DOUGLAS ELLIMAN REALTY, LLC AND SUBSIDIARIES
 NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
 DECEMBER 31, 2006

 (in thousands of dollars)

1. BASIS OF PRESENTATION

PRINCIPLES OF CONSOLIDATION

The consolidated financial statements include the accounts of Douglas Elliman Realty, LLC, formerly Montauk Battery Realty, LLC, a New York limited liability company, and its wholly-owned subsidiaries (the "Company"). All significant intercompany balances and transactions have been eliminated in consolidation.

NATURE OF OPERATIONS

Edgar Filing: VECTOR GROUP LTD - Form 10-K/A

The Company is primarily engaged in the real estate brokerage business through its principal subsidiaries, Douglas Elliman, LLC ("Douglas Elliman"), a residential real estate brokerage company based in New York, New York and its Long Island based operations, B&H Associates of New York, LLC and B&H of the Hamptons, LLC, both of which conduct business as Prudential Douglas Elliman Real Estate ("Prudential Douglas Elliman"). The Company is also engaged in property management through its subsidiary, Residential Management Group, LLC, which conducts business as Douglas Elliman Property Management ("DEPM").

ORGANIZATION

On October 15, 2002, Montauk Battery Realty, LLC was formed to consolidate the ownership of the then Company's operating entities, B&H Associates of New York, LLC and B&H of the Hamptons, LLC, under one company, which was completed on December 19, 2002. On March 14, 2003, the Company acquired Douglas Elliman and DEPM and, on May 19, 2003, Montauk Battery Realty, LLC changed its name to Douglas Elliman Realty, LLC.

In October 2004, upon receipt of required regulatory approvals, the Company purchased all of the interest in Burr Enterprises Ltd., which conducts business as Preferred Empire Mortgage Company ("Preferred"). Preferred is a mortgage broker.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

CASH AND CASH EQUIVALENTS

The Company considers all highly liquid financial instruments with an original maturity of less than three months to be cash equivalents.

AGENCY ACCOUNTS

DEPM, acting as an agent for its managed properties, manages cash held in separate trust bank accounts in the name of the owners. The cash represents net collections made for the accounts of the owners of managed properties in connection with the services rendered by DEPM. At December 31, 2006, such cash was approximately \$40,000. Since this cash is not an asset of the Company, it is not included in the accompanying statement of financial position.

Edgar Filing: VECTOR GROUP LTD - Form 10-K/A

(in thousands of dollars)

PROPERTY AND EQUIPMENT

Property, equipment and leasehold improvements are stated at cost. Maintenance and repairs are charged to expense as incurred; costs of major additions and betterments are capitalized. When property and equipment are sold or otherwise disposed of, the cost and related accumulated depreciation are eliminated from the accounts and any resulting gain or loss is reflected in other income.

Depreciation is provided on the straight line method over the estimated useful lives of the related assets. The cost of leasehold improvements is amortized over the lesser of the length of the related leases or the estimated useful lives of the improvements.

LONG-LIVED ASSETS

If there is an event or a change in circumstances that indicates the basis of the Company's long-lived assets may not be recoverable, the Company's policy is to assess any impairment in value by making a comparison of the current and projected operating cash flows of the asset over its remaining useful life, on an undiscounted basis and without interest charges, to the carrying value of the asset. Such carrying amounts would be adjusted, if necessary, to reflect an impairment in the value of the assets. There were no such impairment charges in 2006.

GOODWILL AND TRADEMARKS

In accordance with Statement of Financial Accounting Standards No. 142, "Goodwill and Other Intangible Assets" ("SFAS No. 142"), the Company does not amortize goodwill and trademarks, which are deemed to have an indefinite useful life. The Company assesses goodwill and trademarks for impairment using fair value measurement techniques on an annual basis. Based on such annual review, no impairment adjustment is required.

OTHER INTANGIBLE ASSETS

Other intangible assets consist primarily of management contracts. Amortization of management contracts is being provided over fifteen years.

DEFERRED FINANCING CHARGES

Deferred financing charges consist primarily of professional fees related to the acquisition of new financing and the restructuring of the Company's debt obligations. These are being amortized over the life of the related debt obligations.

REVENUE RECOGNITION

Real estate and mortgage commissions earned by the Company's real estate brokerage business are recorded as revenue on a gross basis upon the closing of a real estate transaction (i.e., the purchase or sale of a home). Property management fees earned by DEPM are recorded as revenue when the related services are performed.

ADVERTISING COSTS

Edgar Filing: VECTOR GROUP LTD - Form 10-K/A

Advertising costs are expensed as incurred and are included in operating expenses.

12

DOUGLAS ELLIMAN REALTY, LLC AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2006

(in thousands of dollars)

INCOME TAXES

The Company is a limited liability company. The members of a limited liability company are taxed on their proportionate share of the Company's taxable income. Accordingly, no provision or liability for federal income taxes is included in the financial statements, except for Preferred Empire Mortgage which is taxed as a C Corporation. Preferred's income tax expense includes \$517 of current tax expense and \$22 of deferred tax expense, of which \$383 is federal tax expense, and \$156 is state and local tax expense. Taxes for New York City operations of \$601 are included in the financial statements as New York City does not follow federal tax regulations for limited liability companies.

FAIR VALUE OF FINANCIAL INSTRUMENTS

The fair value of a financial instrument represents the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced sale or liquidation. Significant differences can arise between the fair value and carrying amount of financial instruments that are recognized at historical amounts.

The carrying amounts of the Company's cash and cash equivalents, accounts receivable, accounts payable and other current liabilities approximate fair value because of their short maturity. The carrying value of the Company's long-term debt approximates fair value because the underlying instruments are variable interest rate notes. The fair value of the Company's subordinated debt approximates \$21,600 at December 31, 2006.

3. PROPERTY AND EQUIPMENT

Property and equipment at December 31, 2006 consist of the following:

	2006

Edgar Filing: VECTOR GROUP LTD - Form 10-K/A

	----- 39,299 -----
Less, accumulated depreciation and amortization	(19,761) -----

The estimated useful life of furniture, fixtures and office equipment at December 31, 2006 ranges from five to ten years. Computer software has an estimated useful life of three to five years, and automobiles have a life of six years. Depreciation expense for the year ended December 31, 2006 was \$5,138. Computer software had a net book value of \$1,711 at December 31, 2006, and the related amortization expense included in the above was \$658 for the year then ended.

 NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
 DECEMBER 31, 2006

 (in thousands of dollars)

ACQUISITION TERM NOTE PAYABLE - PREFSA:

In connection with the acquisition of Douglas Elliman and DEPM, Prudential Real Estate Financial Services of America, Inc. (PREFSA) lent the Company \$52,500 of Senior Secured Debt, maturing in 2011 (the "Term Note"). The Term Note bears interest at prime rate (8.25% at December 31, 2006) plus 2% and is collateralized by substantially all the assets of the Company. The Term Note provides for monthly payments of 3% of gross revenues of Douglas Elliman and Prudential Douglas Elliman prior to March 15, 2005 and 4.5% thereafter so long as the Term Note is outstanding. The payments based on gross revenues are applied first to interest and then to outstanding principal. Additional principal payments are due on June 1 of each year in the amount equal to 60% of the Company's Excess Cash Flow, which is defined in the Term Note loan agreement as the prior year's net income plus cash proceeds received from asset sales and depreciation and amortization expense, less cash capital expenditures, principal payments on notes payable and capital leases (excluding the revolving note facility discussed below), and tax distributions made to the Company's members. The Term Note includes covenants that, among other things, require the Company to meet certain financial ratios, limit the Company's ability to incur debt, and limit capital expenditures.

SUBORDINATED NOTES PAYABLE -- PREFSA AND NEW VALLEY:

In connection with the acquisition of Douglas Elliman and DEPM, PREFSA and New Valley each lent the Company \$9,500 of subordinated debt, due 2013 (the "Subordinated Debt"). The Subordinated Debt is subordinate to

Edgar Filing: VECTOR GROUP LTD - Form 10-K/A

the Term Note and bears interest at 12% per annum, of which 10% is payable in cash and 2% accrues and is added to the principal amount. Interest added to the principal balance in 2006 was \$387. In connection with the issuance of the Subordinated Debt, PREFSA and New Valley each acquired additional membership interests representing a 15% fully-diluted interest in the Company. Based on an appraisal conducted by a third party, the Company valued those membership interests at \$2,500 and recorded this amount as a reduction to the principal amount of the Subordinated Debt. The Company is amortizing the value of these membership interests over the term of the Subordinated Debt. The amount amortized to interest expense for the year ended December 31, 2006 was \$224. Principal payments are due on June 1 of each year in an amount equal to 20% of the Company's Excess Cash Flow computed in the same manner as defined in the Term Note loan agreement.

FRANCHISE TERM NOTES PAYABLE:

In December 2002, The Prudential Real Estate Affiliates, Inc. ("PREA" or the "Franchiser"), an affiliate of PREFSA, lent Prudential Douglas Elliman \$3,300 bearing interest at 9% per annum and due in annual installments of principal and interest of \$514 through 2012.

In March 2003, PREA lent Douglas Elliman \$1,250 bearing interest at 8% per annum and due in annual installments of principal and interest of \$186 through 2013.

REVOLVING LOAN FACILITY:

In March 2003, the Company and PREFSA entered into a revolving loan facility for \$5,000, available until September 2006. Borrowings under the facility bore interest at prime rate plus 1.5% and were collateralized by substantially all the assets of the Company. This facility has not been renewed.

The principal amount is due on June 1 of each year in the amount equal to approximately 8.29% of the Company's Excess Cash Flow, which is computed in the same manner as defined in the Term Loan agreements, provided New Valley receives an equal payment and PREFSA receives a proportionate payment, each as a return of capital.

7. FRANCHISE AGREEMENT AND ROYALTY FEES

Douglas Elliman is party to a franchise agreement with PREA entered into in March 2003. The agreement provides for Douglas Elliman to make monthly payments of royalty fees to PREA based on the level of gross revenue, with a royalty rate ranging from 1.8% to 6.0% of gross revenues earned. Pursuant to the franchise agreement, Douglas Elliman was granted a 25% deferral of applicable royalty fees for 2006, which is payable in monthly installments, beginning in the first month of the fourth year. A balance of \$2,013 was accrued at December 31, 2006 of which \$322 is included in accrued expenses, with the remainder in long-term accrued royalties. The royalty percentage was 1.90% for the year ended December 31, 2006. The agreement also provides for Douglas Elliman to remit advertising and annual franchise fees to PREA, which are based on gross revenues and the number of offices occupied.

Prudential Douglas Elliman is party to a franchise agreement with PREA entered into in December 2002. The Agreement provides for Prudential Douglas Elliman to make monthly payments of royalty fees to PREA based on 2.24% of gross revenues earned for the first five years and on a scale ranging from 1.8% to 6.0% of gross revenues earned thereafter. The agreement also provides for Prudential Douglas Elliman to remit advertising and annual franchise fees, which are based on gross revenues and the number of offices occupied.

For the year ended December 31, 2006, total fees incurred under the franchise agreements amounted to approximately \$5,892.

The Franchiser has significant rights over the use of the franchised service marks and the conduct of the brokerage companies' business. The franchise agreements require the companies to coordinate with the Franchiser on significant matters relating to their operations, including the opening and closing of offices, make substantial royalty payments to the Franchiser and contribute significant amounts to national advertising funds maintained by the Franchiser, indemnify the Franchiser against losses arising out of the operations of their business under the franchise agreements and maintain standards and comply with guidelines relating to their operations which are applicable to all franchisees of the Franchiser's real estate franchise system.

The Franchiser has the right to terminate Douglas Elliman's and Prudential Douglas Elliman's franchises, upon the occurrence of certain events, including a bankruptcy or insolvency event, a change in control, a transfer of rights under the franchise agreement and a failure to promptly pay amounts due under the franchise agreements.

