This Amendment No. 11 amends and supplements the Tender Offer Statement on Schedule TO, initially filed by Allergan, Inc., a Delaware corporation (Allergan) and Banner Acquisition, Inc., a Delaware corporation (now known as Inamed Corporation) (Offeror) and a wholly owned subsidiary of Allergan, with the Securities and Exchange Commission (the SEC) on November 21, 2005, and subsequently amended by Amendments No. 1 through No. 10 (as amended from time to time, the Schedule TO), relating to the offer by Offeror (the Offer) to exchange for each outstanding share of common stock of Inamed Corporation, a Delaware corporation (Inamed), including the associated preferred stock purchase rights (collectively, the Inamed Shares), at the election of the holder thereof: (a) \$84.00 in cash, without interest, or (b) 0.8498 of a share of Allergan common stock, including the associated preferred stock purchase rights, upon the terms and subject to the conditions described in the Prospectus (as defined below) and the related letter of election and transmittal, including in each case the proration and election procedures described therein.

Allergan has filed with the SEC Amendment No. 3 to its Registration Statement on Form S-4 (file no. 333-129871) relating to the offer and sale of the Allergan common stock to be issued to holders of Inamed Shares in the Offer (as amended, the Registration Statement). The terms and conditions of the Offer are set forth in the prospectus, which is a part of the Registration Statement (as amended or supplemented from time to time, the Prospectus), and the related letter of election and transmittal, which are filed as Exhibits (a)(4)(A) and (a)(1)(A), respectively, hereto.

Items 1 through 11.

Items 1, 5, 7, 8 and 11 of the Schedule TO are hereby amended and supplemented to add the following:

Expiration of Offer and Results

On March 17, 2006, Offeror accepted for exchange 34,647,820 Inamed Shares, including all Inamed Shares delivered after the expiration of the Offer to satisfy guaranteed deliveries. The Inamed Shares accepted in the Offer represented approximately 93.86 percent of the Inamed Shares then outstanding.

The Offer expired at 11:59 p.m., Eastern time, on Friday, March 17, 2006, and all validly tendered Inamed Shares were accepted for purchase promptly thereafter.

The aggregate amount of cash to be paid by Offeror for the Inamed Shares exchanged pursuant to the Offer is approximately \$1.31 billion, and the aggregate number of shares of Allergan common stock to be issued pursuant to the Offer is 16,194,045 shares.

Following the completion of the Offer, and pursuant to the Agreement and Plan of Merger, dated as of December 20, 2005, by and among Allergan, Offeror and Inamed (as amended by Amendment No. 1 thereto, dated as of March 11, 2006, the Merger Agreement), on March 23, 2006, Allergan completed its acquisition of Inamed through a merger of Offeror with and into Inamed (the Inamed Merger), with Inamed surviving the Inamed Merger as a wholly-owned subsidiary of Allergan. In the Inamed Merger, each Inamed Share outstanding immediately prior to the effective time of the Inamed Merger was canceled and converted into the right to receive, per Inamed share, \$84.00 in cash or 0.8498 of a share of Allergan common stock (together with the associated preferred stock purchase rights), at the election of the holder and subject to proration to the extent former Inamed stockholders request cash for more than 45% of the aggregate Inamed Shares canceled in the Inamed Merger or Allergan common stock for more than 55% of the aggregate Inamed Shares canceled in the Inamed Merger. The aggregate amount of cash payable in the Inamed Merger is approximately \$85.64 million and the aggregate number of shares of Allergan common stock to be issued in connection with the Inamed Merger is 1,058,969 shares. These numbers do not include shares of Allergan common stock and cash that will be paid to optionholders for outstanding options to purchase an additional approximately 1.0 million Inamed Shares which were cancelled in the Inamed Merger and converted into the right to receive an amount of cash equal to 45% of the in the money value of the option and a number of shares of Allergan common stock with a value equal to 55% of the in the money value of the option.

A copy of the press release issued by Allergan regarding the above is attached hereto as Exhibit (a)(1)(CC) and the information in the press release is incorporated herein by reference.

Delisting of Inamed Common Stock

In connection with the completion of the Inamed Merger, the Inamed common stock was delisted from the Nasdaq stock market, effective prior to the opening of trading on Thursday, March 23, 2006.

