PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS
To be held Wednesday, June 3, 2009

GENERAL INFORMATION

This proxy statement and the enclosed proxy card are being furnished to our stockholders in connection with the solicitation of proxies by the Board of Directors of Lime Energy Co., a Delaware corporation, for use at our Annual Meeting of Stockholders to be held at the Holiday Inn Hotel, 1000 Busse Road, Elk Grove Village, Illinois 60007 at 9:00 a.m. local time, on Wednesday, June 3, 2009, and any adjournments thereof. This proxy statement and the accompanying form of proxy are first being mailed to stockholders on or about April 24, 2009.

A copy of our 2008 Annual Report on Form 10-K for the year ended December 31, 2008 have been mailed to you. Our proxy statement for the Meeting and the 2008 Annual Report on Form 10-K can be viewed on our website at <http://www.lime-energy.com/investors/sec.php>.

We use the terms Lime Energy, the Company, we, our and us in this proxy statement to refer to Lime Energy and its consolidated subsidiaries, unless the context otherwise requires.

Solicitation

The cost of this proxy solicitation will be borne by Lime Energy. We may request banks, brokers, fiduciaries, custodians, nominees and certain other record holders to send proxies, proxy statements and other materials to their principals at our expense. Those banks, brokers, fiduciaries, custodians, nominees and other record holders will be reimbursed by us for their reasonable out-of-pocket expenses of solicitation. We do not anticipate that costs and expenses incurred in connection with this proxy solicitation will exceed an amount normally expended for a proxy solicitation for an election of directors in the absence of a contest. In addition to soliciting proxies by mail, we and our directors, officers and regular employees may also solicit proxies personally, by telephone or by other appropriate means. No additional compensation will be paid to directors, officers or other regular employees for such services.

Record Date and Outstanding Shares

Our Board of Directors fixed the close of business on April 16, 2009 as the record date for the determination of stockholders entitled to notice of, and to vote at, the Annual Meeting or any adjournments thereof. As of the close of business on the record date, we had 13,067,038, shares of common stock and 366,943 shares of Series A-1 Preferred Stock with voting rights as to certain matters outstanding. Each outstanding share of common stock on such date is entitled to one vote on each matter to be voted on at the Annual Meeting and each share of Series A-1 Preferred Stock is entitled to ten votes on each matter to be voted on at the Annual Meeting.

Required Vote

The affirmative vote of a majority of the shares of common stock and preferred stock voted in person or by proxy at the Annual Meeting is required to elect the nominees to the Board of Directors and ratify the appointment of our independent auditors. Stockholders will not be allowed to cumulate their votes in the election of directors.

Table of Contents

Quorum; Abstentions and Broker Non-Votes

The required quorum for transaction of business at the Annual Meeting will be a majority of the total votes of the shares of common stock and preferred stock issued and outstanding as of the record date. Votes cast by proxy or in person at the Annual Meeting will be tabulated by the election inspector appointed for the meeting and will be taken into account in determining whether or not a quorum is present. Abstentions and broker non-votes, which occur when a broker has not received customer instructions and indicates that it does not have the discretionary authority to vote on a particular matter on the proxy card, will be included in determining the presence of a quorum at the Annual Meeting. Neither abstentions nor broker non-votes will have any effect on the vote for the election of directors.

Voting of Proxies; Revocability of Proxies

Our Board of Directors selected Jeffrey R. Mistarz and John O Rourke, the persons named as proxies on the proxy card accompanying this proxy statement, to serve as proxies. Mr. Mistarz is our executive vice president, chief financial officer, treasurer and corporate secretary, and John O Rourke is our chief operating officer. The shares of common stock and preferred stock represented by each executed and returned proxy will be voted in accordance with the directions indicated thereon, or if no direction is indicated, the proxy will be voted in accordance with the recommendations of the Board of Directors contained in this proxy statement. Members of our management intend to vote their shares in favor of each of the proposals.

All stockholders may vote in person at the Annual Meeting. You may also be represented by another person at the Meeting by executing a proper proxy designating that person. If you are a beneficial owner of shares, you must obtain a legal proxy from your broker, bank or other holder of record and present it to the inspectors of election with your ballot to be able to vote at the Annual Meeting.

You can revoke a proxy you have given at any time before the shares it represents are voted by giving our secretary either (1) an instrument revoking the proxy or (2) a duly executed proxy bearing a later date. Additionally, you may change or revoke a previously executed proxy by voting in person at the Annual Meeting. However, your attendance at the Annual Meeting will not, by itself, revoke your proxy.

Dissenter s Right of Appraisal

There is no proposal or matter that will be acted upon in the meeting that would grant dissenting stockholders the right of appraisal.

Annual Report to Stockholders

We are simultaneously furnishing to you with this proxy statement our Annual Report to Stockholders for the fiscal year ended December 31, 2008, which contains financial and other information pertaining to us.

