On June 27, 2006, U.S. Concrete, Inc. entered into a Stock Purchase Agreement with Alliance Haulers, Inc., Alberta Investments, Inc., Atlas Concrete Inc. and Wild Rose Holdings, Ltd. under which U.S. Concrete will acquire all the outstanding capital stock of Alberta Investments and Alliance Haulers for \$165 million, subject to specified adjustments. Alberta Investments owns two subsidiaries, through which it conducts most of its operations: Redi-Mix, L.P. and Ingram Enterprises, L.P. Redi-Mix operates 13 ready-mixed concrete plants in the Dallas/Fort Worth Metroplex and in areas north of the Metroplex. Ingram Enterprises operates 17 ready-mixed concrete plants and three sand and gravel plants in West Texas. Redi-Mix and Ingram operate a combined fleet of approximately 310 mixer trucks and produced approximately 2.4 million cubic yards of ready-mixed concrete and 1.2 million tons of aggregates in 2005. Alliance Haulers provides cement and aggregates hauling services with a fleet of approximately 260 hauling trucks owned by Redi-Mix and third-party haulers.

The foregoing description of the Stock Purchase Agreement is qualified in its entirety by reference to the terms of that agreement, which is filed as Exhibit 2.1 to this report and incorporated by reference into this Item 1.01. Except for its status as a contractual document that establishes and governs the legal relationships among the parties thereto, that agreement is not intended to be a source of factual, business or operational information about the parties. The representations, warranties and covenants made by the parties in that agreement were made only for purposes of that agreement and as of specific dates. Such representations, warranties and covenants are qualified in a variety of respects, including by information in disclosure schedules that the parties exchanged in connection with the execution of that agreement, and may be subject to standards of materiality that differ from those relevant to investors. Representations and warranties may be used as a tool to allocate risks between the parties, including where the parties do not have complete knowledge of all facts. Investors are not third-party beneficiaries under the agreement and should not rely on the representations, warranties and covenants therein or any descriptions thereof as characterizations of the actual state of facts or condition of U.S. Concrete or any of its affiliates.
