**TWEETER HOME ENTERTAINMENT GROUP, INC.
PROXY STATEMENT**

This proxy statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Tweeter Home Entertainment Group, Inc. (Nasdaq: TWTR) for the annual meeting of stockholders to be held on January 31, 2006. Only stockholders of record at the close of business on December 16, 2005 are entitled to notice of and to vote at the meeting. On or about January 5, 2006, the proxy statement and form of proxy will be sent to all stockholders of record.

Returning your completed proxy will not prevent you from voting in person at the meeting should you be present and wish to do so.

Unless contrary instructions are indicated on the proxy, all valid proxies received pursuant to this solicitation (and not revoked before they are voted) will be voted FOR the election of the nominees for Director named herein and FOR the approval of the designation of Deloitte & Touche LLP to audit Tweeter's books, records and accounts for fiscal year 2006. If a stockholder specifies a different choice on the proxy, such stockholder's shares of common stock will be voted in accordance with such specifications.

Any person giving a proxy in the form accompanying this proxy statement has the power to revoke it at any time before its exercise. A proxy may be revoked by filing with Tweeter's Secretary an instrument revoking it, by presenting an executed proxy bearing a later date at the Annual Meeting, or by attending the Annual Meeting and voting in person.

The cost of soliciting proxies will be borne by Tweeter. Solicitations may be made by mail, personal interview, telephone and/or telegram by Tweeter's Directors, officers and employees, without additional compensation for such solicitation activities. Tweeter will make arrangements with its transfer agent, Computershare, to forward solicitation material to the beneficial owners of Tweeter's common stock held of record. Tweeter will reimburse banks, brokerage firms, other custodians, nominees and fiduciaries for reasonable expenses incurred in sending proxy material to beneficial owners of common stock held in their respective names.

Tweeter has retained the services of a proxy solicitation firm, The Altman Group, Inc., for a fee of \$4,500 plus reasonable out of pocket expenses.

Copies of Tweeter's 2005 Annual Report are being mailed to stockholders together with this proxy statement. The Annual Report contains Tweeter's financial statements for the fiscal years ended September 30, 2005, September 30, 2004 and September 30, 2003.

VOTING SECURITIES

Holders of record of Tweeter's common stock at the close of business on Friday, December 16, 2005 (the Record Date) have the right to receive notice of and to vote at the Annual Meeting and any adjournments of the meeting. At the Record Date, there were 24,775,472 shares of common stock issued and outstanding. Each share of common stock entitles the holder of that share to one vote on each matter submitted to a vote at the Annual Meeting.

Under Tweeter's bylaws, the presence, in person or by proxy, of stockholders holding a majority in interest of the issued and outstanding shares of common stock entitled to vote at the Annual Meeting is necessary to constitute a quorum. Abstentions and broker non-votes are each included for purposes of determining the presence or absence of a sufficient number of shares to constitute a quorum for the transaction of business. With respect to the approval of any particular proposal, abstentions and broker non-votes are not counted in determining the number of votes cast. Other than the election of Directors, which requires a plurality of the votes cast in person or by proxy, each matter to be submitted to the stockholders requires the affirmative vote of a majority of the votes cast in person or by proxy at the meeting.

Proposal 1: Election of Directors**Nominees for Director, Directors Continuing in Office and Executive Officers**

Tweeter's bylaws provide for a Board of Directors consisting of such number of Directors as may be fixed from time to time by the Board. The Board is divided into three classes, with each class holding office for a term of three years and the term of office of one class expiring each year. The Board has fixed the number of Directors to constitute the full Board for the ensuing year at seven, two of whom are to be elected at the Annual Meeting for a term expiring at the 2009 annual meeting of stockholders, two whose terms expire at the 2008 annual meeting of stockholders, and three whose terms expire at the 2007 annual meeting of stockholders. Samuel Bloomberg, a Director since 1972 and Michael Cronin, a Director since 1995 are in the class of Directors whose term expires at the 2006 Annual Meeting. The Board, upon recommendation of Tweeter's Nominating Committee, has nominated Mr. Bloomberg and Mr. Cronin for election to the class of Directors whose term will expire in 2009.

The persons named as proxies in the proxy card will vote the shares represented by your proxy for the election of Mr. Bloomberg and Mr. Cronin as Directors unless your proxy card specifies otherwise. If either of the nominees for election to the Board should, for any reason not now anticipated, not be available to serve as a Director, the persons named as proxies will vote the shares for such other candidate as may be designated by the Board, unless the Board reduces the number of Directors constituting the full Board in order to eliminate the vacancy. The Board has no reason to believe that Mr. Bloomberg and Mr. Cronin will be unable to serve if elected.

