The Reporting Persons did not borrow any funds in connection with the purchase of the Common Stock.

Item 4. Purpose of Transaction.

The Reporting Persons have acquired the shares of Common Stock because they believe that recent and current trading prices do not adequately reflect the value of the underlying businesses and assets of the Company and that there is potential for substantial appreciation in the market value of the Common Stock.

The Reporting Persons do not consider themselves to be passive investors and may, from time to time, hold discussions with third parties or with management in which the Reporting Persons may suggest or take a position with respect to potential changes in the operations or capital structure of the Company as a means of enhancing shareholder value. In particular, the Reporting Persons believe that the Company should consider whether it should continue to maintain certain business segments that have been running at an operating loss and/or have generated an inadequate return on capital, including but not limited to the homeowners' insurance written in various northeastern states (referred to by the Company as its Northeast U.S. business) and the remaining standard automobile business line. Additionally, the Reporting Persons believe that the Company should dividend the shares of common stock in Affirmative Insurance Holdings, Inc. which are currently held directly by Vesta Insurance Group, Inc. as a means to realize value for its shareholders. Other than as set forth in the preceding sentences, the Reporting Persons have no present plans or intentions which would result in or relate to any of the transactions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D of the Securities Exchange Act of 1934, as amended. The Reporting Persons reserve the right to change their intentions and to develop plans or proposals that could result in any of the types of transactions described in such subparagraphs, or any other transaction which the Reporting Persons believe could enhance shareholder value.

The Reporting Persons intend to review on a regular basis their investment in the Company and reserve the right to acquire additional shares of the Common Stock, maintain its holdings at its current levels or dispose of all or some of the shares of Common Stock in the open market or through

privately negotiated transactions.

Pursuant to ss. 628.461(b), Florida Statutes, DSC and DSC Master Fund each filed a Disclaimer of Affiliation and Control affidavit and a notice of the acquisition of greater than five percent (5%) of the outstanding shares of Common Stock with the Florida Department of Insurance on October 22, 2004. The Reporting Persons may make additional purchases of shares of Common Stock at their discretion from time to time without making additional filings with the Florida Department of Insurance, so long as such purchases do not result in DSC and DSC Master Fund owning, in the aggregate, ten percent (10%) or more of the issued and outstanding shares of Common Stock.

Item 5. Interest in Securities of the Issuer.

(a) Based upon information set forth in the Company's Report on Form 8-K, dated as of July 29, 2004 and filed on August 12, 2004, there were 36,079,564 shares of Common Stock outstanding as of June 30, 2004. As of October 26, 2004, the Reporting Persons beneficially owned an aggregate of 2,001,700 shares of Common Stock, or 5.5% of the outstanding shares of Common Stock.

(b) The Reporting Persons have the sole power to vote or to direct to vote and the sole power to dispose or to direct the disposition of all 2,001,700 shares of Common Stock beneficially owned by them. As a result of his indirect ownership interest in DSC, Mr. Bluhm may be deemed to control DSC and therefore may be deemed to hold dispositive power over such shares of Common Stock. Therefore, for the purposes of Rule 13d-3 under the Exchange Act, Mr. Bluhm may be deemed to be the beneficial owner of, but hereby disclaims such beneficial ownership of, such shares of Common Stock.

(c) Except as described in Item 3 of this Statement, during the past sixty days, there were no purchases of the shares of Common Stock, or securities convertible into or exchangeable for shares of Common Stock, by the Reporting Persons or any person or entity controlled by the Reporting Persons or any person or entity for which the Reporting Persons possess voting control over the securities thereof. During such sixty day period, there were no sales of the shares of Common Stock, or securities convertible into or exchangeable for shares of Common Stock, by the Reporting Persons or any person or entity controlled by the Reporting Persons or any person or entity for which the Reporting Persons possess voting control over the securities thereof.

(d) Except as described in Item 3 of this Statement, no other person is known by the Reporting Persons to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the Common Stock beneficially owned by the Reporting Persons.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

Except as described in Items 3 and 5 of this Statement, there are no contracts, arrangements, understandings or relationships (legal or otherwise) between the Reporting Persons and any person, with respect to any securities of the Company, including, but not limited to, transfer or voting of any of the securities of the Company, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss or the giving or withholding of proxies.
