PROXY STATEMENT

This document is being furnished to holders of the common stock of Northfield Laboratories Inc. in connection with the solicitation of proxies for use at Northfield's annual meeting of stockholders to be held on Friday, August 31, 2001, commencing at 2:00 P.M., local time, at the Third Floor, 1560 Sherman Avenue, Evanston, Illinois 60201-4800, and at any adjournment or postponement thereof, for the purpose of considering and acting upon the matters set forth in the accompanying Notice of Annual Meeting of Stockholders.

This document is first being mailed to holders of common stock on or about August 3, 2001.

Our principal executive offices are located at 1560 Sherman Avenue, Suite 1000, Evanston, Illinois 60201-4800. Our telephone number is (847) 864-3500. We also maintain an Internet web-site at www.northfieldlabs.com. The information contained on our web-site is not deemed to be soliciting material and is not incorporated by reference in this document.

VOTING AND RECORD DATE

Only holders of record of common stock as of the close of business on July 19, 2001, the record date for the annual meeting, are entitled to notice of and to vote at the annual meeting. As of July 19, 2001, there were 14,265,875 shares of common stock outstanding and entitled to be voted at the annual meeting.

QUORUM

Each holder of record of shares who is entitled to vote may cast one vote per share held on all matters properly submitted for the vote of the stockholders at the annual meeting. The presence, in person or by proxy, of the holders of a majority of the outstanding shares of common stock entitled to vote

Edgar Filing: NORTHFIELD LABORATORIES INC /DE/ - Form DEF 14A

at the annual meeting is necessary to constitute a quorum at the annual meeting. If a stockholder withholds its vote for the election of directors or abstains from voting on the other proposals to be considered at the annual meeting, the shares owned by that stockholder will be considered to be present at the annual meeting for purposes of establishing the presence or absence of a quorum for the transaction of business.

REQUIRED VOTE

The affirmative vote of a majority of the votes cast at the annual meeting will be required to approve the proposals with respect to the election of directors and the appointment of independent auditors. Withheld votes and abstentions will be considered as votes cast with respect to these proposals and will have the same effect as a vote against these proposals.

If any nominee for director fails to receive the affirmative vote of a majority of the votes cast at the annual meeting, the majority of the directors then in office will be entitled under our certificate of incorporation and bylaws to fill the resulting vacancy in the board of directors. Each director chosen in this manner will hold office for a term expiring at our next annual meeting of stockholders.

PROXIES

All shares entitled to vote and represented by properly executed proxies received, and not revoked, prior to the annual meeting will be voted at the annual meeting in accordance with the instructions indicated on those proxies. If no instructions are indicated on a properly executed proxy, the shares represented by that proxy will be voted as recommended by the Board of Directors.

4

If any other matters are properly presented at the annual meeting for consideration, including, among other things, consideration of a motion to adjourn the annual meeting to another time or place, the persons named in the enclosed form of proxy will have discretion to vote on those matters in accordance with their best judgment to the same extent as the person signing the proxy would be entitled to vote. It is not currently anticipated that any other matters will be raised at the annual meeting.

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is voted. A proxy may be revoked by filing with Northfield's Corporate Secretary, at or before the taking of the vote at the annual meeting, a written notice of revocation or a duly executed proxy, in either case later dated than the prior proxy relating to the same shares. A proxy may also be revoked by attending the annual meeting and voting in person, although attendance at the annual meeting will not itself revoke a proxy. Any written notice of revocation or subsequent proxy should be sent so as to be delivered to Northfield Laboratories Inc., 1560 Sherman Avenue, Suite 1000, Evanston, Illinois 60201-4800, Attention: Corporate Secretary, or hand delivered to the Corporate Secretary, at or before the taking of the vote at the annual meeting.

ANNUAL REPORT

A copy of our Annual Report on Form 10-K for our 2001 fiscal year, including financial statements, has been sent simultaneously with this document or has been previously provided to all stockholders entitled to vote at the annual meeting.

To our knowledge, based solely upon a review of copies of reports furnished to us and written representations that no other reports were required during the fiscal year ended May 31, 2001, our officers, directors and greater than 10% beneficial owners complied during our last fiscal year with all applicable Section 16(a) filing requirements, except a report required to be filed in connection with a stock option grant for David A. Savner was filed after the applicable filing date.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

This report of the compensation committee of the Board of Directors discusses our executive compensation policies and the bases for the compensation paid to our Chief Executive Officer during our last completed fiscal year.

COMPENSATION POLICY

Our policy with respect to executive compensation has been designed to compensate executive officers fairly and adequately in relation to their responsibilities, capabilities and contributions to Northfield. We have also sought to align the interests of senior management with those of our stockholders with respect to long-term increases in the price of our stock. The compensation committee considers it essential to our success that the compensation paid to executive officers remain competitive with similar or competitive companies in order to attract and retain the talented senior management necessary to achieve our business objectives.

COMPONENTS OF COMPENSATION

The components of compensation paid for our last completed fiscal year to our executive officers consisted of base salary, stock option grants, cash bonuses and certain other benefits. We have employment agreements which provide for specified annual salaries with Richard E. DeWoskin, our Chief Executive Officer, Steven A. Gould, M.D., our President, and Jack J. Kogut, our Vice

Edgar Filing: NORTHFIELD LABORATORIES INC /DE/ - Form DEF 14A

President -- Finance, Secretary and Treasurer. See "Management -- Employment Agreements." The annual salaries provided in these

9

12

employment agreements were determined based principally on the compensation levels for similar or competitive companies, including companies in the pharmaceutical and biomedical industries, as well as the levels of responsibility and experience of the individual executive.

During our most recent fiscal year, we issued stock options to acquire 67,000 shares of common stock to our Chief Executive Officer and the other named executive officers. These options were issued in recognition of these officers' significant contributions to the clinical development of PolyHeme. The other benefits provided to our executive officers consist of enhanced life and disability insurance coverage. Executive officers are also eligible for coverage under our general medical and life insurance programs and may participate in our defined contribution 401(k) savings plan on the same terms as other employees.

CHIEF EXECUTIVE OFFICER COMPENSATION

During our 2001 fiscal year, our Chief Executive Officer, Richard E. DeWoskin, received \$268,867 in base salary pursuant to his employment agreement and was granted a stock option to acquire 18,000 shares of common stock. The terms of Mr. DeWoskin's employment agreement and stock option grant were determined based principally on compensation levels applicable to the chief executive officers of similar or competitive companies and secondarily on Mr. DeWoskin's prior contributions to Northfield and his high level of experience and involvement with the development and clinical testing of our blood substitute product.
