THE COMPANY

HCA Inc. is a holding company whose affiliates own and operate hospitals and related health care entities. The term "affiliates" includes our direct and indirect subsidiaries and partnerships and joint ventures in which our subsidiaries are partners. As of June 30, 2001, these affiliates owned and operated 185 hospitals and 75 freestanding surgery centers and provided extensive outpatient and ancillary services. Our affiliates are also partners in several 50/50 joint ventures that own and operate nine hospitals and three freestanding surgery centers which are accounted for using the equity method. Our facilities are located in 24 states, England and Switzerland.

Our primary objective is to provide a comprehensive array of quality health care services in the most cost-effective manner possible. Our hospitals provide a full range of medical services including such medical specialties as internal medicine, general surgery, cardiology, oncology, neurosurgery, orthopedics and obstetrics, as well as diagnostic and emergency services. We also provide outpatient and ancillary health care services at both our general, acute care hospitals and at our freestanding outpatient surgery and diagnostic centers, and rehabilitative facilities. In addition, we operate psychiatric hospitals which generally provide a full range of mental health care services in inpatient, partial hospitalization and outpatient settings.

We were formed in January 1990 as a Nevada corporation and reincorporated in Delaware in September 1993. Our principal executive offices are located at One Park Plaza, Nashville, Tennessee 37203, and our telephone number at that address is (615) 344-9551.

AGREEMENTS WITH SELLING STOCKHOLDER

We have borrowed an aggregate of \$500 million from the selling stockholder pursuant to a loan agreement among us, the selling stockholder, as lender, and Toronto Dominion (Texas), Inc., as administrative agent. The loan agreement provides for a \$350 million term loan and a \$150 million revolving credit loan. We are obligated to make quarterly interest payments on these loans at a rate equal to LIBOR plus 125 basis points and to repay the principal of the loans on April 30, 2003. If an event of default occurs under the loan agreement or our loan repayment obligations thereunder are otherwise accelerated, then to the extent necessary to satisfy our obligations under the loan agreement, the selling stockholder may elect to sell up to 16,776,193 shares of our common stock that we would otherwise be entitled to receive. Following our payment at maturity, prepayment or collateralization of our obligations under the loan agreement, we may direct the selling stockholder to sell up to 16,776,193 shares of our common stock that we would otherwise be entitled to receive and pay the proceeds to us. In connection with the loan agreement, we entered into a registration rights agreement to maintain an effective registration statement so as to facilitate such a sale under this prospectus.

USE OF PROCEEDS

The selling stockholder will use the proceeds from the sale of the shares offered pursuant to this prospectus to the extent necessary to satisfy our obligations under the loan agreement. Any remaining proceeds are required to be

Edgar Filing: HCA INC/TN - Form S-3

delivered to us, and we will use them for general corporate purposes.

SELLING STOCKHOLDER

Canadian Investments LLC holds 16,776,193 shares of our common stock as of the date of this prospectus. The number of shares to be sold under this prospectus will be decided by us or will be based on the number of shares required to satisfy our obligations under the loan agreement with the selling stockholder, as lender, following an event of default or other acceleration by the selling stockholder of our loan repayment obligations under the loan agreement. It is not anticipated that the selling stockholder would continue to hold any shares of our common stock following the satisfaction of our obligations under the loan agreement. See "Agreements with Selling Stockholder."

PLAN OF DISTRIBUTION

We are registering 16,776,193 shares on behalf of the selling stockholder named above. As used in this prospectus, the term "selling stockholder" includes the donees, transferees or others who may hold the selling stockholder's interests. The selling stockholder may sell the shares from time to time in one or more transactions.

The sales may be made on any national securities exchange or quotation service on which the shares may be listed at the time of sale or in the over-the-counter market or otherwise, at prices and at terms then prevailing or at prices related to the then current market price, or in privately negotiated transactions. The selling stockholder may effect such transactions by selling the shares to or through underwriters, broker-dealers or agents. The shares may be sold by one or more of, or a combination of, the following:

- a block trade in which the broker-dealer so engaged will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by such broker-dealer for its account pursuant to this prospectus;
- an exchange distribution in accordance with the rules of such exchange;
- ordinary brokerage transactions and transactions in which the broker solicits purchasers;
- in privately negotiated transactions; and
- in underwritten offerings.

To the extent required, this prospectus may be amended or supplemented from time to time to describe a specific plan of distribution. In addition, any securities covered by this prospectus which qualify for sale pursuant to Rule 144 promulgated under the Securities Act may be sold under Rule 144 rather than pursuant to this prospectus.

