2. To transact such other business as may properly come before the meeting or any adjournment thereof.

The Board of Trustees has fixed the close of business on September 12, 2003 as the record date for the determination of shareholders entitled to vote at the special meeting or any adjournment thereof.

A proxy statement dated September 22, 2003 and a form of proxy accompany this Notice of Special Meeting of Shareholders.

BY ORDER OF THE BOARD OF TRUSTEES

Jimmy S.H. Lee  
President

September 22, 2003

WE URGE YOU TO COMPLETE, SIGN, DATE AND RETURN IN THE ENCLOSED ENVELOPE THE FORM OF PROXY THAT ACCOMPANIES THIS NOTICE OF SPECIAL MEETING OF SHAREHOLDERS AS PROMPTLY AS POSSIBLE, WHETHER OR NOT YOU PLAN TO ATTEND THE MEETING. THIS WILL ENSURE THE PRESENCE OF A QUORUM AT THE SPECIAL MEETING. A PROXY MAY BE REVOKED IN THE MANNER DESCRIBED IN THE ACCOMPANYING PROXY STATEMENT.

MERCER INTERNATIONAL INC.

PROXY STATEMENT

This statement is furnished in connection with the solicitation by the management of Mercer International Inc. (the "Company") of proxies for use at the special meeting of shareholders of the Company to be held at 1000 - 925 West Georgia Street, Vancouver, British Columbia, Canada at 10:00 a.m. (Vancouver time), on October 3, 2003, or any adjournment thereof (the "Special Meeting"). If a proxy in the accompanying form (a "Proxy") is properly executed and received by the Company's proxy solicitor, Georgeson Shareholder Communications Inc., 17 State Street, 10th Floor, New York, NY 10004, prior to the Special

## Edgar Filing: MERCER INTERNATIONAL INC - Form DEF 14A

Meeting or any adjournment thereof, the Company's shares of beneficial interest, \$1.00 par value (the "Shares") represented by such Proxy will be voted in the manner directed. In the absence of voting instructions, the Shares will be voted for the proposal set out in the accompanying Notice of Special Meeting of Shareholders. Due to the short solicitation period, we recommend that shareholders vote by telephone or the Internet, if available. Please see the Proxy for voting instructions.

A Proxy may be revoked at any time prior to its use by filing a written Notice of Revocation of Proxy or a later dated Proxy with the Company's proxy solicitor, Georgeson Shareholder Communications Inc., at the address set out above. A Proxy may also be revoked by attending the Special Meeting and voting Shares in person. Attendance at the Special Meeting will not, in and of itself, constitute revocation of a Proxy.

The holders of one-third of the outstanding Shares entitled to vote at the Special Meeting, present in person or represented by proxy, constitutes a quorum for the Special Meeting. Under applicable Washington state law, abstentions and broker non-votes will be counted for the purposes of establishing a quorum for the Special Meeting.

Proxies for the Special Meeting will be solicited primarily by mail. Proxies may also be solicited personally by the trustees, officers or regular employees of the Company without additional compensation. The Company may reimburse banks, broker-dealers or other nominees for their reasonable expenses in forwarding the proxy materials for the Special Meeting to beneficial owners of Shares. The costs of this solicitation will be borne by the Company.

This proxy statement and accompanying Proxy will be mailed to shareholders commencing on or about September 23, 2003. The close of business on September 12, 2003 has been fixed as the record date (the "Record Date") for the determination of shareholders entitled to notice of and to vote at the Special Meeting or any adjournment thereof.

### COMMONLY ASKED QUESTIONS AND ANSWERS

Q: WHY AM I RECEIVING THIS PROXY STATEMENT AND PROXY?

A: This proxy statement describes the proposal upon which you, as a shareholder, will vote. It also gives you information on the proposal, as well as other information so that you can make an informed decision.

Q: WHAT IS THE PROXY?

A: The Proxy enables you to appoint Jimmy S.H. Lee and William McCartney as your representatives at the Special Meeting. By completing and returning the Proxy, you are authorizing Mr. Lee and Mr. McCartney to vote your Shares at the meeting as you have instructed them on the Proxy. This way your Shares will be voted whether or not you attend the meeting. Even if you plan to attend the meeting, it is a good idea to complete and return your Proxy before the meeting date just in case your plans change.