Proration

Of the aggregate Inamed Shares validly tendered, 0.18% were tendered subject to cash elections and 99.82% were tendered subject to elections for Allergan common stock (including deemed elections of Allergan common stock by non-electing stockholders), and therefore the Allergan common stock consideration is oversubscribed. As a result, elections for Allergan common stock will be prorated so that Inamed stockholders will receive Allergan common stock for 55.10% of the aggregate Inamed Shares tendered subject to valid stock elections, with cash paid in respect of fractional shares of Allergan common stock, and the remaining Inamed Shares tendered pursuant to valid stock elections will be exchanged for cash at \$84.00 per Inamed Share. On a per Inamed Share basis, this proration ratio will result in each Inamed Share tendered pursuant to a valid stock election being exchanged for 0.46825 of a share of Allergan common stock and \$37.71 in cash.

There will be no proration of Inamed Shares tendered for cash.

Financing

On March 20, 2006, Allergan entered into a credit agreement (the Bridge Facility) among Offeror, as borrower, Allergan, as guarantor, Bank of America, N.A. (Bank of America), as Administrative Agent, Morgan Stanley Senior Funding, Inc. (Morgan Stanley) and Banc of America Securities LLC, as Joint Lead Arrangers, Joint Bookrunners and Syndication Agents, and Citicorp North America, Inc. (Citicorp) and Goldman Sachs Credit Partners L.P. (Goldman Sachs) and together with Bank of America, Morgan Stanley and Citicorp, the Lenders), as Documentation Agents, pursuant to which the Lenders collectively agreed to lend Offeror up to \$1,100,000,000. On March 23, 2006, Banner borrowed \$825,000,000 under the Bridge Facility.

The proceeds of the Bridge Facility will be used to fund a portion of the cash consideration to be paid to former stockholders of Inamed in the Offer and the Inamed Merger. All borrowings under the Bridge Facility will be due and payable on March 19, 2007. Offeror also is required to repay borrowings under the Bridge Facility in the event of certain sales or other dispositions of the property of Allergan or its subsidiaries, the incurrence by Allergan or its subsidiaries of additional indebtedness (subject to certain limitations set forth in the Bridge Facility) or the sale of any equity security (subject to certain limitations set forth in the Bridge Facility).

Borrowings under the Bridge Facility are unsecured, but Offeror's obligations under the Bridge Facility are unconditionally guaranteed by Allergan.

Borrowings under the Bridge Facility will bear interest at either a base rate or a Eurodollar rate, at Allergan's option. Base rate loans will bear interest at a rate equal to (a) the greater of (i) the prime rate and (ii) the sum of the federal funds rate plus 1/2%, plus (b) a base rate margin. Eurodollar loans will bear interest at a rate equal to (a) the London Interbank Offered Rate plus (b) a Eurodollar margin. The base rate margin and the Eurodollar margin vary based on the ratings assigned by Standard & Poor's or Moody's to Allergan's senior unsecured long-term debt securities. On March 20, 2006, the base rate margin was 0 basis points and the Eurodollar margin was 40 basis points. Interest on base rate loans will be payable quarterly in arrears. Interest on Eurodollar loans will be payable on the last day of the applicable interest period or every three months, whichever is less.

Amounts outstanding under the Bridge Facility may be prepaid at Banner's option without premium or penalty, subject to the payment of customary breakage fees in connection with the prepayment of a Eurodollar rate loan.

The Bridge Facility contains covenants that, among other things, limit the ability of Allergan and its subsidiaries to:

incur or guarantee indebtedness;

incur certain liens;

enter into certain transactions with affiliates; or

enter into certain asset sales, acquisitions or mergers.

The Bridge Facility requires compliance with certain financial covenants (in each case calculated as set forth in the Bridge Facility), including covenants regarding Allergan's subsidiary debt, consolidated debt to capitalization ratio and consolidated net worth.

The Bridge Facility contains customary events of default, including:

failure to make required payments;

failure to comply with certain material covenants;
 material inaccuracies in representations and warranties;
 a default on other indebtedness exceeding \$40,000,000 in the aggregate;
 a change in control of Allergan;
 events of bankruptcy and insolvency; and

failure to pay judgments or orders in excess of \$75,000,000.

The foregoing description of the Bridge Facility is qualified in its entirety by the Bridge Facility, a copy of which is attached as hereto as Exhibit (b)(2) and incorporated herein by this reference.

Although no definitive plan or arrangement has been made for repayment of borrowings under the Bridge Facility, Allergan expects that the borrowings will be repaid with cash flow from operations and funds from alternative funding sources.