The table below sets forth certain information with respect to the nominees for election to the Board of Directors, those Directors whose terms of office will continue after the Annual Meeting and Tweeter's Executive Officers.

(2) Member of the Compensation Committee.

(3) Member of the Nominating Committee.

(4) The Board of Directors has determined that these directors are independent as such term is defined under Rule 4200(a)(15) of the Nasdaq Stock Market Marketplace Rules.

GENERAL INFORMATION RELATING TO THE BOARD OF DIRECTORS

The Board of Directors

The Board of Directors held six meetings in the fiscal year ended September 30, 2005. No member of the Board of Directors attended less than 67% of the total number of meetings of the Board and committees thereof upon which he served during the fiscal year ended September 30, 2005.

Committees of the Board of Directors

The Board of Directors has an Audit Committee, consisting of John Mahoney, Matthew Bronfman and Steven Fischman, whose purpose is to oversee the accounting and financial reporting processes of the company and the audits of the financial statements of the company. The Audit Committee held six meetings during the fiscal year ended September 30, 2005. The Audit Committee appointed Deloitte & Touche LLP to serve as Tweeter's auditors for the fiscal year ending September 30, 2006, subject to stockholder approval. The Board of Directors has determined that John Mahoney is an Audit Committee financial expert, as that term is defined in Item 401 of Regulation S-K, serving on its Audit Committee. The full responsibilities of the Audit Committee are set forth in its charter, which is reviewed and updated annually and approved by the Board, and is attached hereto as Appendix A.

The Compensation Committee of the Board of Directors establishes and implements compensation policies and programs for Tweeter's executive officers and exercises all powers of the Board of Directors in connection with Tweeter's incentive compensation and benefit plans. The Compensation Committee of the Board consists of Matthew Bronfman and Michael Cronin. The Compensation Committee held two meetings during the fiscal year ended September 30, 2005.

On December 11, 2003, the Board of Directors established a Nominating Committee, consisting of Michael Cronin, Matthew Bronfman and Steven Fischman, whose purpose is to assist the Board in identifying individuals qualified to become directors under criteria approved by the Board, periodically review director compensation and benefits and recommend to the Board any improvements to Tweeter's corporate governance guidelines as it deems appropriate. The Nominating Committee held one meeting during the fiscal year ended September 30, 2005 and assisted with the selection of persons nominated by the Board for election at this year's Annual Meeting. The full responsibilities of the Nominating Committee are set forth in its charter, which is reviewed and updated annually and approved by the Board, and is attached hereto as Appendix B.

It is a policy of the Nominating Committee that candidates for director be determined to have unquestionable integrity and honesty, the ability to exercise sound, mature and independent business judgment in the best interests of the stockholders as a whole, a background and experience in fields which will complement the talents of the other Board members, the willingness and capability to take the time to actively participate in Board and committee meetings and related activities, the ability to work professionally and effectively with other Board members and Tweeter management, the ability to remain on the Board long enough to make an effective contribution, and no material relationships with competitors or other third parties that could present realistic possibilities of conflict of interest or legal issues.

The Nominating Committee also considers the Board's current composition and Tweeter's evolving needs, including expertise, diversity and balance of inside, outside and independent directors. In compiling its list of possible candidates and considering their qualification, the Nominating Committee makes its own inquiries, solicits input from other directors, and may consult or engage other sources, such as a professional search firm, if it deems appropriate.

The Nominating Committee will consider director candidates recommended by stockholders provided the stockholders follow the procedures set forth below. The committee does not intend to alter the manner in which it evaluates candidates, including the criteria set forth above, based on whether the candidate was recommended by a stockholder or otherwise.

Stockholders who wish to recommend individuals for consideration by the nominating committee to become nominees for election to the Board of Directors at the next Annual Meeting of Stockholders may do so by submitting a written recommendation to the committee, care of Tweeter, at 40 Pequot Way, Canton, MA 02021, Attention: Joseph McGuire, in accordance with the procedures set forth below under the heading **Deadline for Receipt of Stockholder Proposals**. For nominees for election to the Board of Directors proposed by stockholders to be considered, the following information concerning each nominee must be timely submitted in accordance with the required procedures:

The candidate's name, age, business address, residence address, principal occupation or employment, the class and number of shares of Tweeter's capital stock the candidate beneficially owns, a brief description of any direct or indirect relationships with Tweeter, and the other information that would be required in a proxy statement soliciting proxies for the election of the candidate as a director;

A signed consent of the nominee to being named as a nominee, to cooperate with reasonable background checks and personal interviews and to serve as a director of Tweeter, if elected; and

As to the stockholder proposing such nominee, that stockholder's name and address, the class and number of shares of Tweeter's capital stock the stockholder beneficially owns, a description of all arrangements or understandings between the stockholder and the candidate and any other person or persons (including their names) pursuant to which the recommendation is being made, a list of all other companies that the stockholder has recommended the candidate to for election as a director in that fiscal year, and a representation that the stockholder intends to appear in person or by proxy at the meeting to nominate the person named in its notice.