Multiple Stockholders Sharing the Same Address

Owners of common stock who hold their shares in a brokerage account may receive a notice from their broker stating that only one proxy statement will be delivered to multiple security holders sharing an address. This practice, known as householding, is designed to reduce printing and postage costs. However, if any stockholder residing at such an address wishes to receive a separate proxy statement, he or she may contact our Corporate Secretary at Lime Energy Co., 1280 Landmeier Road, Elk Grove Village, Illinois 60007-2410 or by telephone at 847-437-1666.

**The Board of Directors recommends that the stockholders vote

Table of Contents

Voting Arrangements

Pursuant to a stock purchase agreement between certain stockholders ADVB and us dated November 18, 2008, we were required to appoint Mr. Capps to our Board of Directors within ten days following the closing of our acquisition of ADVB on March 3, 2009. On March 5, 2009, our Board of Directors increased the size of our Board to eight directors and appointed Mr. Capps as one of our directors. Pursuant to the stock purchase agreement, for so long as Mr. Kiphart owns any of our capital stock, we must use our best efforts to cause Mr. Capps to be nominated as a director in all of our elections unless Mr. Capps resigns or is removed in accordance with Delaware law or we are notified by Mr. Kiphart.

Family Relationships

The only family relationships between any of our directors and officers is Mr. Valentine, who is the son-in-law of Mr. Kiphart.

Director Attendance

During the fiscal year ended December 31, 2008, the Board of Directors held eight formal meetings. In addition, there were six meetings of the Audit Committee and five meetings of the Compensation Committee. During 2008, all members of the Board of Directors attended at least 75% of the total of all board meetings and applicable committee meetings, except for Mr. Kiphart who attended 62% of the meetings. Mr. Kiphart recused himself from five board meetings in which the Board was discussing various transactions in which he was an interested party. We encourage our Board members to attend our Annual Meeting, but we do not have a formal policy requiring attendance. All of our Board members, except Mr. Carey, attended last year's Annual Meeting.

Independent Directors

Of the eight directors currently serving on the Board, all of whom are director nominees at the next Annual Meeting, the Board has determined that each of Messrs. Barnum, Capps, Carey, Desmond, Kiphart and Valentine are independent as defined in Section 4200(a)(15) of the NASDAQ listing standards. Although a company owned by Mr. Carey provided services to us during 2006 and 2007, the Board determined that the fees paid to this company were insufficient to cause Mr. Carey to lose his independence. Messrs. Asplund and Parke are not considered independent because they also serve as our executive officers.

COMPENSATION OF DIRECTORS

Director Compensation Program

Effective April 1, 2000, we adopted a stock option plan for all non-employee directors that is separate and distinct from the 2008 Long-Term Incentive Plan. The plan was amended on July 11, 2006 to provide that eligible directors receive an initial option grant upon being appointed to our Board of Directors to purchase 14,286 shares of our common stock, and a grant of options to purchase an additional 7,143 shares on the first day of January beginning on the second January following the date the director became an eligible director. These options have an exercise price equal to the closing price of our common stock on the grant date and a term of ten years. The initial options vest on first day of January following the initial grant date or six months following the initial grant date, whichever is later, if the individual is still a director on the vesting date. All future grants vest in two equal amounts, one amount on the grant date and the balance on the anniversary of the grant date, if the individual is still a member of the Board of Directors on such anniversary date.

We granted options to purchase 28,568 shares under the directors' stock option plan during 2008, and options to purchase 142,909 shares were outstanding under this plan as of December 31, 2008.

Directors who are also our employees receive no additional compensation for their services as directors.

Committees of the Board of Directors

The Board of Directors has an Audit Committee, Compensation Committee and a Governance and Nominating Committee.

Audit Committee

The Audit Committee, which is composed entirely of non-employee, independent directors, held six meetings during 2008. Each of the members of the Audit Committee attended at least 75% of the meetings of the Committee held in 2008. The Audit Committee meets periodically and separately in executive sessions with management and the independent auditors to review the activities of each. The Audit Committee possesses and may exercise the powers of the Board of Directors relating to our accounting, auditing, and financial reporting matters, except when such powers are by statute or the Certificate of Incorporation or Bylaws reserved to the full Board or delegated to another committee of the Board. Among other duties, the Audit Committee:

recommends the independent auditors to the Board;

pre-approves all audit and non-audit services provided to us by the independent auditors;

monitors the independence of the independent auditors;

reviews and approves:

- the scope and timing of work to be performed by the independent auditors

Barnum, Desmond and Valentine are independent as defined by Section 4200 (15) of the NASDAQ listing standards. The Board of Directors adopted an Audit Committee Charter effective April 19, 2000, which was amended effective January 31, 2001 to combine the Conflicts Committee with the Audit Committee. A copy of the Audit Committee's charter is available on our website (www.lime-energy.com) under the heading Investor Relations and subheading Corporate Governance.

