-

**Item 8.01 Other Events.**

On September 21, 2006, Terayon Communication Systems, Inc. (the Company) was served with a complaint in a putative class action lawsuit filed on June 23, 2006 in the United States District Court for the Northern District of California against the Company and certain of its current and former officers and directors, purportedly on behalf of all persons who purchased shares of the common stock of the Company between October 28, 2004 and March 1, 2006. The complaint purports to assert claims against all defendants for violations of Section 10(b) of the Securities Exchange Act of 1934, as amended (the Exchange Act) and against the individual defendants for violations of Section 20(b) of the Exchange Act; focuses on the Company's March 1, 2006 announcement of the restatement of its consolidated financial statements for the year ended December 31, 2004, and for the four quarters of 2004 and the first two quarters of 2005; and seeks unspecified damages. The Company intends to vigorously defend the lawsuit. Additionally, the Superior Court for the State of California, County of Santa Clara approved the final settlement of the derivative litigation entitled *In re Terayon Communication Systems, Inc. Derivative Litigation* (Case No. CV 807650). In connection with the settlement, the Company paid \$950,000 in attorney's fees and expenses to the derivative plaintiffs' counsel and agreed to adopt certain corporate governance practices.

---
