Virgin Group Holdings Limited beneficially owns 6,894,732 shares of voting common stock of the Issuer (the "Voting Common Stock") and 6,852,738 shares of non-voting common stock of the Issuer (the "Non-Voting Common Stock," and, together with the Voting Common Stock, the "Common Stock"). In the aggregate, Virgin Group Holdings * Limited beneficially owns and has dispositive power over 13,747,470 shares of Common Stock. The ownership percentage set forth in Row 13 above is based on a total of 43,187,040 shares of Common Stock issued and outstanding as of the close of business on April 30, 2015. The 6,894,732 shares of Voting Common Stock set forth in Row 7 above represent approximately 19.0% of the 36,334,302 shares of Voting Common Stock issued and outstanding as of the close of business on April 30, 2015.

To comply with restrictions imposed by federal law on foreign ownership of U.S. airlines, the Issuer's amended and restated certificate of incorporation and amended and restated bylaws restrict voting of shares of its capital stock by non-U.S. citizens. The restrictions imposed by federal law currently require that no more than 24.9% of its voting stock be voted, directly or indirectly, by persons who are not U.S. citizens, and that no more than 49.9% of its outstanding stock be owned (beneficially or of record) by persons who are not U.S. citizens. The Issuer's amended and restated certificate of incorporation provides that no shares of its capital stock may be voted by or at the direction of non-U.S. citizens unless such shares are registered on a separate stock record, which the Issuer refers to as the foreign stock record. The Issuer's amended and restated bylaws further provide that no shares of its capital stock will be registered on the foreign stock record if the amount so registered would exceed the foreign ownership restrictions imposed by federal law. The Issuer's amended and restated bylaws also provide that any transfer or issuance of Common Stock that would cause the amount of our stock owned by persons who are not U.S. citizens to exceed foreign ownership restrictions imposed by federal law will be void and of no effect.

Holders of Non-Voting Common Stock are entitled to receive dividends, if any, as may be declared from time to time by the Issuer's Board of Directors out of legally available funds ratably with shares of Voting Common Stock, subject to preferences that may be applicable to any then outstanding preferred stock and limitations under Delaware law.

Shares of Non-Voting Common Stock are not entitled to vote on any matters submitted to a vote of the stockholders, including the election of directors, except to the extent required under Delaware law.
