Edgar Filing: SUNTRON CORP - Form NT 10-K

PART III NARRATIVE

State below in reasonable detail the reasons why the Forms 10-K and 10-KSB, 11-K, 20-F, 10-Q and 10-QSB, N-SAR, N-CSR, or other transition report or portion thereof, could not be filed within the prescribed period.

The Company has evaluated certain manufacturing equipment that may be impaired under the criteria set forth in SFAS No. 144. In order to determine the amount of impairment, if any, we have consulted with a firm that specializes in the valuation of such equipment and they have not yet completed their valuation procedures. Accordingly, it is not possible for KPMG, LLP to complete our audit by March 31, 2003.

- (2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months (or for such shorter period that the registrant was required to file such reports), been filed. If answer is no, identify report(s). Yes No

- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statement to be included in the subject report or portion thereof? Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Company estimates that it will report a net loss in 2002 of between \$125 million and \$130 million, including \$69 million related to the cumulative effect of a change in accounting principle. This compares to a net loss of approximately \$55 million in 2001, as restated for a business combination in February 2002 that was accounted for as a reorganization of entities under common control.
