**Item 1.01 Entry into a Material Definitive Agreement.**

On February 28, 2008, Pinnacle Financial Partners, Inc. (the Company) entered into a Revolving Credit Agreement with SunTrust Bank, a Georgia corporation (the Credit Agreement). This line of credit, which expires on February 27, 2009 unless extended by SunTrust Bank following a timely request by the Company, will be used to support the growth of Pinnacle National Bank, the Company's bank subsidiary, and to pay off a \$9 million obligation of one of Mid-America Bancshares, Inc.'s subsidiaries to another bank.

Interest on the loan is priced at one-month LIBOR plus 125 basis points and will be variable with changes in the one-month LIBOR rate over the term of the line of credit. In addition, the Credit Agreement obligates the Company to pay a commitment fee of 0.10% per annum on the daily amount of any unused commitment. SunTrust Bank's obligation to make future advances to the Company under the Credit Agreement is subject to customary conditions precedent, including among others:

- the accuracy in all material respects of the Company's representations and warranties made in the Credit Agreement;

- the absence of any event of default under the Credit Agreement; and

- the absence, since December 31, 2006, of any change which has had or could reasonably be expected to have a material adverse effect (as defined in the Credit Agreement) on the Company and the Company and its subsidiaries taken as a whole.

The terms of the Credit Agreement provide for customary representations and warranties and negative and affirmative covenants (including certain financial covenants related to return on average assets, asset quality ratios, and maintenance of certain capital ratios) and also include customary events of default such as payment defaults, cross-defaults to other indebtedness, bankruptcy and insolvency. The Credit Agreement also includes a negative pledge on the common stock of Pinnacle National Bank or any other bank subsidiary of the Company. Upon an event of default, SunTrust Bank may, among other things, terminate its obligations to the Company and declare any amounts then outstanding under the Credit Agreement immediately due and payable.

The description of the Credit Agreement is qualified in its entirety by reference to the full and complete terms contained in the Credit Agreement, a copy of which is filed herewith as Exhibit 10.1 and is incorporated by reference herein.

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**