Q: WHO CAN VOTE AT THE SPECIAL MEETING?

A: Registered shareholders who own the Company's Shares on the Record Date may attend and vote at the Special Meeting. Each Share is entitled to one vote. There were 16,874,899 Shares outstanding on the Record Date.

## Edgar Filing: MERCER INTERNATIONAL INC - Form DEF 14A

If you own your Shares through a brokerage account or in another nominee form, you must provide instructions to the broker or nominee as to how your Shares should be voted. Your broker or nominee will generally provide you with the appropriate forms at the time you receive this proxy statement. If you own your Shares through a brokerage account or nominee, you cannot vote in person at the Special Meeting unless you receive a proxy from the broker or the nominee.

Q: WHAT AM I VOTING ON?

A: We are asking you to approve, in accordance with NASD Marketplace Rules, the issuance of up to 10,750,000 Shares upon conversion of convertible senior subordinated notes intended to be issued in a private offering by the Company, subject to adjustment for certain customary anti-dilution matters as described herein.

Q: HOW DO I VOTE?

A: You may vote by mail.

Complete, date, sign and mail the Proxy to the Company's proxy solicitor, Georgeson Shareholder Communications Inc., 17 State Street, 10th Floor, New York, NY 10004, in the enclosed postage pre-paid envelope. If you mark your voting instructions on the Proxy, your Shares will be voted as you instruct. Due to the short solicitation period, we recommend that shareholders vote by telephone or the Internet, if available. Please see the Proxy for voting instructions.

You may vote in person at the meeting.

If you attend the Special Meeting, you may vote as instructed at the meeting. However, if you hold your Shares in street name (that is, through a broker/dealer or other nominee), you will need to bring to the meeting a proxy delivered to you by such nominee reflecting your Share ownership as of the Record Date.

Q: WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY?

A: It means that you hold Shares in multiple accounts. Please complete and return all proxies to ensure that all your Shares are voted.

Q: WHAT IF I CHANGE MY MIND AFTER RETURNING MY PROXY?

A: You may revoke your Proxy and change your vote at any time before completion of voting at the meeting. You may do this by:

- \* sending a signed Notice of Revocation of Proxy to the Company's proxy solicitor, Georgeson Shareholder Communications Inc., at the address set out above, stating that the Proxy is revoked; or
- \* signing another Proxy with a later date and sending it to the Company's proxy solicitor, Georgeson Shareholder Communications Inc., at the address set out above, before the date of the meeting; or
- \* voting at the meeting.

Your Proxy will not be revoked if you attend the meeting but do not vote.

If you own your Shares through a broker or other nominee and wish to

## Edgar Filing: MERCER INTERNATIONAL INC - Form DEF 14A

change your vote, you must send those instructions to your broker or nominee.

2

Q: WILL MY SHARES BE VOTED IF I DO NOT SIGN AND RETURN MY PROXY?

A: If your Shares are registered in your name, they will not be voted unless you submit your Proxy, or vote in person at the meeting. If your Shares are held in street name, your broker/dealer or other nominee will not have the authority to vote your Shares unless you provide instructions.

Q: WHO WILL COUNT THE VOTES?

A: Agents of the Company will tabulate the proxies. Additionally, votes cast by shareholders voting in person at the meeting are tabulated by a person who is appointed by our management before the meeting.

Q: HOW MANY SHARES MUST BE PRESENT TO HOLD THE MEETING?

A: To hold the meeting and conduct business, at least one-third of the outstanding Shares must be present at the meeting. This is called a quorum.

Votes are counted as present at the meeting if a shareholder either:

\* is present and votes in person at the meeting; or

\* has properly submitted a Proxy.

Q: HOW MANY VOTES ARE REQUIRED TO APPROVE THE PROPOSAL TO BE CONSIDERED AT THE MEETING?

A: The affirmative vote of a majority of the Shares represented and voting, whether in person or by proxy, at the meeting will be required to approve the proposal to be considered at the meeting, in accordance with NASD Marketplace Rules.

Q: HOW ARE VOTES COUNTED?

A: You may vote "For", or "Against" or "Abstain" on the proposal to be considered at the meeting.

If you abstain from voting, your vote will be counted for the purposes of a quorum, but will not be counted as a vote for or against the proposal.

