14C

to such Optionee (and his or her spouse, as the case may be) certificates representing ownership of a number of shares of Stock equal to (i) the total number of Shares issued to such Optionee in such Cashless Exercise minus (ii) the number of shares surrendered in the Cashless Exercise.

Until the Shares are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a shareholder shall exist with respect to the Shares, notwithstanding exercise of the Option. No adjustment will be made for a dividend or other right for which the record date is prior to the date the Shares are issued, except as provided in Section 12. Exercise of an Option in any manner shall result in a decrease in the number of Shares thereafter available, both for purposes of the Plan and for sale under the Option, by the number of Shares as to which the Option is exercised; provided that, for the purposes of the Plan, Shares surrendered in a Cashless Exercise shall not decrease the number of Shares thereafter available for purposes of the Plan.

7

20

(b) Termination of Relationship as a Service Provider. If an Optionee ceases to be a Service Provider, such Optionee may exercise his or her Option within such period of time as is specified in the Option Agreement (of at least 30 days) to the extent that the Option is vested on the date of termination (but in no event later than the expiration of the term of the Option as set forth in the Option Agreement). In the absence of a specified time in the Option Agreement, the Option shall remain exercisable for three months following the Optionee's termination. If, on the date of termination, the Optionee is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option shall revert to the Plan. If, after termination, the Optionee does not exercise his or her Option within the time specified by the Administrator, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

In the event an Optionee ceases to be an Employee but otherwise remains a Service Provider, such Employee's Incentive Stock Option shall automatically convert to a Nonstatutory Stock Option on the date 91 days following such change of status.

(c) Disability of Optionee. If an Optionee ceases to be a Service Provider as a result of the Optionee's Disability, the Optionee may exercise his or her Option within such period of time as is specified in the Option Agreement (of at least 180 days) to the extent the Option is vested on the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Option Agreement). In the absence of a specified time in the Option Agreement, the Option shall remain exercisable for 365 days following the Optionee's termination. If, on the date of termination, the Optionee is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option shall revert to the Plan. If, after termination, the Optionee does not exercise his or her Option within the time specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(d) Death of Optionee. If an Optionee dies while a Service Provider, the Option may be exercised within such period of time as is specified in the Option Agreement (of at least 180 days) to the extent that the Option is vested on the date of death (but in no event later than the expiration of the term of such Option as set forth in the Option Agreement) by the

## Edgar Filing: U S INDUSTRIAL SERVICES INC - Form PRE 14C

Optionee's estate or by a person who acquires the right to exercise the Option by bequest or inheritance. In the absence of a specified time in the Option Agreement, the Option shall remain exercisable for 365 days following the Optionee's termination. If, at the time of death, the Optionee is not vested as to the entire Option, the Shares covered by the unvested portion of the Option shall immediately revert to the Plan. If the Option is not so exercised within the time specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(e) Buyout Provisions. The Administrator may at any time offer to buy out for a payment in cash or Shares, an Option previously granted, based on such terms and conditions as the Administrator shall establish and communicate to the Optionee at the time that such offer is made.

10. Non-Transferability of Options and Stock Purchase Rights. Options and Stock Purchase Rights may not be sold, pledged, assigned, hypothecated, transferred, or disposed

8

21

of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the Optionee, only by the Optionee.

11. Stock Purchase Rights.

(a) Rights to Purchase. Stock Purchase Rights may be issued either alone, in addition to, or in tandem with other awards granted under the Plan and/or cash awards made outside of the Plan. After the Administrator determines that it will offer Stock Purchase Rights under the Plan, it shall advise the offeree in writing or electronically of the terms, conditions and restrictions related to the offer, including the number of Shares that such person shall be entitled to purchase, the price to be paid, and the time within which such person must accept such offer. The offer shall be accepted by execution of a Restricted Stock Purchase Agreement in the form determined by the Administrator.

(b) Repurchase Option. Except as set forth in the Restricted Stock Purchase Agreement or unless the Administrator determines otherwise, the Restricted Stock Purchase Agreement shall grant the Company a repurchase option exercisable upon the voluntary or involuntary termination of the Purchaser's service with the Company for any reason (including death or Disability). The purchase price for Shares repurchased pursuant to the Restricted Stock Purchase Agreement shall be the original price paid by the Purchaser and may be paid by cancellation of any indebtedness of the Purchaser to the Company. The repurchase option shall lapse as set forth in the Restricted Stock Purchase Agreement or if not set forth therein then at such rate as the Administrator may determine.

(c) Other Provisions. The Restricted Stock Purchase Agreement shall contain such other terms, provisions and conditions not inconsistent with the Plan as may be determined by the Administrator in its sole discretion.

(d) Rights as a Stockholder. Once the Stock Purchase Right is exercised, the Purchaser shall have rights equivalent to those of a stockholder and shall be a stockholder when his or her purchase is entered upon the records of the duly authorized transfer agent of the Company. No adjustment shall be made for a dividend or other right for which the record date is prior

## Edgar Filing: U S INDUSTRIAL SERVICES INC - Form PRE 14C

to the date the Stock Purchase Right is exercised, except as provided in Section 12 of the Plan.