The franchise agreements grant Douglas Elliman and Prudential Douglas Elliman exclusive franchises in New York for the counties of Nassau and Suffolk on Long Island and for Brooklyn, Queens and Manhattan, subject to various exceptions and to meeting certain annual revenue thresholds. If Douglas Elliman or Prudential Douglas Elliman fails to achieve these levels of revenues for two consecutive years or otherwise materially breaches the franchise agreements, the Franchiser would have the right to terminate the applicable brokerage company's exclusivity rights.

A termination of Douglas Elliman's or Prudential Douglas Elliman's franchise agreement could have a material adverse affect on the Company.

8. DEFINED CONTRIBUTION PLANS

Douglas Elliman, Prudential Douglas Elliman and DEPM sponsor individual 401(k) plans which allow eligible employees to make pre-tax contributions. The plans provide for matching employer contributions of 10% of employee contributions up to a maximum annual contribution of \$12 per employee. Participants are immediately vested in their contributions made. Matching contributions for the year ended December 31, 2006 amounted to \$371.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2005

(in thousands of dollars)

1. BASIS OF PRESENTATION

Principles of Consolidation

The consolidated financial statements include the accounts of Douglas Elliman Realty, LLC, formerly Montauk Battery Realty, LLC, a New York limited liability company, and its wholly-owned subsidiaries (the "Company"). All significant intercompany balances and transactions have been eliminated in consolidation.

Nature of Operations

The Company is primarily engaged in the real estate brokerage business

Edgar Filing: VECTOR GROUP LTD - Form 10-K/A

through its principal subsidiaries, Douglas Elliman, LLC ("Douglas Elliman"), a residential real estate brokerage company based in New York, New York and its Long Island based operations, B&H Associates of New York, LLC and B&H of the Hamptons, LLC, both of which conduct business as Prudential Douglas Elliman Real Estate ("Prudential Douglas Elliman"). The Company is also engaged in property management through its subsidiary, Residential Management Group, LLC, which conducts business as Douglas Elliman Property Management ("DEPM").

Organization

On October 15, 2002, Montauk Battery Realty, LLC was formed to consolidate the ownership of the then Company's operating entities, B&H Associates of New York, LLC and B&H of the Hamptons, LLC, under one company, which was completed on December 19, 2002. On March 14, 2003, the Company acquired Douglas Elliman and DEPM and, on May 19, 2003, Montauk Battery Realty, LLC changed its name to Douglas Elliman Realty, LLC.

In October 2004, upon receipt of required regulatory approvals, the Company purchased all of the interest in Burr Enterprises Ltd., which conducts business as Preferred Empire Mortgage Company ("Preferred"). Preferred is a mortgage broker.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Estimates. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents. The Company considers all highly liquid financial instruments with an original maturity of less than three months to be cash equivalents.

26

Property and Equipment. Property, equipment and leasehold improvements are stated at cost. Maintenance and repairs are charged to expense as incurred; costs of major additions and betterments are capitalized. When property and equipment are sold or otherwise disposed of, the cost and related accumulated depreciation are eliminated from the accounts and any resulting gain or loss is reflected in other revenues.

Depreciation is provided on the straight line method over the estimated useful lives of the related assets. The cost of leasehold improvements is amortized over the lesser of the length of the related leases or the estimated useful lives of the improvements.

Goodwill and Trademarks. In accordance with Statement of Financial

Edgar Filing: VECTOR GROUP LTD - Form 10-K/A

Accounting Standards No. 142, "Goodwill and Other Intangible Assets" ("SFAS No. 142"), the Company does not amortize goodwill and trademarks, which are deemed to have an indefinite useful life. The Company assesses goodwill and trademarks for impairment using fair value measurement techniques on an annual basis. Based on such annual review, no impairment adjustment is required.

Other intangible assets. Other intangible assets consist primarily of management contracts. Amortization of management contracts is being provided over fifteen years.

Deferred Financing Charges. Deferred financing charges consist primarily of professional fees related to the acquisition of new financing and the restructuring of the Company's debt obligations in March 2003. These are being amortized on a straight-line basis over the life of the related debt obligations which approximates amortization expense under the effective interest method.

Revenue Recognition. Real estate commissions earned by the Company's real estate brokerage business are recorded as revenue on a gross basis upon the closing of a real estate transaction (i.e., the purchase or sale of a home). Property management fees earned by DEPM are recorded as revenue when the related services are performed.

Advertising Costs. Advertising costs are expensed as incurred and are included in operating expenses.

Income Taxes. The Company is a limited liability company. The members of a limited liability company are taxed on their proportionate share of the Company's taxable income. Accordingly, no provision or liability for federal income taxes is included in the financial statements, except for Preferred Empire Mortgage which is taxed as a C Corporation. Taxes for New York City operations are included in the financial statements as New York City does not follow federal tax regulations for limited liability companies.

3. ACQUISITIONS IN 2005

The Company acquired the interest of several real estate offices in four transactions for an aggregate purchase price of \$1,415. The results of their operations are included in the consolidated financial statements from the dates of acquisition. The Company's acquisition objective was to leverage its position in the real estate brokerage business in the New York metropolitan area.

The acquisitions have been accounted for in accordance with SFAS No. 141, "Business Combinations". The cost of the acquisitions was allocated to the assets acquired and liabilities assumed based on estimates of their respective fair values at the date of acquisition, which approximated their book values. The costs of the acquisitions were allocated to goodwill for

Edgar Filing: VECTOR GROUP LTD - Form 10-K/A

\$1,248, to fixed assets for \$2, and to listings for \$165. The purchases were primarily funded from the Company's operations, and the Company issued a note for \$733 for one of the real estate transactions. Goodwill acquired is amortizable over 15 years for U.S. income tax purposes. Pro forma information has not been presented because the net impact of the acquisitions would not have been significant to the Company's Consolidated Financial Statements.