Compensation of Directors

Tweeter currently pays each non-employee Director \$5,000 per quarter, provided such Director attends a meeting of the Directors scheduled for such quarter either in person or by telephone. The amount is not pro rated if a Director does not attend all meetings. All Directors are reimbursed for reasonable expenses incurred in attending meetings, but are not paid a per meeting fee. In addition to the quarterly payment, members of the Audit Committee are paid \$2,000 per meeting of the Audit Committee and members of the Compensation Committee are paid \$500 per meeting of the Compensation Committee. In fiscal 2003, each Director was given stock options in lieu of cash payments for any compensation due for the period from April 2003 through March 2004. Under current Director compensation arrangements, upon each subsequent election or re-election, each Director who is not also an employee or affiliate of Tweeter is granted options under Tweeter's 2004 Long-Term Incentive Plan exercisable for the purchase of 5,000 shares of common stock, with an exercise price of equal to or greater than the fair market value of the common stock at the date of grant. These options vest upon grant. A sitting Director will receive annual grants of 5,000 shares each year of his or her term, with an exercise price equal to or greater than the fair market value of the common stock on the date of the grant. These options vest upon grant.

Board of Directors Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF THE BOARD'S NOMINEES, SAMUEL BLOOMBERG AND MICHAEL CRONIN. A PLURALITY OF THE VOTES CAST IN PERSON OR BY PROXY AT THE ANNUAL MEETING IS REQUIRED TO ELECT EACH NOMINEE AS DIRECTOR.

Employment/ Severance Agreements

The summaries of the various employment/severance agreements set forth below are qualified in their entirety by reference to the full text of such agreements, which are exhibits to Amendment No. 1 to Tweeter's Registration Statement on Form S-1 filed with the Securities and Exchange Commission on June 8, 1998 or Tweeter's Annual Reports on Form 10-K for the fiscal years ended September 30, 2003, September 30, 2004 and September 30, 2005.

Bloomberg Agreement

Upon completion of Tweeter's initial public offering in July 1998, Tweeter entered into a five-year employment agreement with Samuel Bloomberg. On June 1, 2003, Tweeter renewed the agreement with Mr. Bloomberg for an additional three years. The agreement provides that Mr. Bloomberg is to receive a base salary of \$445,000 per year through September 30, 2003 and thereafter at the annual rate of at least \$445,000, plus such increases as may be determined by the Board of Directors. Mr. Bloomberg has the opportunity to earn incentive bonuses based upon certain performance criteria, to be determined by the Compensation

Committee, and the opportunity to receive stock options and other incentive awards under Tweeter's incentive plans.

The employment agreement provides for continued employment until termination by either party. Tweeter, however, may terminate the employment agreement with or without cause at any time. If Mr. Bloomberg's employment is terminated by Tweeter without cause, Tweeter is obligated to pay him an amount equal to his unvested accrued benefits under any stock option plan, incentive plan or retirement plan plus severance pay equal to two years of Mr. Bloomberg's annual salary at the rate in effect as of the termination of his employment. The employment agreement also provides that if Tweeter and Mr. Bloomberg do not renew the employment agreement upon expiration, Tweeter may elect to pay Mr. Bloomberg two years severance in exchange for a two-year non-competition arrangement.

McGuire Employment Agreement

Upon completion of Tweeter's initial public offering in July 1998, Tweeter entered into a three-year employment agreement with Joseph McGuire. Tweeter renewed this agreement on July 21, 2001 and again on May 1, 2004, each time for an additional three years. Under the terms of the 2004 agreement, which commenced on July 1, 2004, Mr. McGuire earns a base salary of \$350,000 per year, plus such increases as may be determined by the Board of Directors. On March 21, 2005, the Board of Directors appointed Mr. McGuire as interim President and Chief Executive Officer and increased his base salary to \$480,000. On July 27, 2005, the Board of Directors appointed Mr. McGuire to serve as President and Chief Executive Officer with his base salary remaining at \$480,000. Mr. McGuire has the opportunity to earn incentive bonuses based upon certain performance criteria, to be determined by the Compensation Committee, and the opportunity to receive stock options and other incentive awards under Tweeter's incentive plans.

