**ITEM 1.01. Entry into a Material Definitive Agreement**

On October 28, 2005, Alliance Data Systems Corporation and certain of its subsidiaries (collectively, the Company ) entered into amendments to the Company's three credit facilities to increase the amount of revolving commitments under the facilities and amend certain covenants.

The amendment to the 3-year credit facility increased the amount of revolving commitments thereunder from \$200,000,000 to \$250,000,000. The amendment to the 364-day credit facility increased the amount of revolving commitments thereunder from \$205,000,000 to \$230,000,000. After giving effect to the three amendments, the aggregate amount of revolving commitments under the three credit facilities is \$515 million. In addition, the amendments increased the aggregate amounts of commitments permitted under the three facilities from \$500 million to \$550 million. As a result, the Company has the right to obtain commitments under the three credit facilities for an additional \$35 million in the aggregate without having to amend the credit facilities. In addition, the amendments increased the amount of restricted payments permitted under the credit facilities. Except as set forth above, the remaining terms of each credit facility remain unchanged.