Acquisition Term Note Payable - PREFSA:

In connection with the acquisition of Douglas Elliman and DEPM, Prudential Real Estate Financial Services of America, Inc. (PREFSA) lent the Company \$52,500 of Senior Secured Debt, maturing in 2011 (the "Term Note"). The Term Note bears interest at prime rate (7.25% at December 31, 2005) plus 2% and is collateralized by substantially all the assets of the Company. The Term Note provides for monthly payments of 3% of gross revenues of Douglas Elliman and Prudential Douglas Elliman prior to March 15, 2005 and 4.5% thereafter so long as the Term Note is outstanding. The payments based on gross revenues are applied first to interest and then to outstanding principal. Additional principal payments are due on June 1 of each year in the amount equal to 60% of the Company's Excess Cash Flow, which is defined in the Term Note loan agreement as the prior year's net income plus cash proceeds received from asset sales and depreciation and amortization expense, less cash capital expenditures, principal payments on notes payable and capital leases (excluding the revolving note facility discussed below), and tax distributions made to the Company's members. The Term Note includes covenants that, among other things, require the Company to meet certain financial ratios, limit the Company's ability to incur debt, and limit capital expenditures.

Edgar Filing: VECTOR GROUP LTD - Form 10-K/A

Subordinated Notes Payable - PREFSA and New Valley:

In connection with the acquisition of Douglas Elliman and DEPM, PREFSA and New Valley each lent the Company \$9,500 of subordinated debt, due 2013 (the "Subordinated Debt"). The Subordinated Debt is subordinate to the Term Note and bears interest at 12% per annum, of which 10% is payable in cash and 2% accrues and is added to the principal amount. Interest added to the principal balance in 2005 was \$389. In connection with the issuance of the Subordinated Debt, PREFSA and New Valley each acquired additional membership interests representing a 15% fully-diluted interest in the Company. Based on an appraisal conducted by a third party, the Company valued those membership interests at \$2,500 and recorded this amount as a reduction to the principal amount of the Subordinated Debt. The Company is amortizing the value of these membership interests over the term of the Subordinated Debt. The amount amortized to interest expense for the year ended December 31, 2005 was \$172. Principal payments are due on June 1 of each year in an amount equal to 20% of the Company's Excess Cash Flow computed in the same manner as defined in the Term Note loan agreement.

Franchise term notes payable:

In December 2002, The Prudential Real Estate Affiliates, Inc. ("PREA" or the "Franchiser"), an affiliate of PREFSA, lent Prudential Douglas Elliman \$3,300 bearing interest at 9% per annum and due in annual installments of principal and interest of \$514 through 2012.

The principal amount is due on June 1 of each year in the amount equal to approximately 8.29% of the Company's Excess Cash Flow, which is computed in the same manner as defined in the Term Loan agreements, provided New Valley receives an equal payment and PREFSA receives a proportionate payment, each as a return of capital.

service marks and the conduct of the brokerage companies' business. The franchise agreements require the companies to coordinate with the Franchiser on significant matters relating to their operations, including the opening and closing of offices, make substantial royalty payments to the Franchiser and contribute significant amounts to national advertising funds maintained by the Franchiser, indemnify the Franchiser against losses arising out of the operations of their business under the franchise agreements and maintain standards and comply with guidelines relating to their operations which are applicable to all franchisees of the Franchiser's real estate franchise system.

The Franchiser has the right to terminate Douglas Elliman's and Prudential Douglas Elliman's franchises, upon the occurrence of certain events, including a bankruptcy or insolvency event, a change in control, a transfer of rights under the franchise agreement and a failure to promptly pay amounts due under the franchise agreements. A termination of Douglas Elliman's or Prudential Douglas Elliman's franchise agreement could have a material adverse affect on the Company.

The franchise agreements grant Douglas Elliman and Prudential Douglas Elliman exclusive franchises in New York for the counties of Nassau and Suffolk on Long Island and for Brooklyn, Queens and Manhattan, subject to various exceptions and to meeting certain annual revenue thresholds. If Douglas Elliman or Prudential Douglas Elliman fails to achieve these levels of revenues for two consecutive years or otherwise materially breaches the franchise agreements, the Franchiser would have the right to terminate the applicable brokerage company's exclusivity rights. A loss of these rights could have a material adverse affect on the Company.

9. DEFINED CONTRIBUTION PLANS

Douglas Elliman, Prudential Douglas Elliman and DEPM sponsor individual 401(k) plans which allow eligible employees to make pre-tax contributions. Employees who have completed one year of service, as defined, are eligible to participate in the plans. The plans provide for matching employer contributions of 10% of employee contributions up to a maximum annual contribution of \$12 per employee. Participants are immediately vested in their contributions made. Matching contributions for the year ended December 31, 2005 amounted to \$305.

DOUGLAS ELLIMAN REALTY, LLC AND SUBSIDIARIES
 NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
 (DOLLARS IN THOUSANDS)
 DECEMBER 31, 2004

1. BASIS OF PRESENTATION

- PRINCIPLES OF CONSOLIDATION

Edgar Filing: VECTOR GROUP LTD - Form 10-K/A

The consolidated financial statements include the accounts of Douglas Elliman Realty, LLC, formerly Montauk Battery Realty, LLC, a New York limited liability company, and its wholly-owned subsidiaries (the "Company"). All significant intercompany balances and transactions have been eliminated in consolidation.

NATURE OF OPERATIONS

The Company is primarily engaged in the real estate brokerage business through its principal subsidiaries, Douglas Elliman, LLC ("Douglas Elliman"), a residential real estate brokerage company based in New York, New York and its Long Island based operations, B&H Associates of New York, LLC and B&H of the Hamptons, LLC, both of which conduct business as Prudential Douglas Elliman Real Estate ("Prudential Douglas Elliman"). The Company is also engaged in property management through its subsidiary, Residential Management Group, LLC, which conducts business as Douglas Elliman Property Management ("DEPM").

ORGANIZATION

On October 15, 2002, Montauk Battery Realty, LLC was formed to consolidate the ownership of the then Company's operating entities, B&H Associates of New York, LLC and B&H of the Hamptons, LLC, under one company, which was completed on December 19, 2002. On March 14, 2003, the Company acquired Douglas Elliman and DEPM and, on May 19, 2003, Montauk Battery Realty, LLC changed its name to Douglas Elliman Realty, LLC.

