Item 1.01 Entry Into a Material Definitive Agreement.

On April 30, 2008, Range Resources Corporation (Range) entered into an Underwriting Agreement (the Underwriting Agreement), attached as Exhibit 1.1 hereto, by and among Range, J.P. Morgan Securities Inc. and Credit Suisse Securities (USA), LLC, as representatives (the Representatives) of the several underwriters named therein (the Underwriters), that provides for the issuance and sale by Range, and purchase by the Underwriters, of 4,200,000 shares of common stock (the Firm Shares), subject to an over allotment option for a period of 30 days in favor of the Underwriters to purchase an additional 630,000 shares (together with the Firm Shares, the Shares). The material terms of the offering of the Shares are described in the prospectus supplement, dated April 30, 2008, as filed by Range with the Securities and Exchange Commission (the Commission) on May 1, 2008. The Underwriting Agreement contains customary representations, warranties and agreements by Range, and customary conditions to closing, indemnification rights, obligations of the parties and termination provisions. Range, and its executive officers and directors, have agreed with the Underwriters not to offer or sell any common stock or securities convertible into or exchangeable or exercisable for any shares of common stock for a period of 60 days after the date of the Underwriting Agreement without the prior written consent of the Representatives, provided that Range s executive officers and directors may sell up to an aggregate of 1,000,000 shares of common stock in such period without regard to such restrictions.

The offer and sale of the Shares is registered with the Commission pursuant to a Registration Statement on Form S-3, filed by Range on June 21, 2006 (the Registration Statement).

The Underwriters or their affiliates have from time to time provided investment banking, commercial banking and financial advisory services to Range and its affiliates, for which they have received customary compensation. The Underwriters and their affiliates may provide similar services in the future. In particular, certain of the Underwriters or their affiliates are lenders under Range s senior credit facility and will receive a portion of the net proceeds from this offering used to pay down Range s senior credit facility. In addition, from time to time, certain of the Underwriters and their affiliates may effect transactions for their own account or the account of customers, and hold on behalf of themselves or their customers, long or short positions in Range s debt or equity securities or loans, and may do so in the future.

The foregoing description of the Underwriting Agreement is qualified in its entirety by reference to such Underwriting Agreement, a copy of which is filed herewith as Exhibit 1.1 and is incorporated herein by reference.

On May 1, 2008, Range issued a press release announcing the pricing of the offering of the Shares. A copy of this press release is filed as Exhibit 99.1 to this Current Report on Form 8-K.