The employment agreement provides for continued employment until termination by either party. Tweeter, however, may terminate the employment agreement with or without cause at any time. If Mr. McGuire's employment is terminated by Tweeter without cause or by Mr. McGuire for good reason, Tweeter is obligated to pay him an amount equal to one year of his base salary in effect as of the termination of his employment (payable for one year following termination of employment) and an amount equal to the prior year's paid bonus. The employment agreement also provides that if Tweeter and Mr. McGuire do not renew the employment agreement upon expiration, Tweeter may elect to pay Mr. McGuire two years severance in exchange for a two-year non-competition arrangement. Additionally, all of Mr. McGuire's stock options will continue to vest during the period in which severance pay is being paid, subject to the terms and conditions of the applicable incentive plan and option agreement. On March 14, 2005, the employment agreement was amended to provide for the payment of two year's annual salary in the event he terminates his employment with Tweeter upon a change in control of the Company.

Pappas Severance Agreement

On April 21, 2003, Tweeter entered into a severance agreement with Philo Pappas, Senior Vice President and Chief Merchandising Officer. Under the terms of the agreement, Mr. Pappas is entitled to a base salary of \$345,000, a \$100,000 commencement bonus, 270,000 shares of restricted Tweeter common stock (at a purchase price of \$.01 per share) and options for 120,000 shares of Tweeter common stock. In addition, Mr. Pappas received an annual bonus for the period ending September 30, 2003 of \$100,000 and \$187,163 for the period ending September 30, 2004. Mr. Pappas also received 30,695 stock options to purchase shares of Tweeter common stock in 2005. If Tweeter terminates the agreement without cause or Mr. Pappas terminates the agreement for good reason, Mr. Pappas will be entitled to receive one year's annual salary and, if such termination is on or prior to the second anniversary of the commencement of Mr. Pappas's employment, such termination will cause accelerated vesting of one-year's worth of his options and restricted stock. On March 14, 2005, the severance agreement was amended to provide for the payment of two year's annual salary in the event he terminates his employment with Tweeter upon a change in control of the Company.

Quye Employment Agreement

On April 1, 2004, Tweeter entered into an employment agreement with Judy Quye, Senior Vice President. If Tweeter terminates the agreement without cause or Ms. Quye terminates the agreement for good reason, Ms. Quye will be entitled to receive one year's annual salary and, if such termination is on or prior to the second anniversary of the commencement of Ms. Quye's employment, such termination will cause accelerated vesting of one-year's worth of her options. On March 14, 2005, the employment agreement was amended to provide for the payment of two year's annual salary in the event she terminates her employment with Tweeter upon a change in control of the Company.

Burmeister/ Tatum Partners Agreement

On July 6, 2005, Tweeter entered into a services agreement with Tatum Partners and Paul Burmeister, interim Chief Financial Officer. The terms and conditions of Mr. Burmeister's engagement are set forth in an agreement between Tatum CFO Partners, LLP (Tatum) and Tweeter, which provides for Mr. Burmeister to serve as Tweeter's interim Chief Financial Officer for an initial term of three months, or longer if mutually agreed upon, with direct salary to Mr. Burmeister of \$23,920 per month and an additional fee to Tatum of \$5,980 per month. Under the agreement Mr. Burmeister also will be entitled to incentive compensation from Tweeter at the end of his engagement equal to 25% of his salary if targets to be agreed upon between Mr. Burmeister and Tweeter are achieved. Compensation Committee Report Regarding Executive Compensation

The Compensation Committee of the Board of Directors makes decisions regarding cash compensation paid and stock options and other forms of equity-based compensation awarded to Tweeter's executive officers. The Compensation Committee is comprised of two Directors, Michael Cronin and Matthew Bronfman, neither of which have relationships with any executive officers of Tweeter. The Compensation Committee has submitted the following report concerning executive compensation:

Compensation Philosophy

The Compensation Committee (the "Committee"), which is composed entirely of outside independent Directors, reviews, evaluates and approves the amount, design and implementation of Tweeter's compensation system for executive officers. Tweeter believes that corporate performance and in turn, stockholder value will be best enhanced by a compensation system that supports and reinforces Tweeter's key operating and strategic goals while aligning the financial interests of Tweeter's executive officers with those of the stockholders. Tweeter utilizes both short-term and long-term incentive compensation programs to achieve these objectives. Executive officer incentive compensation programs are tied to company-wide achievement of annual financial and operational goals and the market value of Tweeter's stock. The Committee believes that the use of company-wide performance in setting goals promotes a unified vision for senior management and creates common motivation among the executives. For other salaried employees, the incentive compensation program is also tied to divisional, departmental or store business goals and, in some cases, individual performance.