Selection of Board Nominees

Our Governance and Nominating Committee is responsible for identifying and evaluating Board candidates using one or more informal processes deemed appropriate for the circumstances. All of our directors and executive officers play a significant role in bringing potential candidates to the attention of the Committee. A determination of whether to pursue discussions with a particular individual will be made after discussion by the Committee and may be

preceded by formal or informal discussions involving one or all of the other Board members. Information considered by the Committee may include information provided by the candidate, the chief executive officer and one or more Committee or Board members. The Committee seeks candidates whose

qualifications, experience and independence complement those of existing Board members. Board candidates are expected to possess high personal and professional ethics, integrity and values, and relevant business experience and to be committed to representing the long-term interests of all stockholders. They are also expected to have an inquisitive and objective perspective, practical wisdom and good judgment.

Once appropriate candidates have been identified, the Committee will recommend nominations to our Board. Our Governance and Nominating Committee has not adopted a policy or procedure for the consideration of director candidates recommended by stockholders. Our Board does not recall an instance in which a stockholder (other than a stockholder serving as an officer or director) has recommended a director candidate; however, the Governance and Nominations Committee will consider all timely stockholder recommendations. For the 2010 Annual Meeting of Stockholders, nominations may be submitted to the Corporate Secretary, Lime Energy Co., 1280 Landmeier Road, Elk Grove Village, Illinois 60007-2410, which will forward them to the Chairman of the Governance and Nominating Committee. Recommendations must be in writing, must specify the candidate's qualifications for serving as a director and must be received by us not later than December 8, 2009, in order for nominees to be considered for election at our 2010 Annual Meeting of Stockholders.

Codes of Conduct and Business Ethics

We have adopted a code of ethics as part of our compliance program. This code of ethics applies to our chief executive officer and our chief financial officer. In addition, we have a Code of Conduct and Business Ethics that applies to all of our officers, directors and employees. These codes of ethics are available on our website (www.lime-energy.com) under the heading Investor Relations and subheading Corporate Governance. We intend to post amendments to or waivers from the Code of Ethics which are applicable to our directors, principal executive officer and principal financial officer at this location on our website.

Changes in Control

We are not aware of any arrangements, including any pledge by any person of our stock, the operation of which may at a subsequent date result in a change of control of the Company.

Richard P. Kiphart, our chairman, increased his ownership position in our voting stock from approximately 29% on April 21, 2008 to approximately 53% on April 3, 2009. As a result, Mr. Kiphart is able to control us, the election and removal of the directors on our board of directors, and our management and policies. In addition, Mr. Kiphart also controls all matters regarding stockholder approval, including the amendment of our Certificate of Incorporation and By-Laws and the approval of fundamental corporate transactions. For a description of the transactions between Mr. Kiphart and us by which he assumed control of our Company, see Transactions with Related Persons, Promoters and Control Persons, below. Mr. Kiphart used personal funds in connection with his purchases of our securities.

Table of Contents**Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16 of the Securities Exchange Act of 1934 requires our directors and officers (as defined in Section 16) and persons who beneficially own greater than 10% of a registered class of our equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission. The required reports consist of initial statements on Form 3, statements of changes on Form 4 and annual statements on Form 5. Directors, officers and greater than 10% stockholders are required by Securities and Exchange Commission rules to furnish us with copies of all Section 16(a) reports filed. Based solely on our review of the reports we have received and on written representations from our officers who are reporting persons, we believe that during 2008 all Section 16 filing requirements applicable to our directors, officers and 10% beneficial owners were complied with by these persons, except that Mr. Parke filed one report late covering one transaction.

TRANSACTIONS WITH RELATED PERSONS, PROMOTERS AND CONTROL PERSONS

On March 12, 2008, we entered into a revolving credit note with ADVB and Richard P. Kiphart. This note was subsequently amended on June 10, 2008, August 14, 2008 and October 31, 2008 to increase the size of the note to \$19 million. On November 14, 2008, Mr. Kiphart converted his \$14.5 million note and accrued interest into 358,710 shares of Series A-1 preferred stock. Mr. Kiphart is our largest individual stockholder and the chairman of our Board of Directors. He was also the chairman of the board of Advanced Biotherapy, Inc., and owned the majority of the common stock of Advanced Biotherapy. Messrs. Capps and Valentine, who both serve as our directors, were also directors and stockholders of ADVB.

On July 11, 2008, we entered into an agreement with Mr. Kiphart, whereby Mr. Kiphart agreed to cause the issuance of certain letters of credit in an amount not to exceed \$10 million, to support the issuance of surety bonds required under certain customer contracts. The obligation to continue to provide support for new letters of credit will continue until the earlier of July 10, 2009 or the date on which we complete an offering of at least \$20 million. We have agreed to pay Mr. Kiphart a fee equal to 3-5/8% per annum on the average outstanding balance on letters of credit, or \$300,000, whichever is greater. In addition, we agreed to indemnify Mr. Kiphart for any claims under the letters of credit.