In October 2004, upon receipt of required regulatory approvals, the Company purchased all of the interest in Burr Enterprises Ltd., which conducts business as Preferred Empire Mortgage Company ("Preferred"). Preferred is a mortgage broker, and the seller is a former officer of the Company. See Notes 3 and 4.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

ESTIMATES. The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

CASH AND CASH EQUIVALENTS. The Company considers all highly liquid financial instruments with an original maturity of less than three months to be cash equivalents.

Edgar Filing: VECTOR GROUP LTD - Form 10-K/A

PROPERTY AND EQUIPMENT. Property, equipment and leasehold improvements are stated at cost. Maintenance and repairs are charged to expense as incurred; costs of major additions and betterments are capitalized. When property and equipment are sold or otherwise disposed of, the cost and related accumulated depreciation are eliminated from the accounts and any resulting gain or loss is reflected in other income.

Depreciation is provided on the straight line method over the estimated useful lives of the related assets. The cost of leasehold improvements is amortized over the lesser of the length of the related leases or the estimated useful lives of the improvements.

GOODWILL AND TRADEMARKS. In accordance with Statement of Financial Accounting Standards No. 142, "Goodwill and Other Intangible Assets" ("SFAS No. 142"), the Company does not amortize goodwill and trademarks, which are deemed to have an indefinite useful life. The Company assesses goodwill and trademarks for impairment using fair value measurement techniques on an annual basis.

OTHER INTANGIBLE ASSETS. Other intangible assets consist primarily of non-compete agreements and management contracts. Amortization of non-compete agreements is being provided over the contractual term, generally three years or less. Amortization of management contracts is being provided over fifteen years.

DEFERRED FINANCING CHARGES. Deferred financing charges consist primarily of professional fees related to the acquisition of new financing and the restructuring of the Company's debt obligations in March 2003. These are being amortized over the life of the related debt obligations.

REVENUE RECOGNITION. Real estate commissions earned by the Company's real estate brokerage business are recorded as revenue on a gross basis upon the closing of a real estate transaction (i.e., the purchase or sale of a home). Property management fees earned by DEPM are recorded as revenue when the related services are performed.

ADVERTISING COSTS. Advertising costs are expensed as incurred and are included in operating expenses.

INCOME TAXES. The Company is a limited liability company. The members of a limited liability company are taxed on their proportionate share of the Company's taxable income. Accordingly, no provision or liability for federal income taxes is included in the financial statements. Taxes for New York City operations are included in the financial statements as New York City does not follow federal tax regulations for limited liability companies.

Edgar Filing: VECTOR GROUP LTD - Form 10-K/A

3. ACQUISITION OF DOUGLAS ELLIMAN AND DEPM

On March 14, 2003, the Company acquired from Insignia Financial Group, Inc. ("Insignia") the operations of Douglas Elliman and DEPM and related trademarks for \$67,250 cash, \$175 in closing costs and the assumption of up to \$4,000 of liabilities. The results of their operations are included in the consolidated financial statements from the date of acquisition. The Company's acquisition objective was to leverage and expand its position in the real estate brokerage business in the New York metropolitan area.

Douglas Elliman was founded in 1911 and is one of Manhattan's leading residential real estate brokers, specializing in the high-end of the sales and rental marketplaces. Douglas Elliman has twelve New York City offices with more than 1,100 real estate brokers. DEPM is a leading manager of rental, co-op and condominium housing in the New York metropolitan area. DEPM provides full service third-party fee management for approximately 250 properties, representing approximately 50,000 units in New York City, Nassau County, Northern New Jersey and Westchester County.

To fund the acquisition, the Company borrowed \$71,500 from two of its members, Prudential Real Estate Financial Services of America, Inc. ("PREFSA") and New Valley Corporation ("New Valley"). PREFSA lent the Company \$52,500 of senior secured debt and PREFSA and New Valley each lent the Company \$9,500 of subordinated debt. In connection with the issuance of the subordinated debt, PREFSA and New Valley each acquired additional membership interests representing a 15% fully diluted interest in the Company. Based on an appraisal conducted by an independent third party, the Company valued these additional membership interests at \$2,500 and recorded this amount as a reduction to the principal amount of the subordinated debt. The Company is amortizing the value of these membership interests over the term of the subordinated debt.

The acquisition of Douglas Elliman and DEPM has been accounted for in accordance with SFAS No. 141, "Business Combinations". The cost of acquisition was allocated to the assets acquired and liabilities assumed based on estimates of their respective fair values at the date of acquisition. Fair values were determined by an independent third-party appraisal.

LIABILITIES	
Accounts payable and accrued expenses	\$ 6,407

Total	\$76,907

The Company assesses intangible assets for impairment using fair value measurement techniques on an annual basis. In accordance with SFAS No. 142, the Company does not amortize goodwill and trademarks, which are deemed to have an indefinite useful life. Douglas Elliman amortized the entire amount of the acquired customer-based intangible assets of \$4,057 in the year ended December 31, 2003. DEPM is amortizing management contracts over 15 years. This represents the expected period of benefit from such assets. For U.S. income tax purposes, the Company and Insignia elected to treat the acquisition of Douglas Elliman, DEPM and the related trademarks as an asset acquisition. As a result, the entire amount of intangible assets is amortizable over 15 years for U.S. income tax purposes.

4. ACQUISITIONS IN 2004

The Company acquired the interest of Preferred for a purchase price of \$2,363, and the interest of several real estate offices in four transactions for an aggregate purchase price of \$1,230. The results of their operations are included in the consolidated financial statements from the dates of acquisition. The Company's acquisition objective was to leverage its position in the real estate brokerage business in the New York metropolitan area.

The acquisitions have been accounted for in accordance with SFAS No. 141, "Business Combinations". The cost of the acquisitions was allocated to the assets acquired and liabilities assumed based on estimates of their respective fair values at the date of acquisition, which approximated their book values. The costs of the acquisitions were allocated to goodwill for \$2,357, to fixed assets for \$330, and to other assets for \$906. The purchases were primarily funded from the Company's operations, and the Company issued a note for \$300 for one of the real estate transactions. Goodwill acquired is amortizable over 15 years for U.S. income tax purposes.