For Tweeter's 2005 fiscal year, the Committee made its compensation decisions based on a review of Tweeter's 2004 fiscal year performance, on Tweeter's budget and other projections for the 2005 fiscal year, and on Tweeter's performance in comparison to certain competitors. The Committee also used information from an executive compensation survey provided by an independent consulting firm.

Components of the Executive Compensation Program

Tweeter's compensation program for executive officers consists generally of three components: base salary, an annual performance-based cash bonus and long-term stock incentives. In making compensation decisions, the Committee generally compares the compensation of Tweeter's executive officers with compensation of officers at certain other retail companies and has utilized a nationally known compensation consultant, as it deemed necessary.

The Committee generally compares various short and long-term performance measures, including total stockholder return, return on average stockholders' equity, sales, pre-tax net income and earnings per share for Tweeter and other companies with which it competes for executive talent. The Committee has not established any particular level at which overall compensation will be set in respect to the compensation peer group. The Committee believes that the total compensation of the named executive officers is supported by Tweeter's competitive comparisons on the short and long-term performance factors and is appropriate given Tweeter's overall performance. The individual elements of the executive compensation program are addressed below.

Annual Salary

Each year the Committee establishes salaries for executive officers. Such salaries are based on proposals submitted by Tweeter's Chief Executive Officer (CEO) for annual salary for the executive officers other than himself. The Committee sets the executive officer salaries for the 2005 fiscal year after reviewing the CEO's recommendations and considering the information in the executive compensation survey. The Committee believes that the current level of annual salaries for executive officers is appropriate and that it also provides for a large percentage of total compensation to be at risk under the incentive programs. In evaluating individual executive officers, the Committee may also consider, among other factors, (1) a qualitative evaluation of the individual executive officer's performance provided by the CEO, (2) the job responsibilities of the individual executive, including changes in those responsibilities, and (3) Tweeter's performance in relation to its target financial and operational goals for the prior fiscal year.

Annual Performance-Based Bonus

Tweeter's executive officers are eligible to receive cash bonuses under an annual performance-based incentive program (Incentive Program) established each year by the Committee and approved by the Board of Directors. The Incentive Program is designed to motivate Tweeter's employees to achieve Tweeter's annual operating and financial goals. The executive officers participate in the Incentive Program. The Incentive Program allows the Committee to establish operational objectives and performance goals based on pre-tax earnings.

For the 2005 fiscal year, the Incentive Program measured Tweeter's achievement of its operating and financial goals. The target goals were established early in the fiscal year as part of Tweeter's budgeting process and were approved by the Committee. Consistent with the Committee's compensation philosophy of tying a large percentage of total compensation to performance, the potential maximum bonus for each executive officer was a significant percentage of that individual's salary for the year. For the 2005 fiscal year, the target bonus amounts ranged from 35 percent of base salary to 48 percent of base salary. The target bonus percentages were based upon the results of the executive compensation survey and the recommendations of an independent consulting firm.

The amount of bonus payments in each fiscal year depends upon the extent to which Tweeter achieves its target financial and operational goals for the prior fiscal year. For the 2004 fiscal year, Tweeter achieved some of these key performance goals. As a result, bonuses were paid in 2005 based on the 2004 fiscal year performance in an amount less than would have been paid had all of the goals been met.

Tweeter's performance for the 2005 fiscal year did not meet all the key performance goals set as requirements for all payments of bonuses. As a result, only a portion of the bonuses will be paid in the 2006 fiscal year relating to 2005 fiscal year performance.

Long-Term Incentive Compensation

Grants under Tweeter's stock incentive plans provide long-term incentive compensation and are a significant component of total compensation. These programs are a part of Tweeter's performance-based incentive compensation rewarding officers as total stockholder value increases. For most executive officers, grants under the stock incentive plans have been made in the form of incentive stock options. For non-employee Directors, grants under the plan are in the form of nonqualified stock options (since non-employee Directors do not qualify as recipients of incentive stock options).

The Committee considers stock-based grants to be an important means of ensuring that executive officers have a continuing incentive to increase the long-term return to stockholders and the value of Tweeter's stock. Stock-based grants also aid in the retention of executives.

Stock options generally vest and become exercisable ratably over a period of zero to four years from the date of grant. The number of stock options to be granted to a particular executive officer is determined by the Committee. The Committee primarily uses a formula based on an individual's target bonus for the fiscal year and the market price of Tweeter's stock, as well as the results of compensation surveys, to determine the appropriate grant size. Because the value of stock options is entirely a function of increases in the value of Tweeter's stock, the Committee believes that this component of Tweeter's compensation arrangement closely aligns the interests of the executive officers with those of Tweeter's stockholders.