On November 13, 2008 we entered into subscription agreements with 15 investors to sell 1,787,893 units, each comprised of one share of our common stock and a warrant to purchase an additional quarter share of common stock. These investors included Richard P. Kiphart, David R. Asplund, Daniel W. Parke, Gregory T. Barnum, David Valentine and Jeffrey R. Mistarz, all of whom are our directors and/or officers. The sale price was \$3.51 per unit, which was equal to 75% of the volume-weighted average price of our common stock for the ten days prior to closing. The warrants allow holders to purchase a share of common stock for \$4.10 per share, which was the closing price of our common stock on the day prior to the closing, and the warrants are exercisable any time after May 13, 2009 and before November 13, 2011. The total gross proceeds raised in the private placement was \$6,275,500. The private placement closed in two tranches: tranche A, comprised of unaffiliated investors, closed on November 13, 2008 and raised \$3,000,500; and tranche B comprised of affiliated investors closed on January 30, 2009 and raised \$3,275,000. Proceeds from the Private Placement will be used for working capital purposes.

On November 14, 2008, we entered into a Preferred Stock Purchase Agreement with Richard P. Kiphart, under which we sold Mr. Kiphart 358,710 shares of our newly created Series A-1 preferred stock in exchange for his agreement to cancel a promissory note we issued in the then outstanding amount of \$14,707,104 (the

Recapitalization). The note bore interest at 17% per annum and would have matured on March 31, 2009. Each outstanding share of Series A-1 preferred stock is entitled to cumulative quarterly dividends at a rate of (i) 15% per annum of its stated value, which is \$41.00 per share, on or prior to March 31, 2009 (9% payable in cash and 6% payable in additional shares of Series A-1 preferred stock); and (ii) 17% per annum of its stated value at any time on or after April 1, 2009 (9% payable in cash and 8% payable in additional shares of Series A-1 preferred stock). The Series A-1 preferred stock is convertible into shares of common stock on a 10-for-1 basis anytime

Table of Contents

after December 31, 2009, subject to adjustment. Each share of Series A-1 preferred stock is currently entitled to 10 votes and the Series A-1 preferred stock votes along with the common stock. In connection with this Recapitalization, we removed \$14.7 million in liabilities from our balance sheet and treat the Series A-1 preferred stock as equity.

On November 18, 2008, we entered into a Stock Purchase Agreement with controlling stockholders of ADVB, pursuant to which we agreed to acquire 90.8% of the outstanding capital stock of ADVB at \$0.008625 per share in exchange for their shares of our common stock. Through a short-form merger, we offered the remaining ADVB stockholders the same consideration for their common stock. On March 3, 2009, we completed the merger and acquired ADVB. ADVB's assets included approximately \$7.4 million of cash and an \$800,000 note receivable. ADVB's assets also included a revolving credit note due by us, which had an outstanding balance of approximately \$52,000 as of the closing. We have cancelled revolving credit note. We do not intend to continue to operate ADVB's prior business. Messrs. Kiphart, Valentine and Capps were directors and shareholders of ADVB.

One of our subsidiary companies, Parke Industries, Incorporated, leases space in a building in Glendora, California that is owned by a company controlled by Dan Parke, our president and one of our directors. Total rent expense for this facility amounted to \$126,126 and \$78,371 for 2008 and 2007, respectively. We believe that the rates charged by Mr. Parke are reasonable in that they are equivalent to rates charged to other unaffiliated third parties in the building.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview of Executive Compensation Program

We have not had a formalized program for determining executive compensation. In fact, two of the three current executive officers (Messrs. Asplund and Parke) receive most of their compensation under written employment agreements that were negotiated in connection with their becoming our employees. In each of these instances, the Board of Directors approved the employment agreement and the terms were negotiated at the time in light of specific circumstances. However, in general, our executive officers have received compensation consisting of three components:

- a cash component, consisting of salary meant to be competitive with salaries such individuals could obtain from other employers;

- eligibility for annual cash bonuses determined by the Compensation Committee based on our performance; and

- stock options intended to reward achievement of long-term goals and align the interests of our executive officers with those of our stockholders.

In certain cases, we have provided automobile allowances to executives who are expected to use their cars for Company business. Executive officers participate in group health and disability insurance on the same basis as other full-time employees and certain executives were offered individual life and disability insurance policies as part of their hiring agreements.

Except as noted above with respect to the current employment agreements with Messrs. Asplund and Parke, the Compensation Committee of the Board of Directors makes all compensation decisions for our executive officers. Generally, compensation decisions for executive officers other than our chief executive officer have been made by the Compensation Committee pursuant to recommendations made by the CEO. We have recently retained the consulting firm of Towers Perrin to assist us in formalizing our executive compensation

Table of Contents

program and to help ensure our compensation program is consistent with current market practices. We believe that the new executive compensation program, once implemented, will serve as a framework for structuring the compensation of our other senior executives and managers.