If you sign and return your Proxy without voting instructions, your Shares will be counted as a "For" vote in favor of the proposal.

### PROPOSAL

#### APPROVAL OF THE ISSUANCE OF SHARES UPON CONVERSION OF CONVERTIBLE NOTES

## Edgar Filing: MERCER INTERNATIONAL INC - Form DEF 14A

### PRIVATE OFFERING

On September 12, 2003, the Company announced that it intends to effect a private offering (the "Private Offering") of \$75 million of convertible senior subordinated notes (the "Notes"), subject to, among other things, market conditions. The Notes will be convertible at the option of the holder into our Shares. The Notes will be offered to qualified institutional buyers, as defined in Rule 144A under the Securities Act of 1933, as amended (the "Securities Act"), and to certain non-U.S. persons in compliance with Regulation S under the Securities Act, in transactions exempt from, or not subject to, the registration requirements of the Securities Act.

The Notes and the Shares issuable upon conversion of the Notes will not be registered under the Securities Act, or the securities laws of any other jurisdiction. However, it is expected that the terms of the Private Offering will require the Company to file within 90 days after the closing of the Private Offering, and to use its reasonable best efforts to have declared effective within 180 days after closing of the Private Offering, a shelf registration statement under the Securities Act to register the resale by investors of the Notes and Shares issuable upon conversion of the Notes. As a result, upon the effectiveness of such shelf registration statement, the Shares issuable upon the conversion of the Notes that are so registered will be freely tradeable and likely affect the trading market for our Shares.

Shareholders are being asked to approve the proposed issuance of up to 10,750,000 Shares upon conversion of the Notes, subject to adjustment for certain customary anti-dilution events such as distributions to the holders of our Shares, subdivisions or combinations of our Shares or alterations to our share capital. See "Description of the Notes".

The terms of the Notes, including the principal amount to be issued, the interest rate and the conversion price will be determined through negotiation between the Company and the initial purchaser(s) of the Notes. Although we intend that the amount of the Private Offering will be \$75 million, the amount of Notes issued may be changed by our board of trustees (the "Board") based upon market, pricing, demand, interest rates and other economic conditions but in no event will the principal amount of the offering be increased by more than 10%. Any change to the principal amount of the Notes will not be known until at or about the time of the execution of definitive agreements in respect of the Private Offering. Notwithstanding any change in the principal amount of the Private Offering or the ultimate determination of the conversion price, the maximum number of Shares issuable upon conversion of the Notes shall not exceed 10,750,000 as proposed to be authorized by shareholders other than as a result of a Share Capital Change (as hereinafter defined).

It is currently contemplated that the Private Offering will be completed as soon as practicable following the Special Meeting but in any event within 45 days of the date of the Special Meeting.

### WHY WE NEED SHAREHOLDER APPROVAL

The Company's Shares are quoted on the Nasdaq National Market ("NNM"). The NASD Marketplace Rules governing companies quoted on the NNM permit them to issue in each separate transaction (which is not integrated under the NASD's interpretation of its rules) up to 20% of their outstanding common stock as at the date of the transaction without shareholder approval. However, the NASD Marketplace Rules require quoted companies to obtain shareholder approval for the sale, issuance or potential issuance of securities in a private offering of common stock, or securities convertible into common stock, at a price less than the greater of book or market value of such stock, if the issuance amounts to 20% or more of the common stock or 20% or more of the voting power of a company

## Edgar Filing: MERCER INTERNATIONAL INC - Form DEF 14A

outstanding before the issuance. As of the Record Date, the Company had 16,874,899 Shares issued and outstanding. The number of Shares that the Company would be required to issue upon the conversion of the Notes will be in excess of 20% of the Company's issued and outstanding Shares and these Shares may be issued at a conversion price which is less than the book value of the Shares, being E7.19 per Share as of June 30, 2003, the date of the Company's latest quarterly

4

financial statements (which amounts to approximately \$8.27 per Share when converted at the Euro to U.S. dollar exchange rate of 1.1502, being the exchange rate on June 30, 2003 and \$8.13 per Share when converted at the Euro to U.S. dollar exchange rate of 1.1307, being the exchange rate on September 12, 2003).