DECEMBER 31, 2004

ACQUISITION TERM NOTE PAYABLE - PREFSA:

In connection with the acquisition of Douglas Elliman and DEPM, PREFSA lent the Company \$52,500 of Senior Secured Debt, maturing in 2011 (the "Term Note"). The Term Note bears interest at prime rate plus 2% and is collateralized by substantially all the assets of the Company. The Term Note provides for monthly payments of 3% of gross revenues of Douglas Elliman and Prudential Douglas Elliman prior to March 15, 2005 and 4.5% thereafter so long as the Term Note is outstanding. The payments based on gross revenues are applied first to interest and then to outstanding principal. Additional principal payments are due on June 1 of each year in the amount equal to 60% of the Company's Excess Cash Flow, which is defined in the Term Note loan agreement as the prior year's net income plus cash proceeds received from asset sales and depreciation and amortization expense, less cash capital expenditures, principal payments on notes payable and capital leases (excluding the revolving note facility discussed below), and tax distributions made to the Company's members. The Term Note includes covenants that, among other things, require the Company to meet certain financial ratios, limit the Company's ability to incur debt, and limit capital expenditures.

SUBORDINATED NOTES PAYABLE - PREFSA AND NEW VALLEY:

In connection with the acquisition of Douglas Elliman and DEPM, PREFSA and New Valley each lent the Company \$9,500 of subordinated debt, due 2013 (the "Subordinated Debt"). The Subordinated Debt is subordinate to the Term Note and bears interest at 12% per annum, of which 10% is payable in cash and 2% accrues and is added to the principal amount. Interest added to the principal balance in 2004 was \$392. In connection with the issuance of the Subordinated Debt, PREFSA and New Valley each acquired additional membership interests representing a 15% fully-diluted interest in the Company. Based on an appraisal conducted by an independent third party, the Company valued those membership interests at \$2,500 and recorded this amount as a reduction to the principal amount of the Subordinated Debt. The Company is amortizing the value of these membership interests over the term of the Subordinated Debt. The amount amortized to interest expense for the year ended December 31, 2004 was \$172. Principal payments are due on June 1 of each year in an amount equal to 20% of the Company's Excess Cash Flow computed in the same manner as defined in the Term Note loan agreement.

10. FRANCHISE AGREEMENT AND ROYALTY FEES

Douglas Elliman is party to a franchise agreement with PREA entered into in March 2003. The agreement provides for Douglas Elliman to make monthly payments of royalty fees to PREA based on the level of gross revenue, with a royalty rate ranging from 1.8% to 6.0% of gross revenues earned. Pursuant to the franchise agreement, Douglas Elliman was granted a 50% deferral of applicable royalty fees for 2004, which is payable in monthly installments beginning in the first month of the fourth year. A balance of \$1,394 was accrued at December 31, 2004. The royalty percentage was 2.07% for the year ended December 31, 2004. The agreement also provides for Douglas Elliman to remit advertising and annual franchise fees to PREA, which are based on gross revenues and the number of offices occupied.

 DECEMBER 31, 2004

Prudential Douglas Elliman is party to a franchise agreement with PREA entered into in December 2002. The Agreement provides for Prudential Douglas Elliman to make monthly payments of royalty fees to PREA based on 2.24% of gross revenues earned for the first five years and on a scale ranging from 1.8% to 6.0% of gross revenues earned thereafter. The agreement also provides for Prudential Douglas Elliman to remit advertising and annual franchise fees, which are based on gross revenues and the number of offices occupied.

For the year ended December 31, 2004, total fees incurred under the franchise agreements amounted to approximately \$4,515.

The Franchiser has significant rights over the use of the franchised service marks and the conduct of the brokerage companies' business. The franchise agreements require the companies to coordinate with the Franchiser on significant matters relating to their operations, including the opening and closing of offices, make substantial royalty payments to the Franchiser and contribute significant amounts to national advertising funds maintained by the Franchiser, indemnify the Franchiser against losses arising out of the operations of their business under the franchise agreements and maintain standards and comply with guidelines relating to their operations which are applicable to all franchisees of the Franchiser's real estate franchise system.

The Franchiser has the right to terminate Douglas Elliman's and Prudential Douglas Elliman's franchises, upon the occurrence of certain

Edgar Filing: VECTOR GROUP LTD - Form 10-K/A

events, including a bankruptcy or insolvency event, a change in control, a transfer of rights under the franchise agreement and a failure to promptly pay amounts due under the franchise agreements. A termination of Douglas Elliman's or Prudential Douglas Elliman's franchise agreement could have a material adverse affect on the Company.

The franchise agreements grant Douglas Elliman and Prudential Douglas Elliman exclusive franchises in New York for the counties of Nassau and Suffolk on Long Island and for Brooklyn, Queens and Manhattan, subject to various exceptions and to meeting certain annual revenue thresholds. If Douglas Elliman or Prudential Douglas Elliman fails to achieve these levels of revenues for two consecutive years or otherwise materially breaches the franchise agreements, the Franchiser would have the right to terminate the applicable brokerage company's exclusivity rights. A loss of these rights could have a material adverse affect on the Company.

11. DEFINED CONTRIBUTION PLANS

Douglas Elliman, Prudential Douglas Elliman and DEPM sponsor individual 401(k) plans which allow eligible employees to make pre-tax contributions. Employees who have completed one year of service, as defined, are eligible to participate in the plans. The plans provide for matching employer contributions of 10% of employee contributions up to a maximum annual contribution of \$12 per employee. Participants are immediately vested in their contributions made. Matching contributions for the years ended December 31, 2004 amounted to \$252.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
December 31, 2006
(UNAUDITED)

1. PURPOSE AND ORGANIZATION

a. Formation

KOA Investors, LLC and Subsidiaries (the "Company") was formed as a Delaware limited liability company on November 17, 1999. The Company was formed to acquire a mortgage note and foreclose on the note for the purpose of owning, developing and operating a hotel resort in Keauhou, Hawaii (the "Hotel").

The Hotel contains 521 guest rooms, cabana style dining services, and a multi-level pool with a poolside grill and bar. The Hotel renovation was completed in January 2005. The Company has engaged Starwood Hotels & Resorts Worldwide, Inc. ("Starwood") as its exclusive managing agent to operate the Hotel.

