2007 Deferred Compensation Plan

On December 29, 2006, the Company adopted the Windstream 2007 Deferred Compensation Plan (the 2007 Plan ), effective as of December 31, 2006. The 2007 Plan is a nonqualified deferred compensation plan under which certain officers and key employees of the Company and its participating affiliates may elect to defer a specified percentage of their future annual base salary and bonus on a pre-tax basis. Also, the Company may, in its sole discretion, make matching credits on behalf of certain participants. The deferred compensation is credited with earnings, gains and losses in accordance with investment crediting options established by the Company from time to time.

The deferred compensation is payable in cash at certain future dates specified by participants in accordance with the 2007 Plan or upon the occurrence of certain events, such as death, disability, other termination of employment or as otherwise contemplated in the 2007 Plan. The amounts generally are payable in a lump sum or in installments, as elected by a participant, and are paid out of the Company's general assets. The Company, however, may decide to finance its obligations under the 2007 Plan by acquiring assets through a trust, the assets of which will remain subject to the claims of the Company's general creditors. The Company may amend, terminate or freeze the 2007 Plan in whole or in part except that no such action may reduce the amounts credited to a participant's account unless required to comply with applicable laws.

The foregoing description of the 2007 Plan is qualified in its entirety by reference to the full text of the plan document, which is filed as Exhibit 10.1 and is incorporated herein.

Amendment to Prior Plans

In connection with the adoption of the 2007 Plan, the Company merged the following plans (or portions thereof) with and into the 2007 Plan, effective as of January 1, 2007: (i) the Windstream Management Deferred Compensation Plan; (ii) the Windstream Executive Deferred Compensation Plan; and (iii) the profit sharing plan portion and the thrift plan portion of the Windstream Benefit Restoration Plan (the merged plans, or portions thereof, are collectively referred to as the Prior Plans ). As a result of the merger, the Prior Plans will terminate and all of the Company's obligations and participants' rights under the Prior Plans will automatically be extinguished and become obligations and rights under the 2007 Plan, effective as of January 1, 2007.

The foregoing description of the amendments to the Prior Plans is qualified in its entirety by reference to the full text of the plan amendments, which are filed as Exhibits 10.2, 10.3, and 10.4 and are incorporated herein.