Objectives of Compensation Program

Compensation of our executive officers is intended to reward improved overall financial performance of the Company, and to reward performance achievements and increases in stockholder value over the long term.

Annual salaries for executive officers have been established with the goal of attracting and retaining qualified individuals for the positions. These salaries have been determined on a case-by-case basis.

Eligibility for annual cash bonus awards has been based on our performance but not specific performance goals. The amount of bonus for which an individual is eligible for any year has been determined on a case-by-case basis.

Stock options awards are intended to reward achievement leading to increases in our profitability and stockholder value over the longer term. The amounts of awards have been determined on a case-by-case basis.

In order to reward superior short-term performance, cash compensation each year has included eligibility for a cash bonus in the discretion of the Compensation Committee, subject to approval of the Board.

To motivate executive officers to achieve the longer-term goal of increasing our profitability and stockholder value, and to reward them for achieving such long-term goals, stock options have been included as part of the compensation structure for our executive officers. Stock options also provide an increased opportunity for equity ownership by our executive officers, thereby further aligning their interest with those of our stockholders. Option grants have been made on a case-by-case basis. A typical stock option grant has been structured to have a ten year exercise period, to vest over a period of years, with vesting also depending upon the executive remaining employed by us, and to have an exercise price equal to the market price on the grant date. In certain cases, options have been granted at an exercise price higher than the market price. We have not granted options with an exercise price that is less than the market price on the grant date.

Stock price performance has not been a factor in determining annual compensation because the price of the common stock is subject to factors which may not reflect our performance and are outside of our control.

We do not have a formula for allocating between cash and non-cash compensation. The number of stock options awarded to an executive officer has been decided on a case-by-case basis taking into consideration other components of compensation, not pursuant to any specific guidelines or program. Most of the stock options we have awarded to executive officers have been pursuant to written employment agreements entered into when the executive joined us, or pursuant to extending such employment under a new written agreement.

Accounting and Tax Considerations

Our stock option grant policies have been impacted by the implementation of SFAS No. 123(R), which we adopted effective on January 1, 2006. Under this accounting pronouncement, we are required to value unvested stock options granted prior to our adoption of SFAS 123(R) under the fair value method and expense those amounts in the income statement over the stock option's remaining vesting period. As a result of adopting SFAS No. 123(R), \$3,783,525 and \$3,726,731 of share based compensation expense was included in the results for 2008 and 2007, respectively.

Current Executive Officers

We currently have four executive officers: David Asplund, our Chief Executive Officer, Daniel Parke, our President, John O'Rourke our Chief Operating Officer, and Jeffrey Mistarz our Chief Financial Officer.

Mr. O Rourke was appointed as our Chief Operating Officer in February 2009.

Table of Contents**Employment Contracts, Termination of Employment and Change-in-Control Arrangements***Messrs. Asplund, Mistarz and Parke*

We have employment agreements with each of our current named executive officers: David R. Asplund, Jeffery Mistarz, and Daniel Parke. These agreements fix each of the officer's minimum base compensation, and the current annual salary for each is as follows: Mr. Asplund \$285,000, Mr. Mistarz \$210,000 and Mr. Parke \$250,000. Each of these employment agreements terminates on December 31, 2010. In addition, Messrs. Asplund and Parke are entitled to monthly automobile allowances of \$550 and \$800, respectively.

Under their employment agreements, each of Messrs. Asplund, Mistarz and Parke are entitled to certain benefits if their employment terminates for certain reasons. If he should die during the term of his contract, all of his unvested stock options would immediately vest. In addition, all such stock options and any previously vested stock options would be exercisable for a period of one year following the date of death.

If any of Messrs. Asplund, Mistarz or Parke should become permanently disabled such that he could not perform his duties for 180 consecutive days or for 180 days in any period of 12 consecutive months, we would have the right to terminate his employment, then any stock options which were then already vested would be exercisable for a period of 180 days following such termination.

If any of Messrs. Asplund, Mistarz or Parke should terminate his employment during the term of the contract for reasons other than death, disability or uncured default by us under the agreement, then any vested stock options as of the date of termination shall be exercisable for 90 days following the date of termination.

If we should terminate any of the current named executive officers prior to the scheduled expiration of his respective contract, for any reason other than death, disability or Due Cause, as defined in the employment agreement, or if Messrs. Asplund, Mistarz or Parke should choose to terminate his employment because we defaulted in our obligations under the agreement and failed to cure such default after notice, then all unvested stock options that are scheduled to vest within one year of the date of termination will immediately vest. In addition, all such stock options and any previously vested stock options would be exercisable for a period of one year following the date of termination. Additionally, we will pay the terminated current named executive officer, as severance compensation, (i) six months salary at his then current rate, in installments in accordance with our regular payroll, plus (ii) any bonus earned as of the termination date, in accordance with the terms of such bonus, plus (iii) any accrued unused vacation, which will be paid on the next regular payroll date.