Chairman's and Chief Executive Officer's Compensation

The Committee determined the compensation of Samuel Bloomberg, Tweeter's Chairman for the 2005 fiscal year, and Jeffrey Stone and Joseph McGuire, both of whom served as Tweeter's CEO during the 2005 fiscal year, in a manner consistent with the philosophy described above.

In establishing the Chairman and CEO's compensation, the Committee has compared their compensation with the compensation of the Chairmen and CEOs of the compensation peer group in relation to the relative performance of Tweeter with respect to the compensation peer group. The Committee also considered Mr. Bloomberg's, Mr. Stone's and Mr. McGuire's leadership skills in assembling and developing a strong management team and guiding Tweeter through its significant growth during the last fifteen years.

In setting the fiscal 2005 compensation, the Committee also considered Tweeter's performance during the 2004 fiscal year. In the 2004 fiscal year, Tweeter did not achieve all the goals set by the Committee as requirements for the payment of bonuses to them. As a result, Mr. Stone and Mr. McGuire received a portion of their bonuses in fiscal 2005.

The Committee believes that Mr. Bloomberg's, Mr. Stone's and Mr. McGuire's compensation for the 2005 fiscal year was appropriate in light of all of the above considerations.

Tweeter's performance for the 2005 fiscal year partially met the requirements set by the Committee for the payment of bonuses to Mr. Bloomberg and Mr. McGuire in fiscal 2006. As a result, Mr. McGuire will be paid a bonus of \$36,300 in the 2006 fiscal year with respect to 2005 performance.

Tweeter believes that this index is representative of a peer group because it is composed of companies with similar market capitalization. In addition, Tweeter has included the Nasdaq Composite index as a comparison.

Proposal 2: Ratification of Selection of Auditors

The Audit Committee of the Board of Directors has selected the firm of Deloitte & Touche LLP, independent registered public accounting firm, to serve as auditors for the fiscal year ending September 30, 2006. Deloitte & Touche LLP served as Tweeter's auditors for fiscal year 2005.

Principal Accountant Fees and Services

The increase in fees over 2004 is primarily related to internal control over financial reporting audit services.

The aggregate fees billed by Deloitte for professional services rendered for the audit of Tweeter's annual financial statements for the fiscal year ended September 30, 2004 including the reviews of its financial statements included in Tweeter's Quarterly Reports on Form 10-Q, assistance with Securities Act filings and related matters and consultations on financial accounting and reporting standards arising during the course of the audit or reviews for that fiscal year were \$638,800.

Such services consisted of benefit plan audits in both years and Sarbanes-Oxley section 404-implementation assistance in 2004.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE SELECTION OF DELOITTE & TOUCHE LLP AS AUDITORS.

Audit Committee Report

The Audit Committee, (the Committee), of the Board of Directors, composed entirely of independent directors (as independence is defined in Rule 4200(a)(15) of the Nasdaq Stock Market Marketplace Rules), met six times during the fiscal year 2005. The purpose of the Audit Committee is to oversee the accounting and financial reporting processes of the company and the audits of the financial statements of the company. The full responsibilities of the Committee are set forth in its charter, which is reviewed and updated annually and approved by the board, and is attached hereto as Appendix A.

In fulfilling its responsibilities, the Committee appointed, subject to stockholder approval, Deloitte & Touche LLP as the company's outside auditors. In making this decision, the Committee:

Discussed with the auditors the matters to be discussed by SAS 61 and SAS 90 (Codification of Statements on Auditing Standards, AU Section 380), as may be modified or supplemented;

Received the written disclosures and the letter from the auditors required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committee), as may be modified or supplemented, and discussed with the auditors the auditors' independence;

Discussed the overall audit process, receiving and reviewing all reports;

Involved the auditors in the Committee's review of Tweeter's financial statements and related reports with management;

Provided to the auditors full access to the Committee (and the Board) to report on any and all appropriate matters;

Discussed with the independent auditors all matters required to be reviewed by generally accepted auditing standards; and

Conducted an assessment of the competence and qualification of Deloitte & Touche LLP to serve as Tweeter's auditors.

The Committee met with selected members of management and the auditors to review financial statements (including quarterly reports), discussing such matters as the quality of earnings; estimates, reserves and accruals; suitability of accounting principles; highly judgmental areas; and audit adjustments whether or not recorded.