12. Adjustments Upon Changes in Capitalization, Merger or Asset Sale.

(a) Changes in Capitalization. Subject to any required action by the stockholders of the Company, the number of shares of Common Stock covered by each outstanding Option or Stock Purchase Right, and the number of shares of Common Stock which have been authorized for issuance under the Plan, but as to which no Options or Stock Purchase Rights have yet been granted, or which have been returned to the Plan upon cancellation or expiration of an Option or Stock Purchase Right, as well as the price per share of Common Stock covered by each such outstanding Option or Stock Purchase Right, shall be proportionately adjusted for any increase or decrease in the number of issued shares of Common Stock resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Common Stock, or any other increase or decrease in the number of issued shares of Common

9

22

Stock effected without receipt of consideration by the Company. The conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration." Such adjustment shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Common Stock subject to an Option or Stock Purchase Right.

(b) Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Company, the Administrator shall notify each Optionee as soon as practicable prior to the effective date of such proposed transaction. The Administrator in its discretion may provide for an Optionee to have the right to exercise his or her Option or Stock Purchase Right until 15 days prior to such transaction as to all of the Optioned Stock covered thereby, including Shares as to which the Option or Stock Purchase Right would not otherwise be exercisable. In addition, the Administrator may provide that any Company repurchase option applicable to any Shares purchased upon exercise of an Option or Stock Purchase Right shall lapse as to all such Shares, provided the proposed dissolution or liquidation takes place at the time and in the manner contemplated. To the extent it has not been previously exercised, an Option or Stock Purchase Right will terminate immediately prior to the consummation of such proposed action.

(c) Merger or Asset Sale.

(iv) In the event of (i) a merger of the Company with or into another entity or (ii) the sale of all or substantially all of the assets of the Company (either, a "Merger Transaction"), each outstanding Option and Stock Purchase Right shall be assumed or an equivalent option or right substituted by the successor entity or a Parent or Subsidiary of the successor entity. In the event that the successor entity refuses to assume or substitute for the Option or Stock Purchase Right, the Optionee shall fully vest in and have the right to exercise the Option or Stock Purchase Right as to all of the

## Edgar Filing: U S INDUSTRIAL SERVICES INC - Form PRE 14C

Optioned Stock, including Shares as to which it would not otherwise be vested or exercisable. If an Option or Stock Purchase Right becomes fully vested and exercisable in lieu of assumption or substitution in the event of a Merger Transaction, the Administrator shall notify the Optionee in writing or electronically that the Option or Stock Purchase Right shall be fully exercisable for a period of 15 days from the date of such notice, and the Option or Stock Purchase Right shall terminate upon the expiration of such period. For the purposes of this paragraph, the Option or Stock Purchase Right shall be considered assumed if, following the Merger Transaction, the option or right confers the right to purchase or receive, for each Share of Optioned Stock subject to the Option or Stock Purchase Right immediately prior to the Merger Transaction, the consideration (whether stock, cash, or other securities or property) received in the Merger Transaction by holders of Common Stock for each Share held on the effective date of the Merger Transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the Merger Transaction is not solely common stock of the successor entity or its Parent, the Administrator may, with the consent of the successor entity, provide for the consideration to be received upon the exercise of the Option or Stock Purchase Right, for each Share of Optioned Stock subject to the Option or Stock Purchase Right, to be solely common stock of the successor entity or its

10

23

Parent equal in fair market value to the per share consideration received by holders of Common Stock in the Merger Transaction.

(d) Vesting Acceleration. In the event of an assumption or substitution in connection with a Merger Transaction that constitutes a Change of Control, the Administrator shall use his discretion in causing all, some, or none of each Optionee's rights to purchase Optioned Stock to become automatically vested on an accelerated basis and be fully exercisable as of the date immediately preceding any such Change in Control. Notwithstanding anything to the contrary herein, if the Optionee's employment with the Company is terminated or his or her job duties or position is adversely changed within six months of the closing of such Change in Control, all Options held by such employee shall immediately vest on the date of termination or change in job duties or position and any Company repurchase rights to Shares shall lapse.

13. Time of Granting Options and Stock Purchase Rights. The date of grant of an Option or Stock Purchase Right shall, for all purposes, be the date on which the Administrator makes the determination granting such Option or Stock Purchase Right, or such other date as is determined by the Administrator. Notice of the determination shall be given to each Employee or Consultant to whom an Option or Stock Purchase Right is so granted within a reasonable time after the date of such grant.

#### 14. Amendment and Termination of the Plan.

(a) Amendment and Termination. The Board may at any time amend, alter, suspend or terminate the Plan.

(b) Stockholder Approval. The Board shall obtain stockholder approval of any Plan amendment to the extent necessary and desirable to comply with Applicable Laws.

(c) Effect of Amendment or Termination. No amendment,

## Edgar Filing: U S INDUSTRIAL SERVICES INC - Form PRE 14C

alteration, suspension or termination of the Plan shall impair the rights of any Optionee, unless mutually agreed otherwise between the Optionee and the Administrator, which agreement must be in writing and signed by the Optionee and the Company. Termination of the Plan shall not affect the Administrator's ability to exercise the powers granted to it hereunder with respect to Options granted under the Plan prior to the date of such termination.

### 15. Conditions Upon Issuance of Shares.

(a) Legal Compliance. Shares shall not be issued pursuant to the exercise of an Option unless the exercise of such Option and the issuance and delivery of such Shares shall comply with Applicable Laws and shall be further subject to the approval of counsel for the Company with respect to such compliance.

(b) Investment Representations. As a condition to the exercise of an Option, the Administrator may require the person exercising such Option to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required.

11

24

16. Inability to Obtain Authority. The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

17. Reservation of Shares. The Company, during the term of this Plan, shall at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan.

18. Stockholder Approval. The Plan shall be subject to approval by the stockholders of the Company within 12 months after the date the Plan is adopted. Such stockholder approval shall be obtained in the degree and manner required under Applicable Laws.

12