Edgar Filing: VECTOR GROUP LTD - Form 10-K/A

Pursuant to the operating agreement, the Company will continue in existence until the earlier of December 31, 2051 or upon the decision of the Decision Members, as defined, to terminate the Company.

b. Contributions

The operating agreement (the "Agreement") provides for contributions generally based upon each member's ownership interest. In 2006, \$1,850,000 of capital was called by the Company, \$1,836,740 of the capital call was received in 2006 and \$13,260 was received in January 2007.

c. Distributions

Cash available for distribution, as defined in the Agreement, is distributed in accordance with the contributions made until the members have received a 12% return on their contributions and have been returned all contributions; thereafter incentive distributions may be earned by some of the members subject to achievement of certain returns, as defined, in the Agreement. As of December 31, 2006 unpaid returns were approximately \$3,988,000.

d. Income and Losses

Generally, income and losses are allocated in such a manner as to cause each member's capital account to equal the cash distribution each would receive based upon a hypothetical liquidation at the Company's book basis.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. Consolidation

The consolidated financial statements of KOA Investors, LLC include the accounts of KOA Hotel Member, LLC a wholly owned subsidiary formed on August 1, 2005 as a Delaware limited liability company which is the mezzanine loan borrower and KOA Hotel, LLC, a wholly owned subsidiary formed on May 2, 2001 as a Delaware limited liability company which is the mortgage borrower. All significant intercompany transactions have been eliminated.

b. Cash and Cash Equivalents

Cash and cash equivalents include cash in banks and overnight

Edgar Filing: VECTOR GROUP LTD - Form 10-K/A

investments that at various times during the year exceed Federally insured limits. Cash and cash equivalents exceeded Federally insured limits by \$1,225,046 at December 31, 2006. The Company believes it mitigates this risk by banking with high credit institutions.

c. Accounts Receivable

Accounts receivable consists of the receivables for guest for guest rooms and other services. Accounts receivable does not bear interest and is evaluated periodically by collectibility. The Company establishes an allowance for doubtful accounts, based on a percentage of the aged accounts receivable throughout the year.

d. Inventories

Inventories, comprised primarily of food, beverage and hotel operating supplies, are stated at the lower cost or market. Cost is determined by the first-in, first-out method.

e. Leasehold Interest, Improvements and Personal Property

Leasehold interest, improvements and personal property are stated at cost. Buildings, improvements and furnishings and equipment are depreciated using the straight-line method over their estimated useful lives. Significant improvements and betterments are capitalized. Maintenance and repairs are charged to expense as incurred.

The estimated useful lives are as follows:

Buildings and improvements	39 years
Land improvements	15 years
Furnishings and equipment	5 years

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

e. Leasehold Interest, Improvements and Personal Property
(continued)

On a periodic basis, management assesses whether there are any indicators that the value of the real estate and personal property may be impaired. The value is impaired only if management's estimate of the aggregate future cash flows (undiscounted and without interest charges) generated by the Hotel is less than the carrying value of the assets. Any impairment losses would be measured primarily by comparing management's analysis of estimated future cash flows generated

Edgar Filing: VECTOR GROUP LTD - Form 10-K/A

by the Hotel discounted at an appropriate rate, to the carrying value of the asset. Management does not believe that the value of any of its real estate and personal property is impaired.

f. Deferred Financing Costs

Costs incurred in obtaining financing or interest cap agreements are amortized over the term of the related debt.

g. Deferred Ground Rent

Base rental expense on the Company's ground lease is recognized ratably over its non-cancelable term. The difference between the ground rent recognized using the straight-line method and the ground rent in accordance with the lease is reflected as deferred ground rent payable on the balance sheets.

h. Revenue Recognition

Revenues are recognized when services are rendered. The Company receives deposits for events and rooms. Such deposits are deferred and included in accounts payable and accrued expenses in the accompanying balance sheets. The amounts are charged to income when the specific event takes place.

i. Income Taxes

No provision or benefit for income taxes has been included in the financial statements because as a limited liability company, the Company is generally not subject to Federal or state income taxes. The effects of the Company's activities accrue directly to the members.

j. Advertising

Advertising and marketing costs are expensed as incurred.

k. Use of Estimates

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America ("GAAP"), requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Actual results could differ from those estimates.

3. ACCOUNTS RECEIVABLE

Approximately 13% of accounts receivable at December 31, 2006 were from one customer.

4. MORTGAGE NOTES

The Company entered into a loan agreement with Lehman Brothers Bank, FSB, pursuant to an 82,000,000 mortgage note payable (the "Note") dated August 1, 2005. The Note bears interest only at the LIBOR rate plus 2.65% (LIBOR was 5.32% at December 31, 2006). The note matures on August 9, 2008 and has two 1-year extension options under terms defined in the loan agreement. The note is secured by the Company's property.

On August 10, 2006 the Lehman Brothers Bank, FSB bifurcated the original note by reducing it by \$26,000,000 and creating a second note (the "Mezz Note"). The Mezz Note bears interest only at the LIBOR rate plus 3.149% (LIBOR was 5.32% at December 31, 2006). The note matures on August 9, 2008 and has two 1-year extension options under terms defined in the loan agreement. The note is secured by the Company's property.

The Notes required the Company to purchase an interest cap agreement on the entire outstanding principal to mitigate its interest risk. The agreement caps the LIBOR rate at 5.5% per annum. On August 10, 2006, in connection with the bifurcation of the Note, the interest cap agreement was amended to cover both notes under the same terms. The cap agreement was deemed to have a nominal value at December 31, 2006.

The Company entered into a cash management agreement that specifies the priority of application of cash receipts. In addition, the Company was required to fund certain escrows for the ground lease, insurance, property taxes and a reserve for replacements.

The Notes also provide for the maintenance of minimum debt service coverage ratios beginning in March 2007.

The Note provides for prepayment penalties ranging from 1.5% if prepaid before February 9, 2007 and to 1% if prepaid before February 9, 2008; thereafter there is no fee.

