ITEM 5 Other Events.

Effective at 11:59 p.m., New York City time, on July 31, 2002, Cumulus Media Inc. changed its state of incorporation from Illinois to Delaware. The change in Cumulus Media's state of incorporation was approved by its shareholders at its annual meeting of shareholders held on June 14, 2002.

The reincorporation in the state of Delaware was accomplished by merging Cumulus Media Inc., an Illinois corporation, with and into its wholly-owned subsidiary, Cumulus Media Inc., a Delaware corporation, referred to as Cumulus Delaware, which was the surviving corporation in the merger. Prior to the merger, Cumulus Delaware had no assets or liabilities other than nominal assets or liabilities. The reincorporation will not result in any change in Cumulus Media's name, business, assets or liabilities; will not cause its corporate headquarters or other facilities to be moved; and will not result in any relocation of management or other employees.

Stockholders are not required to exchange their shares for those of the newly reincorporated Cumulus Media. Previously issued certificates automatically represent an equal number of shares in the Delaware corporation. Cumulus Media's common stock is deemed to be registered under Section 12(g) of the Securities Exchange Act of 1934, as amended, by operation of Rule 12g-3 thereunder.

The full text of the press release describing the reincorporation is set forth in Exhibit 99.1 attached hereto.
