Item 8.01. Other Events.

On July 20, 2012, HSBC Bank Canada, on our behalf, paid US\$897,500 to the Government of India, through HSBC India, on a performance bank guarantee which we are required to post annually on Exploration Block RJ-ONN-2004/3 in favor of the Government of India. This performance bank guarantee reflects our 35% participating interest share of the minimum work program budgeted for the year ended March 31, 2012. On January 5, 2012, Oil India Limited, the operator, advised the Government of India of their intention to relinquish the block. The Government of India has called the performance bank guarantee on this exploration block as a payment towards the penalty of the unfinished minimum work program. Export Development Canada (EDC) provided the security on this performance bank guarantee to HSBC Bank Canada, on behalf of the Company, and the Company has agreed to fully indemnify EDC against all claims and demands made in respect of this performance bank guarantee.

On July 26, 2012, GeoGlobal Resources Inc. issued a press release announcing updates for its exploration blocks RJ-20 and RJ-21. The press release is attached hereto as Exhibit 99.1 and is incorporated by reference herein.