Due Cause is defined as any of (i) a material breach by the respective current named executive officer of his agreement not cured within 15 calendar days following written notice thereof, (ii) commission of a felony, or theft or embezzlement of our property, (iii) actions which result in material injury to our businesses, properties or reputation, (iv) refusal to perform or substantial neglect of the duties assigned to the respective officer not remedied within 15 calendar days following written notice thereof, or (v) any material violation of any statutory or common law duty of loyalty to us.

In addition to the foregoing, upon occurrence of a change of control, all stock options granted to Messrs. Asplund, Mistarz and Parke shall immediately vest and become exercisable. In general, a Change of Control is deemed to have occurred when (i) we are merged or consolidated with another entity that is not then controlled by us and an unrelated entity acquires the ability to elect a majority of our Board of Directors or holds a majority of our common stock, or (ii) in the case of Mr. Asplund, substantially all of our assets are sold or otherwise transferred to another entity that is not then controlled by or affiliated with us; and in the case of Messrs. Mistarz and Parke, a majority of our assets are sold or otherwise transferred to another entity that is not then controlled by or affiliated with us.

Each of the employment agreements of Messrs. Asplund and Mistarz imposes non-competition, non-solicitation and confidentiality obligations, which are not separately compensated. The non-competition obligation covers the employment period and extends for two years after termination. We, Parke Industries, LLC and Mr. Parke entered into a non-competition agreement that imposed on Mr. Parke non-competition obligations

Table of Contents

until June 30, 2008. This non-competition obligation is not separately compensated and was part of the consideration in the acquisition of Parke P.A.N.D.A. Corporation.

Potential Payments Upon Termination or Change In Control

The following table show potential payments to the current named executive officers under existing contracts, agreements, plans or arrangements, whether written or unwritten, for various scenarios involving a change-in-control or termination of employment assuming a December 31, 2008 termination date and, where applicable, using the closing price of our common stock of \$4.65 per share on that date.

Name	Voluntary Termination (1)	Involuntary Termination - Not For Cause (2)	Involuntary Termination - For Cause (3)	Change in Control (4)	Death (5)	Disability (5)
David R. Asplund	\$ 5,663	\$ 148,163	\$ 5,663	\$ 0	\$ 5,663	\$ 5,663
Jeffrey R. Mistarz	\$ 4,038	\$ 109,038	\$ 4,038	\$ 0	\$ 4,038	\$ 4,038
Daniel W. Parke	\$ 8,654	\$ 133,654	\$ 8,654	\$ 0	\$ 8,654	\$ 8,654

(1) None of the listed persons are entitled to more than accrued but unpaid salary and vacation upon a voluntary termination of their employment.

(2) Under the terms of their employment contracts, Messrs. Asplund, Mistarz and Parke are entitled to any accrued but unpaid salary and vacation as well as six months severance pay for an involuntary termination of their employment without cause.

(3) None of the listed persons are

entitled to more than accrued but unpaid salary and vacation upon an involuntary termination for cause.

- (4) None of the listed persons would be entitled to any payments upon a change of control unless they were involuntarily terminated without cause, but upon a change of control the unvested options held by Messrs. Asplund, Mistarz and Parke would immediately vest. As of December 31, 2008 the intrinsic value of executives options were as follows:

	Value*
David Asplund	\$69,000
Jeffrey Mistarz	51,750
Daniel Parke	86,250

* Calculated as the difference between the market value on December 31, 2008 of \$4.65 per share and the option strike price

- (5) None of the listed persons are entitled to more

than accrued but unpaid salary and vacation upon their death or permanent disability, but upon a upon such an event the unvested options held by Messrs. Asplund, Mistarz and Parke would immediately vest.

(1) The amounts represent 10 year option grants. In general 1/3 of each option grant vests one year after the grant date, 1/3 after two years, and 1/3 after three years. Any unexercised options expire after ten years. If a grantee dies any unvested options would terminate immediately, any vested options would be exercisable for a period of 12 months from the date of death. Upon a change of control in the Company, all options immediately vest and become exercisable. In most other instances of employment termination, including retirement and disability, all unvested option terminate upon termination of employment and vested options are exercisable for a period of

three months following termination of employment.

