Filed Pursuant to Rule 433  
Registration Statement No.: 333-141485

ULTRAPETROL (BAHAMAS) LIMITED  
OFFERING OF COMMON STOCK

Ultrapetrol (Bahamas) Limited (the “Company”, “we” or “us”) has filed a registration statement (including a prospectus) with the SEC for the offering to which this communication relates. Before you invest, you should read the prospectus in that registration statement and other documents the Company has filed with the SEC for more complete information about the Company and this offering. You may get these documents for free by visiting EDGAR on the SEC Web site at [www.sec.gov](http://www.sec.gov). Alternatively, you may contact the underwriter, UBS Investment Bank, at (212) 821-3884 to request that a prospectus be mailed to you. The information in this Issuer Free Writing Prospectus supplements and should be read together with the information contained in our preliminary prospectus dated April 3, 2007 (the “Preliminary Prospectus”), which forms a part of the registration statement on Form F-1 (Commission File No. 333-141485).

On April 19, 2007, we finalized the terms of our offering of our common stock, as set forth below. This resulted in changes to certain other information in the Preliminary Prospectus, which we highlight on the following pages.

Use of proceeds

We estimate the net proceeds to us of this offering will be approximately \$91.4 million after deducting the underwriters’ discount and the estimated expenses payable by us related to this offering. These estimates are based on a

public offering price of \$19.00 per share.

We expect to use the net proceeds of this offering in the following manner:

\$13.8 million to replace cash on hand used to fund the Otto Candies Acquisition, including related expenses;

\$43.3 million to fund construction costs of the two new PSVs being built in India, including \$8.7 million to replenish cash on hand used to fund the first advance under the construction contracts and \$34.6 million to be held as working capital to fund the balance of the construction costs;

\$12.0 million to fund the expansion of the capacity of our shipyard in the Hidrovia Region for construction of new barges; and

the remainder for general corporate purposes.

We will use some of the proceeds of this offering for general corporate or working capital purposes. See “Risk factors — Risks related to our company — We may use the proceeds of this offering for general corporate purposes with which you may not agree” for a discussion of the risks associated with our use of the proceeds.

We estimate that the net proceeds to the selling shareholders of this offering will be approximately \$106.6 million (\$136.3 million if the underwriters exercise their over-allotment option in full) after deducting the underwriters’ discounts but without regard to their expenses or any reimbursement thereof by the underwriters. We will not receive any proceeds of the offering received by the selling shareholders. See “Principal and selling shareholders.”
