**Item 4. Description of Securities.**

The amount of compensation to be deferred by each participant will be determined in accordance with the Plan based on elections by the participant and will be held in an account in the name of the participant (the Account). Each Account shall be credited, or debited, as the case may be, on a periodic basis, based on the balance in such Account. Credited interest shall be based on the returns on mutual funds, Common Stock of the Company or other indices, weighted in accordance with the participant's investment allocation. Each Account generally will be payable on a date selected by the participant in accordance with the terms of the Plan and rules established by the Compensation Committee of the Board of Directors (the Committee). The restrictions for a distribution from an Account are set forth in the Plan or will be included in rules of the Committee. The Obligations will be denominated and payable in United States dollars; provided, however, that shares of Common Stock of the Company held in any Account may be distributed.

A participant's right or the right of any other person to the Account cannot be assigned, alienated, sold, garnished, transferred, pledged or encumbered.

The Obligations are not subject to redemption, in whole or in part, prior to the individual payment dates specified by the participant, as allowed by the Plan and the Committee rules, or through operation of a mandatory or optional sinking fund or analogous provision. The Company reserves the right to amend or terminate the Plan at any time, except that no such amendment or termination shall adversely affect the right of a participant to the balance of his

or her Account as of the date of such amendment or termination.

The Obligations are not expected to be convertible into another security of the Company. The Obligations will not have the benefit of a negative pledge or any other affirmative or negative covenant on the part of the Company. Each participant will be responsible for acting independently with respect to, among other things, the giving of notices, responding to any request for consent, waivers, or amendments pertaining to the Obligations, enforcing covenants, and taking action upon a default.

### **Item 5. Interests of Named Experts and Counsel.**

Gardere Wynne Sewell LLP, Dallas, Texas, counsel for the Registrant, has rendered an opinion as to the legality of the securities being registered hereby. John K. Sterling, a partner in Gardere Wynne Sewell LLP, beneficially owns 16,125 shares of Common Stock of the Registrant.

### **Item 6. Indemnification of Directors and Officers.**

Section 145 of the General Corporation Law of the State of Delaware provides that a Delaware corporation may, under certain circumstances, indemnify its directors and officers against expenses, judgments, fines and settlements actually and reasonably incurred by them in connection with certain civil suits or actions. In addition, Section 145 permits a Delaware corporation to grant its directors and officers additional rights of indemnification through bylaw provisions and otherwise and to purchase indemnity insurance on behalf of its directors and officers.

Article VI of the Registrant's By-laws require the Registrant to indemnify its officers and directors and certain other employees and agents against expenses incurred by them in defending or settling any actions or proceedings in which they are made parties because they are or were the Registrant's directors, officers, employees or agents. The Registrant's Restated Certificate of Incorporation also provides that no director shall be personally liable to the Registrant or its stockholders for any act or omission in such director's capacity as a director.

The Registrant has entered into written indemnification agreements with its directors and certain of its officers. Under these agreements, if an officer or director makes a claim of indemnification to the registrant, either a majority of the independent directors or independent legal counsel selected by the independent directors must review the relevant facts and make a determination, within 45 days of the Registrant's receipt of such claim, whether the officer or director has met the standards of conduct under Delaware law that would permit (under Delaware law) and require (under the indemnification agreement) the Company to indemnify the officer or director.

**Item 9. Undertakings.**

The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made of the securities registered hereby, a post-effective amendment to this registration statement:

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement;
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, that the undertakings set forth in paragraphs (1)(i) and (1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned Registrant hereby further undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