Stock Options and Incentive Compensation

On June 4, 2008, our stockholders approved the adoption of the 2008 Stock Incentive Plan (the "2008 Plan"), which replaced the 2001 Stock Incentive Plan, as amended. The 2008 Plan provided that up to 280,000 shares of our common stock could be delivered under the Plan to certain of our employees and to consultants and directors who are not employees. In addition, the 2008 Plan originally provided for an additional number of shares of our common stock to be reserved for issuance under the plan on January 1st of each succeeding year, beginning January 1, 2009, in an amount equal to 100,000 shares. On November 26, 2008, our Compensation Committee approved amendments to the 2008 Plan to i) increase the maximum number of shares of Common Stock authorized for issuance under the 2008 Plan by 350,000 shares, from 280,000 shares to 630,000 shares, and (ii) raise the automatic increases in the number of shares available for awards by 150,000 shares, from 100,000 to 250,000, each year beginning in 2009. The holders of a majority of our outstanding capital stock approved the Plan Amendment pursuant to a consent dated November 26, 2008.

The awards to be granted under the Plan may be incentive stock options eligible for favored treatment under Section 422 of the Internal Revenue code of 1986, as amended from time to time, or non-qualified options that are not eligible for such treatment, or stock of the Company, which may be subject to contingencies or restrictions, as well as grants of stock appreciation rights or grants of shares of common stock. Approximately 256 employees and officers of the Company and our subsidiaries are currently eligible to participate in the Plan.

As of December 31, 2008, there were 880,000 shares of common stock reserved under the Plan. We granted options to purchase 474,857 under the Plan during 2008, and options to purchase 573,815 shares were outstanding under the Plan as of December 31, 2008. During 2008 we issued options to purchase 41,567 shares outside of the Plan to employees and directors. 2008 grants to directors are described under "Directors Compensation."

PROPOSAL 2
ADOPTION OF AN AMENDMENT TO OUR CERTIFICATE OF INCORPORATION TO REDUCE
OUR AUTHORIZED CAPITAL STOCK AND COMMON STOCK

General

The Board of Directors has unanimously approved, subject to stockholder approval, an amendment to our Certificate of Incorporation to decrease our authorized number of shares of capital stock from 205,000,000 to 55,000,000 and our authorized number of shares of Common Stock from 200,000,000 to 50,000,000. No changes will be made to the number of authorized shares of our preferred stock, which is 5,000,000. If approved, the first sentence of Article 4 of our Certificate of Incorporation would be amended in its entirety to read as follows:

4. *Authorized Capital Stock.* The total number of shares of stock which the Corporation shall have authority to issue is 55,000,000, consisting of 50,000,000 shares of Common Stock, with a par value of \$.0001 per share, and 5,000,000 shares of Preferred Stock, with a par value of \$.01 per share (hereinafter, the *Capital Stock*).

As of April 3, 2009, we had:

13,050,817 shares of Common Stock issued and outstanding;

3,669,430 shares of Common Stock reserved for conversion of Series A-1 Preferred Stock;

2,504,555 shares of Common Stock reserved for issuance upon the exercise of outstanding options;

768,020 shares of Common Stock reserved for issuance upon the exercise of outstanding warrants;

714,286 shares of Common Stock reserved for issuance upon conversion of subordinated convertible notes;
and

1,291,540 shares of Common Stock reserved for issuance upon conversion of shares of Series A-1 Preferred Stock that may be issued during the next four years as dividends on the Series A-1 Preferred Stock.

As of April 3, 2009, we had 366,943 shares of Preferred Stock outstanding (potentially convertible into 3,669,430 shares of Common Stock after December 31, 2009, which shares of Common Stock are included in the preceding paragraph).

Purpose and Reasons for the Amendment

We believe that the number of shares of Common Stock that is currently authorized for issuance far exceeds the number of shares we are likely to issue in the near future. By reducing the number of authorized shares of our capital stock we will be able to reduce the franchise taxes we pay in Delaware by approximately \$90,000 per year.

- 21 -

Table of Contents

Principal Effects of the Amendment

By reducing the number of shares of Common Stock we are authorized to issue to 50,000,000 shares, we will reduce the number of unissued and unreserved shares from 178,017,250 shares to 28,017,250 shares. This reduction will limit our ability to issue shares in future periods. If in the future we need to issue more shares than are authorized in order to effect a transaction, such as an acquisition for stock or an equity offering, we will need to seek stockholder approval to increase the number of authorized shares. The delay in any transaction that would likely result from seeking such stockholder approval could impair our ability to close the transaction. However, we do not at this time anticipate any transaction or series of transactions that would likely require more shares than would be available if this Amendment is approved.

Vote Required

The affirmative vote of the holders of a majority of the outstanding shares of our Common Stock will be required to approve this Amendment to our Certificate of Incorporation. As a result, abstentions and broker non-votes will have the same effect as votes against the proposal.

**The Board of Directors recommends that the stockholders vote

**PROPOSAL 3
RATIFICATION OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM**

BDO Seidman, LLP, an independent registered public accounting firm, has been our independent auditor for many years, and is considered by management to be well qualified. The Board of Directors, at the recommendation of the Audit Committee, has recommended the appointment of BDO Seidman, LLP as our independent registered public accounting firm for fiscal year 2009, and our stockholders are asked to approve the appointment of BDO Seidman, LLP as our auditors for the year ending December 31, 2009.