In addition, the Committee considered the quality and adequacy of the company's internal controls and the status of pending litigation, taxation matters and other areas of oversight to the financial reporting and audit process that the Committee felt appropriate.

Based on the review and discussions referred to above, the Committee recommended to the Board that the audited financial statements be included in Tweeter's Annual Report on Form 10-K for the fiscal year ended September 30, 2005. Subsequent to such recommendation, the Board approved such Annual Report on Form 10-K for filing with the Securities and Exchange Commission.

The reports and opinions of Deloitte & Touche LLP are filed separately in Tweeter's Annual Report on Form 10-K and should be read in conjunction with the information contained in this section of the proxy Statement and the review of the audited financial statements.

Based upon its work and the information received in the inquiries outlined above, the Committee is satisfied that its responsibilities under its charter for the period ending September 30, 2005 were met and that the financial reporting and audit processes of the company are functioning effectively.

Code of Ethics

Tweeter has adopted a code of ethics that applies to the company's principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. A copy of the code of ethics is filed as an exhibit to Tweeter's Annual Report on Form 10-K for the fiscal year ended September 30, 2003.

Other Business

The Board of Directors of Tweeter is not aware of any matter, other than those described above that may come before the meeting. However, if any matters are properly presented to the meeting for action, it is intended that the persons named in the enclosed proxy will vote on such matters in accordance with their best judgment.

Communications with Directors

Tweeter's Board of Directors has not established a formal process for stockholders to send communications to the Board of Directors and individual directors. The Board of Directors has determined that it is appropriate for Tweeter to not have such a formal process, however, as the names of all directors are available to stockholders in this proxy statement. If Tweeter receives any stockholder communication intended for the full Board of Directors or any individual director, Tweeter will forward the communication to the full Board of Directors or the individual director, unless the communication is clearly of a marketing nature or is unduly hostile, threatening, illegal, or similarly inappropriate, in which case Tweeter has the authority to discard the communication or take appropriate legal action regarding the communication.

All members of the Board of Directors are encouraged, but not required, to attend Tweeter's annual meetings of stockholders. At last year's annual meeting of stockholders, four of the directors then in office were in attendance.

Deadline For Receipt of Stockholder Proposals

In order for a stockholder proposal to be considered for inclusion in Tweeter's proxy materials for the 2007 annual meeting of stockholders, it must be received by Tweeter at 40 Pequot Way, Canton, MA 02021, Attention: Joseph McGuire, no later than August 26, 2006; provided, however, that if the 2007 annual meeting of stockholders is scheduled to take place on a date more than 30 days before or after the anniversary date of the 2006 annual meeting of stockholders, stockholder proposals may be received on the later of (i) 120 days prior to the date when Tweeter first mails to stockholders its proxy statement for the meeting or (ii) the 15th day following the day on which the public announcement of the date of the meeting is first made by Tweeter. In addition, stockholder proposals intended to be considered at the 2007 annual meeting of stockholders, but not included in Tweeter's proxy materials for that meeting, will be considered untimely if not received by Tweeter at the above address by such date.

Annual Report

A copy of Tweeter's 2005 Annual Report to Stockholders is being mailed with this proxy Statement to each stockholder entitled to vote at the Annual Meeting. Stockholders not receiving a copy of such Annual Report may obtain one, without charge, by writing to Joseph McGuire at Tweeter's address set forth in the preceding paragraph, calling him at (781) 830-3314, or contacting him by e-mail at jmcguire@twtr.com.

Voting via the Internet or by Telephone

For Shares Directly Registered in the Name of the Stockholder.

Stockholders with shares registered directly with Computershare may vote those shares telephonically by calling Computershare at 1-877-779-8683 (within the U.S. and Canada only, toll-free), or via the Internet at Computershare's voting Web site (www.eproxyvote.com/twtr).

For Shares Registered in the Name of a Broker or a Bank.

A number of brokers and banks are participating in a program provided through ADP Investor Communication Services that offers telephone and Internet voting options. This program is different from the program provided by Computershare for shares registered directly in the name of the stockholder. If your shares are held in an account with a broker or a bank participating in the ADP Investor Communication Services program, you may be able to vote those shares telephonically by calling the telephone number shown on the voting form received from your broker or bank, or via the Internet at ADP Investor Communication Services' voting Web site (www.proxyvote.com).

General Information for All Shares Voted Via the Internet or By Telephone.

Votes submitted via the Internet or by telephone must be received by 12:00 AM E.S.T. on January 31, 2006. Submitting your proxy via the Internet or by telephone will not affect your right to vote in person should you decide to attend the Annual Meeting. The telephone and Internet voting procedures are designed to authenticate stockholders identities, to allow stockholders to give their voting instructions and to confirm that stockholders' instructions have been recorded properly. Stockholders voting via the Internet should understand that there might be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies that must be borne by the stockholder.