Broker-dealers or agents may receive compensation in the form of commissions, discounts or concessions from the selling stockholder. Broker-dealers or agents may also receive compensation from the purchasers of the shares for whom they act as agents or to whom they sell as principals, or both. Compensation as to a particular broker-dealer might be in excess of customary commissions and will be in amounts to be negotiated in connection with the sale. Broker-dealers or agents and any other participating broker-dealers or

Edgar Filing: HCA INC/TN - Form S-3

the selling stockholder may be deemed to be "underwriters" within the meaning of Section 2(a)(11) of the Securities Act in connection with the sale of shares. Accordingly, any such commission, discount or concession received by them and any profit on resale of the shares purchased by them may be deemed to be underwriting discounts or commissions under the Securities Act.

The selling stockholder has advised us that it has not entered into any agreements, understandings or arrangements with any underwriters or broker-dealers regarding the sale of the shares covered by this

5

7

prospectus. There is no underwriter or coordinating broker acting in connection with the proposed sale of shares by the selling stockholder. The shares will be sold through registered or licensed brokers or dealers if required under applicable state securities laws. In addition, in certain states the shares may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and complied with. We will make copies of this prospectus available to the selling stockholder and have informed the selling stockholder of the need for delivery of copies of this prospectus to purchasers or to the New York Stock Exchange, as applicable, at or prior to the time of any sale of the shares.

We will file a supplement to this prospectus, if required, pursuant to Rule 424(b) under the Securities Act upon being notified by the selling stockholder that any material arrangement has been entered into with a broker-dealer for the sale of shares through a block trade, special offering, exchange distribution or secondary distribution or a purchase by a broker or dealer or through an underwritten offering. Such supplement will disclose:

- the name of the selling stockholder and of the participating broker-dealer(s);
- the number of shares involved;
- the price at which such shares will be offered for sale;
- the commissions to be paid or discounts or concessions to be allowed to such broker-dealer(s), where applicable; and
- other facts material to the transaction.

Our registration rights agreement with the selling stockholder provides for our indemnification of the selling stockholder and its directors and officers, the underwriters and controlling persons of the selling stockholder or the underwriters against liabilities in connection with the offer and sale of the shares of our common stock, including liabilities under the Securities Act, and requires us to contribute to payments that such persons or entities may be required to make in respect of such liabilities.

We will bear all costs, expenses and fees in connection with the registration of the shares offered pursuant to this prospectus. The selling stockholder will bear all commissions and discounts, if any, attributable to the sales of its shares, unless we direct the selling stockholder to sell the shares, in which case we will pay any such commissions.

ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Our Restated Certificate of Incorporation, as amended (which we will refer to as our Restated Certificate of Incorporation), provides that we will indemnify and hold harmless, to the fullest extent authorized by the Delaware General Corporation Law (which we will refer to as the DGCL), each person who was or is made or is threatened to be made a party to, or is involved in, any actual or threatened action, suit or proceeding by reason of the fact that he or she was a director or officer (or was serving at our request as a director, officer, employee or agent for another entity).

Under Section 145 of the DGCL, a corporation may indemnify a director, officer, employee or agent of the corporation against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation. In connection with a criminal proceeding, a corporation may indemnify any director, officer, employee or agent who had no reasonable cause to believe his or her conduct was unlawful. In actions brought by or in the right of a corporation, however, the DGCL does not allow indemnification if the person shall have been adjudged to be liable to the corporation. However, a court may find that, in light of all circumstances, the person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper.

Our Restated Certificate of Incorporation provides that, to the fullest extent permitted by the DGCL, a director shall not be liable to us or our

Edgar Filing: HCA INC/TN - Form S-3

stockholders for monetary damages for breach of fiduciary duty as a director. The DGCL permits these limitations of a director's liability, but does not permit a corporation to eliminate or limit a director's liability for the following:

- breaches of the director's duty of loyalty to the corporation or its stockholders;
- acts or omissions not in good faith or involving intentional misconduct or known violations of law;
- the payment of unlawful dividends or unlawful stock purchases or redemptions; or
- transactions in which the director received an improper personal benefit.

We are insured against liabilities that we may incur by reason of our indemnification of officers and directors in accordance with our Restated Certificate of Incorporation. We also insure directors and officers against liabilities that might arise out of their employment and are not subject to indemnification under our Restated Certificate of Incorporation.

ITEM 17. UNDERTAKINGS.

The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent

Edgar Filing: HCA INC/TN - Form S-3

post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (i) and (ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

II-2

10

(5) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