You may cast your vote in favor of or against this proposal, or you may elect to abstain from voting your shares.

A representative of BDO Seidman, LLP is expected to be present at the Annual Meeting and will be given an opportunity to make a statement if he or she desires. The representative also will be available to respond to appropriate questions.

If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and our stockholders.

**The Board of Directors recommends that the stockholders vote
FOR**

**The ratification of the appointment of BDO Seidman, LLP as the Company's
independent registered public accounting firm for fiscal 2009.**

Table of Contents**AUDIT COMMITTEE DISCLOSURE****General**

The Audit Committee of the Board is primarily responsible for the oversight of the quality and integrity of our accounting and reporting practices and controls, and our financial statements and reports; compliance with legal and regulatory requirements; the independent auditors' qualifications and independence; and the performance of our internal audit function and independent auditors. A complete description of the Committee's function may be found in its charter, which may be accessed under the Corporate Governance section of our website, accessible through our Investor Relations page at www.lime-energy.com.

Independent Auditors' Fees

The Audit Committee, with the approval of the stockholders, engaged BDO Seidman, LLP to perform an annual audit of our financial statements for the fiscal year ended December 31, 2008. The following table summarizes the total fees paid to BDO, our principal accountant, for the audit of our annual financial statements for the years ended December 31, 2008 and December 31, 2007, and fees billed for other professional services provided during these periods:

Type of Fee	2008	2007
Audit fees (1)	\$ 300,246	\$ 211,543
Audit-related fees (2)	191,300	
Tax fees (3)	104,553	19,000
All other fees (4)		
Total	\$ 596,099	\$ 230,543

(1) Audit fees consist of fees for professional services rendered for the audit of our consolidated financial statements and review of our consolidated financial statements included in our quarterly reports and services normally provided by the independent auditor in connection with statutory and regulatory filings or engagements.

- (2) Audit-related fees are fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our consolidated financial statements, but not included in footnote (1) above. There were no audit-related fees for 2007.
- (3) Tax services fees consist of professional fees billed for products and services rendered by BDO for tax compliance, tax advice and tax planning. All of these fees were pre-approved by our Audit Committee.
- (4) All other fees consist of fees billed by BDO for services other than those listed in categories 1 thru 3 above. There were no other fees for 2008 or 2007.

Procedures for Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditor

Our Audit Committee charter requires the Audit Committee to pre-approve all audit and non-audit services provided by BDO. Each proposed engagement not specifically identified by the Securities and Exchange Commission as impairing independence is evaluated for independence implications prior to entering into a contract with the independent auditor for such services. Our Audit Committee considered whether the use of BDO's services other than for the annual audit and quarterly reviews in any way impairs their independence and has concluded that it does not. In both 2008 and 2007, these services were limited to tax fees related to tax compliance, advice and planning. No services were performed by BDO prior to receiving approval from the Audit Committee.

Table of Contents

We have been advised by BDO that substantially all of the work done in conjunction with its 2008 audit of our financial statements for the most recently completed year was performed by permanent, full-time employees and partners of BDO. We have received confirmation and a letter from BDO required by Independence Standards Board No. 1, and discussed with BDO its independence.

Report of the Audit Committee

The Audit Committee operates under a written charter adopted by the Board of Directors, which is reassessed periodically for adequacy by the Audit Committee. The directors who serve on the Audit Committee have no financial or personal ties to us (other than director compensation and equity ownership as described in this proxy statement) and are all independent for purposes of the Securities and Exchange Commission's regulations and the NASDAQ listing standards. The Board of Directors has determined that none of the Audit Committee members has a relationship with us that may interfere with the director's independence from the Company and our management.

The Audit Committee oversees our financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the consolidated financial statements and their reporting process, including the systems of internal controls. In fulfilling their oversight responsibilities, the Committee has reviewed and discussed with the independent auditors matters such as the quality (in addition to acceptability), clarity, consistency, and completeness of our financial reporting, as required by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended by Statement on Auditing Standards No. 90, Audit Committee Communications.

Management is responsible for our internal controls and the financial reporting process. BDO, our independent auditor, is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards. The Audit Committee's responsibility is to monitor and oversee these processes.

The Audit Committee has reviewed and discussed the audited financial statements contained in the 2008 Annual Report on Form 10-K and the Company's internal controls over financial reporting with the Company's management and its independent registered certified public accounting firm. The Audit Committee received from BDO the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding BDO's communications with the Audit Committee concerning independence, and has discussed with BDO the issue of its independence from the Company.

Based on the Audit Committee's review of the audited financial statements and its discussions with management and BDO noted above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2008. The Committee recommended to the Board of Directors the selection of BDO as the Company's independent auditor for the fiscal year ending December 31, 2009, and that the Board submit this appointment to the Company's stockholders for approval at the Annual Meeting.