In carrying out its responsibilities, the Audit Committee believes its policies and procedures should remain flexible, in order to best react to changing conditions and to ensure to the directors and stockholders that the corporate accounting and reporting practices of the Corporation are in accordance with all requirements and are of the highest quality.

In carrying out these responsibilities, the Audit Committee will:

Appoint, compensate, retain and oversee the work of the independent auditors (including resolution of disagreements between management and the auditors regarding financial reporting) engaged by the Corporation for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the corporation, as well as to ultimately approve all audit engagement fees and terms.

Pre-approve all audit and permissible non-audit services in accordance with Section 202 of the Sarbanes-Oxley Act of 2002 ("Sarbanes-Oxley") and the Securities and Exchange Commission ("SEC") rules promulgated thereunder.

Meet with the independent auditors and financial management of the Corporation to review the scope of the proposed audit for the current year and the audit procedures to be utilized, and at the conclusion thereof review such audit, including any comments or recommendations of the independent auditors.

Review with the independent auditors, and financial and accounting personnel, the adequacy and effectiveness of the accounting and financial controls of the Corporation, and elicit any recommendations for the improvement of such internal control procedures or particular areas where new or more detailed controls or procedures are desirable. Particular emphasis should be given to the adequacy of such internal controls to expose any payments, transactions or procedures that might be deemed illegal

or otherwise improper, and to ensure that all reported revenue and expenses will be recognized in accordance with generally accepted accounting principles.

Review with management and the internal auditor the charter, plans, activities, staffing and organizational structure of the internal audit function of the Corporation. Review the coordination of such plans with the independent auditors. Ensure there are no unjustified restrictions or limitations, and review and concur in the appointment, replacement or dismissal of the internal auditor. Review the effectiveness of the internal audit function, including compliance with relevant standards.

Review the financial statements contained in the Annual Report to stockholders with management and the independent auditors to determine that the independent auditors are satisfied with the disclosure and content of the financial statements to be presented to the stockholders. Any changes in accounting principles should be reviewed.

Provide sufficient opportunity for the internal and independent auditors to meet with the members of the Audit Committee without members of management present. Among the items to be discussed in these meetings are the independent auditors' evaluation of the Corporation's financial, accounting, and auditing personnel, and the cooperation that the independent auditors received during the course of the audit.

Review accounting and financial human resources and succession planning within the Corporation.

Submit the minutes of all meetings of the Audit Committee to, or discuss the matters discussed at each Committee meeting with, the Board of Directors.

Receive from the corporation's outside auditors a formal written statement delineating all relationships between the auditors and the Corporation, consistent with Independence Standards Board Standard 1.

Engage in an active dialogue with the outside auditors with respect to any disclosed relationships or services that may affect the objectivity and independence of the outside auditors.

Ensure the independence of the outside auditors.

Have the ultimate authority and responsibility to select an outside auditor, subject to approval by the company's stockholders at Tweeter's annual meeting of stockholders, and evaluate and, where appropriate, replace the outside auditor; the outside auditor ultimately shall report and be accountable to the Audit Committee.

Review this Audit Committee Charter at least annually, and make any changes deemed appropriate, subject to review and approval of the full Board of Directors.

Review and discuss with management the Corporation's annual and quarterly financial statements and all internal control reports (or summaries thereof), and review other material reports on financial information (excluding tax returns and reports) submitted by the Corporation to any government body, or the public, including management certifications as required by Sarbanes-Oxley (Sections 302 and 906) and relevant reports rendered by the outside auditors.

Establish procedures, in accordance with Section 301 of Sarbanes-Oxley and Rule 10A-3 of the Exchange Act, for (a) the receipt, retention, and treatment of complaints received by the Corporation regarding accounting, internal accounting controls, or auditing matters; and (b) the confidential, anonymous submission by employees of the Corporation of concerns regarding questionable accounting or auditing matters.

The Audit Committee shall have the resources and authority appropriate to discharge its responsibilities, including the authority to engage outside auditors for special audits, reviews and other procedures and, in accordance with Section 301 of Sarbanes-Oxley and Rule 10A-3 of the Exchange Act, to retain independent counsel and other experts, advisors or consultants as it determines is necessary to carry out its duties, and to determine funding for payment of (i) compensation to any such counsel, experts, advisors or consultants, (ii) compensation to outside auditors engaged by the Audit Committee and (iii) ordinary administrative expenses of the Audit Committee.
