**ITEM 2.03 CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF A REGISTRANT**

On December 15, 2004, Genentech, Inc. entered into a Master Lease Agreement with Slough SSF, LLC for the lease of property consisting of approximately 780,000 square feet adjacent to Genentech's South San Francisco campus to be developed into eight (8) buildings and two (2) parking structures (the "Business Park"). Slough will build the building shell for each building, and Genentech will finish the build-out of each building as lab or office space, as applicable. After this construction has been completed, the lease of the property will take place in two phases pursuant to separate lease agreements for each building as contemplated by the Master Lease Agreement. Phase I building leases will begin throughout 2006 and cover approximately 450,000 square feet. Subject to Genentech's right to accelerate or delay the rent commencement dates for the Phase II buildings for up to one year, Phase II building leases will begin throughout 2008 and cover approximately 330,000 square feet. The leases are coterminous and will end twelve (12) years following the rent commencement date for the last building of Phase II. In the event the rent commencement date for one or more Phase II buildings is delayed, the initial lease payments for each such building will be increased pursuant to the terms of the Master Lease Agreement.

Genentech's aggregate lease payments as contemplated by the Master Lease Agreement through 2020 (if there is no acceleration or delay in the rent commencement date for a Phase II building) will be approximately \$540,000,000. If there is a delay and the leases terminate one year later, Genentech will pay approximately an additional \$28,000,000. Slough will provide Genentech one hundred dollars (\$100.00) per square foot (approximately \$78,000,000) as a tenant improvement allowance.

Genentech has the right to build certain additional facilities in the Business Park at its own expense. Genentech also has an option to purchase the Business Park, which may be consummated on one of two dates which will likely be in 2016 or 2018 for the Phase I buildings and 2018 or 2020 for the Phase II buildings. In addition, Genentech has a right of first refusal with respect to each of the buildings and/or the entire Business Park.
