**Item 2.02. Results of Operations and Financial Condition.**

On May 3, 2005, Performance Food Group Company, a Tennessee corporation, issued a press release announcing its earnings results for the fiscal quarter ended April 2, 2005, the text of which is furnished herewith as Exhibit 99.1.

The press release furnished herewith as Exhibit 99.1 includes a discussion of net earnings per share diluted for Performance Food Group Company's continuing operations as well as its discontinued Fresh-cut segment operations, in each case, excluding the impact from the discontinuation of depreciation and amortization for the Fresh-cut segment beginning on February 23, 2005 in accordance with generally accepted accounting principles. Performance Food Group Company's management believes that the inclusion of this information provides investors with a more comparable comparison of its per share diluted earnings for the quarter ended April 2, 2005 when compared to the quarter ended April 3, 2004.
