**Unaudited Pro Forma Financial Information**

The following unaudited pro forma condensed consolidated balance sheet as of December 28, 2002 presents our combined financial position assuming the sale of certain assets of Mrs. Smith's Bakeries' frozen dessert business to The Schwan Food Company (the transaction) had been completed on that date. The following unaudited pro forma condensed consolidated income statements for the 52 weeks ended December 28, 2002, December 29, 2001 and December 30, 2000 presents our combined results of operations assuming that the transaction had been completed on January 2, 2000. In the opinion of management, these statements include all material adjustments necessary to reflect, on a pro forma basis, the impact of the transaction on the historical financial information of the Company. The adjustments set forth in the Pro Forma Adjustments column are described in the Notes to Unaudited Pro Forma Condensed Consolidated Financial Information.

Following the transaction, the Company will consist of Flowers Foods Bakeries Group, LLC, our producer and marketer of fresh packaged bakery products and Flowers Foods Specialty Group, LLC, our producer and marketer of frozen bakery products and fresh bakery snack products. Consequently, the financial statements of the Company will consist of the historical financial statements of the Company, with Mrs. Smith's Bakeries' frozen dessert business presented as a discontinued operation. Accordingly, the following unaudited pro forma financial information reflects the exclusion of the assets and liabilities disposed of and the results of operations of Mrs. Smith's Bakeries' frozen dessert business.

Our unaudited pro forma condensed consolidated financial information should be read in conjunction with the consolidated financial statements and the related notes contained in our Form 10-K for the fiscal year ended December 28, 2002 as filed with the Securities and Exchange Commission on March 28, 2003. Our unaudited pro forma condensed consolidated financial information has been presented for informational purposes only and does not reflect the results of operations or financial position of the Company that would have existed had we operated without the Mrs. Smith's Bakeries' frozen dessert business for the periods presented and should not be relied upon as being indicative of our future results after the transaction.

# Edgar Filing: FLOWERS FOODS INC - Form 8-K

## Notes to Unaudited Pro Forma Condensed Consolidated Financial Information (Amounts in Thousands)

- (a) Reflects the separation of the assets and liabilities of the Mrs. Smith's Bakeries' frozen dessert business sold to The Schwan Food Company that are included in the Company's consolidated balance sheet as of December 28, 2002.
- (b) Reflects the payment of the Company's senior secured credit facility as required by such facility upon consummation of the transaction, capital lease obligations, related interest and certain other liabilities. Proceeds from the transaction of \$231.6 million, as well as a portion of the Company's cash holdings were used for this payment.
- (c) In connection with the transaction, an estimate of the various transaction and other costs are as follows. Approximately \$26.1 million of these costs will be reported in discontinued operations in fiscal year 2003.

Investment banking fees	\$ 1,870
Legal and accounting fees	1,400
Deferred financing costs	4,600(1)
Lease breakage fees	4,800
Settlement of interest rate swap	5,500
Separation and severance	4,800(2)
System license transfer fees	1,600
Indemnification insurance premium	2,700
Other	500
	<hr/>
Total	\$27,770
	<hr/>

- (1) Represents a non-cash write-off of deferred financing costs.

- (2) Total cash payments for separation and severance was approximately \$5.8 million, of which \$1.0 million was already accrued in the Company's liabilities.

As a result of the sale, the Company expects to record a loss of approximately \$21.2 million, (net of a \$13.4 million tax benefit) which includes the transaction costs detailed above and approximately \$4.2 million, net of tax, resulting from the sale of the assets.

- (d) Represents the settlement of the interest rate swap at December 28, 2002. The cash payment of this settlement is included in the liabilities discussed in footnote (b) above.
- (e) Represents the exclusion of the results of operations of the Mrs. Smith's Bakeries' frozen dessert business that are included in the Company's consolidated statements of income for the periods presented.
- (f) Reflects the change in interest expense as a result of the payment of the Company's senior secured credit facility and capital lease obligations.

A 1/8% change in the interest rates used to calculate the change in interest expense in the respective pro forma condensed consolidated statements of income would yield the following pro forma net income (loss) from continuing operations:

	<u>Increase 1/8%</u>	<u>Decrease 1/8%</u>
52 weeks ended December 28, 2002	\$ 43,379	\$43,591
52 weeks ended December 29, 2001	\$ 9,757	\$10,242
52 weeks ended December 30, 2000	\$(10,667)	\$(9,531)

- (g) For fiscal 2002 and fiscal 2001, adjustment reflects the Company's pro forma tax rate at 38.5%, which historically approximates its rate during profitable years. For fiscal 2000, the adjustment approximates the effective tax rate of 28% for that year.
- (h) Reflects a reclassification to income from operations an extraordinary gain on early extinguishment of debt of \$3.9 million, net of tax, pursuant to Statement of Financial Accounting Standards No. 145, Recission of FASB Statements No. 4, 44 and 64, Amendment of FASB Statement No. 13, and Technical Corrections.
