Item 2.01 Completion of Acquisition or Disposition of Assets

On June 6, 2017, pursuant to the Agreement and Plan of Merger, dated as of January 23, 2017 (the “Merger Agreement”), by and among WestRock Company, a Delaware corporation (“WestRock”), WRK Merger Sub Limited, a Bermuda exempted company and a wholly owned subsidiary of WestRock (“Merger Sub”), and Multi Packaging Solutions International Limited, a Bermuda exempted company (“MPS”), Merger Sub merged with and into MPS (the “Merger”), with MPS surviving the Merger as a wholly owned subsidiary of WestRock.

Pursuant to the Merger Agreement, at the effective time of the Merger, each issued and outstanding common share of MPS (other than shares owned by (i) MPS or WestRock or any of their respective subsidiaries or (ii) any MPS shareholder who did not vote in favor of the Merger and who complied with all of the provisions of the Companies Act 1981 of Bermuda concerning the right of shareholders to require appraisal of their shares) was automatically canceled and converted into the right to receive \$18.00 per common share of MPS (the “Merger Consideration”), without interest.

Each MPS restricted stock award that was outstanding at the effective time of the Merger was canceled in exchange for the right to receive the Merger Consideration, without interest. Each MPS restricted stock unit award that was outstanding at the effective time of the Merger that was subject to performance-based vesting conditions was canceled in exchange for the right to receive the Merger Consideration, without interest, with all applicable performance goals calculated as of the closing date of the Merger as provided in the applicable agreement governing such restricted stock unit award. Each MPS restricted stock unit award that was outstanding at the effective time of the Merger that was not subject to performance-based vesting conditions was assumed by WestRock and converted into an award of restricted stock units of WestRock after giving effect to appropriate adjustments to reflect the consummation of the Merger, as set forth in the Merger Agreement.

On June 6, 2017, in connection with the consummation of the Merger, MPS requested that the New York Stock Exchange (“NYSE”) suspend trading of common shares of MPS, effective prior to the market opening on June 7, 2017, and remove MPS common shares from listing on the NYSE.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, a copy of which was attached as Exhibit 2.1 to WestRock’s Current Report on Form 8-K filed with the Securities and Exchange Commission on January 24, 2017, and is incorporated herein by reference.

The Merger Agreement and the above description of the Merger Agreement have been included to provide investors with information regarding the terms of the Merger Agreement. It is not intended to provide any other factual information about WestRock, MPS or their respective subsidiaries or affiliates. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of that agreement and as of specific dates, were solely for the benefit of the parties to the Merger Agreement and may be subject to limitations agreed upon by the parties in connection with negotiating the terms of the Merger Agreement, including being qualified by confidential disclosures made by each party to the other for the purposes of allocating contractual risk between them that differ from those applicable to investors. In addition, certain representations and warranties may be subject to a contractual standard of materiality different from those generally applicable to investors and may have been used for the purpose of allocating risk between the parties rather than establishing matters as facts. Information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in public disclosures by WestRock or MPS. Investors should not rely on the representations, warranties and covenants or any description thereof as characterizations of the actual state of facts or condition of WestRock, MPS or any of their respective subsidiaries, affiliates or businesses.

Item 8.01 Other Events.