The Mezz Note provides for prepayment penalties ranging from 1% if prepaid before February 9, 2007; thereafter there is no fee.

5. GROUND LEASE

In connection with the acquisition of the property, the Company assumed two ground leases. On December 20, 2002, the Company entered into a lease escrow agreement, which modified and combined the provisions of the ground lease.

5. GROUND LEASE (continued)

As of December 31, 2006, the minimum amounts payable under the terms of the ground lease for the next five years and in the aggregate thereafter, are as follows:

2007	\$	12,000

The Company is also obligated to pay to the ground lessor percentage rent, as stipulated in the original ground lease agreement, once the Hotel begins operations. As of December 31, 2006, no percentage rent has been paid or accrued.

The Company incurred ground rent expense of approximately \$1,141,000 in 2006.

6. RELATED PARTY TRANSACTIONS

Due to Affiliates

Due to affiliates represents advances from affiliates of the Company through common control to finance short-term cash flow requirements of the Company. The advance is non-interest bearing and due on demand.

Loan Payable to Affiliate

During 2006, approximately \$3,357,000 was loaned to the Company by an affiliate of the Company in order to pay for operating expenses. The balance will be repaid when cash flow permits. The loan bears interest at prime as published in the Wall Street Journal (8.25% at December 31, 2006). Total interest incurred on this loan was approximately \$57,527 in 2006.

Asset Management Fees

Upon completion of the renovation of the Hotel, the asset management fee was reduced, by amendment, to \$120,000 per annum.

For the year ended December 31, 2006, the Company incurred asset

management fees in the amount of \$120,000.

7. COMMITMENTS AND CONTINGENCIES

Management Fees

On December 20, 2002, the Company entered into a management agreement (the "Management Agreement") with Sheraton Operating Corporation ("Starwood"), which requires Starwood to provide managerial and promotional services for the Hotel. The Management Agreement has an operating term of two (2) periods of five (5) years each, as more fully described in the Management Agreement.

Starwood has the option to renew the Management Agreement for two successive terms of five years each. The Management Agreement consists of a base management fee equal to 2% of the gross operating revenue of the Hotel, as defined for the first 12 months after the Hotel opens, 2.5% for the subsequent 12 months and 3% thereafter. In addition, the Management Agreement provides for an incentive fee equal to 15% of operating income in excess of a threshold, as defined. Management fees in the amount of \$577,208 and \$484,980 were incurred for the year ended December 31, 2006.

In accordance with the terms of the Management Agreement, the Company also reimburses Starwood for services including payroll and benefits, insurance, marketing, advertising, promotion, sales, reservation services and other charges. Management fees and other Starwood services payable at December 31, 2006 was approximately \$577,673.

1. PURPOSE AND ORGANIZATION

A. FORMATION

Koa Investors, LLC (the "Company") was formed as a Delaware limited liability company on November 17, 1999. The Company was formed to acquire a mortgage note and foreclose on the note for the purpose of owning, developing and operating a hotel resort in Keauhou, Hawaii (the "Hotel").

The Hotel contains 521 guest rooms, cabana style dining services, and a multi-level pool with a poolside grill and bar. The Hotel renovation was completed in January 2005. The Company has engaged Starwood Hotels & Resorts Worldwide, Inc. ("Starwood") as its exclusive managing agent to operate the Hotel.

Pursuant to the operating agreement, the Company will continue in existence until the earlier of December 31, 2051 or upon the decision of the Decision Members, as defined, to terminate the Company.

B. CONTRIBUTIONS

The operating agreement (the "Agreement") provides for contributions generally based upon each member's ownership interest.

C. DISTRIBUTIONS

Cash available for distribution, as defined in the Agreement, is distributed in accordance with the contributions made until the members have received a 12% return on their contributions and have been returned all contributions; thereafter incentive distributions may be earned by some of the members subject to achievement of certain returns, as defined, in the Agreement. As of December 31, 2005 unpaid returns were approximately \$1,289,553.

D. INCOME AND LOSSES

Generally, income and losses are allocated in such a manner as to cause each member's capital account to equal the cash distribution each would receive based upon a hypothetical liquidation at the Company's book basis.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. CASH AND CASH EQUIVALENTS

Edgar Filing: VECTOR GROUP LTD - Form 10-K/A

Cash and cash equivalents include cash in banks and overnight investments that at various times during the year exceed Federally insured limits. The Company believes it mitigates this risk by banking with high credit institutions.

B. ACCOUNTS RECEIVABLE

Accounts receivable consists of the receivables for guest rooms and other services. Accounts receivable does not bear interest and is evaluated periodically by collectibility. The Company establishes an allowance for doubtful accounts, based on a percentage of the aged accounts receivable throughout the year.

C. INVENTORIES

Inventories, comprised primarily of food, beverage and hotel operating supplies, are stated at the lower cost or market. Cost is determined by the first-in, first-out method.

D. RESTRICTED ASSETS

Restricted assets at December 31, 2005 consisted primarily of amounts held in escrow related to interest, insurance and property taxes.

E. REAL ESTATE UNDER DEVELOPMENT

All costs incurred in connection with the acquisition, development and construction of the Hotel were capitalized. The Hotel was completed in January 2005.

F. LEASEHOLD INTEREST, IMPROVEMENTS AND PERSONAL PROPERTY

Leasehold interest, improvements and personal property are stated at cost. Buildings, improvements and furnishings and equipment are depreciated using the straight-line method over their estimated useful lives. Significant improvements and betterments are capitalized. Maintenance and repairs are charged to expense as incurred.

The estimated useful lives are as follows:

Buildings and improvements	39 years
Land improvements	15 years
Furnishings and equipment	5 years

On a periodic basis, management assesses whether there are any indicators that the value of the real estate and personal property may be impaired. The value is impaired only if management's estimate of the aggregate future cash flows (undiscounted and without interest charges) generated by the Hotel is less than the carrying value of the assets. Any impairment losses would be measured primarily by comparing management's analysis of estimated future cash flows generated by the Hotel discounted at an appropriate rate, to the carrying value of the asset. Management does not believe that the value of any of its real estate and personal property is impaired.