In addition, the NASD Marketplace Rules require companies quoted on the NNM to obtain shareholder approval in connection with the issuance of securities that could result in a "change of control" of an issuer. The NASD Marketplace Rules do not currently define when a change of control may be deemed to have occurred. Further, some or all of our principal shareholders (the "Principal Shareholders") as set out under the caption "Voting Securities and Principal Shareholders" on page 8 hereof may, at their sole election, purchase Notes pursuant to the Private Offering. Such purchases, if any, could result in the NASD determining (under its interpretation of its rules) that a change of control has occurred in respect of one or more of the Principal Shareholders. Although the Company does not believe that the purchasers of the Notes (and thus the holders of Shares upon conversion of the Notes) will be sufficiently concentrated to constitute a change of control of the Company, the Company is seeking shareholder approval to ensure compliance with such rules (if the Nasdaq Stock Market were to determine such rules to be applicable), including, without limitation, with respect to a change of control involving one or more Principal Shareholders, as well as with the other rules for which shareholder approval is or may be required in connection with the issuance of Shares upon conversion of the Notes. Such shareholder approval will not affect the interpretation or application of our shareholder rights agreement dated August 20, 1993, as amended.

### USE OF PROCEEDS

The Company intends to use the net proceeds from the Private Offering to fully repay two bridge loans (the "Bridge Loans"), which, including principal, fees and accrued interest, aggregated approximately \$61.4 million at August 29, 2003, and for general corporate purposes, including working capital. The Bridge Loans in the principal amounts of E15 million and E30 million mature in October 2003 and April 2004, respectively, and were incurred in August 2002 to finance, in part, the Company's contribution to the construction of a greenfield NBSK pulp mill with a planned annual production capacity of approximately 552,000 tonnes in Stendal, Germany (the "Stendal Project"). Total investment costs in connection with the Stendal Project are estimated to be approximately E1.0 billion, of which approximately E828.0 million is provided under a project finance loan agreement (the "Project Financing Agreement") entered into by the Company's 63.6% owned subsidiary that is implementing the project with a German bank.

We obtained the E15 million Bridge Loan from Babcock & Brown Investment Management Partners LP ("Babcock & Brown") and the E30 million Bridge Loan was arranged by a Swiss banking affiliate of MFC Bancorp Ltd. ("MFC"). Babcock & Brown was our advisor in connection with the overall financing arrangements for the Stendal Project. MFC was our former approximately 92% owned subsidiary until June 1996, when we spun-off approximately 83% of the issued shares of MFC

## Edgar Filing: MERCER INTERNATIONAL INC - Form DEF 14A

to our shareholders by way of a special dividend-in-kind. We currently hold, directly and indirectly, approximately 575,683 common shares of MFC, representing approximately 4.4% of the outstanding common shares of MFC. Jimmy S.H. Lee, our Chairman, Chief Executive Officer and a trustee, is a non-executive director of the Swiss banking affiliate of MFC. Ian Rigg, a trustee and our former Chief Financial Officer, became a Vice President of MFC in August 2003.

For additional information relating to the Bridge Loans and the Project Financing Agreement, see our current report on Form 8-K filed with the Securities and Exchange Commission ("SEC") on September 10, 2002 and our annual report on Form 10-K.

### DESCRIPTION OF THE NOTES

We intend to issue Notes in the principal amount of \$75 million and maturing in 2010. Depending on market, pricing, demand, interest rates and other economic conditions at the time of the sale of the Notes, our Board may change the principal amount of the Notes issued but in no event will the principal amount of the Notes be increased by more than 10%. Any change to the principal amount of the Notes will not be known until at or about the time of the execution of definitive agreements in respect of the Private Offering. Any change in the principal amount of the Notes will not increase the maximum number of Shares issuable upon conversion of the Notes. Interest is expected to be payable on the Notes from the closing date of the Private Offering.

5

The anticipated terms of the Notes are set forth below. The final terms are subject to negotiations between the Company and the initial purchaser(s) of the Notes and may vary significantly from the description herein. Our Board retains the discretion to negotiate and settle the final terms of the Notes provided that the maximum number of Shares issuable upon conversion of the Notes shall not exceed 10,750,000, other than an increase resulting from a Share Capital Change.

The Notes will be convertible, at the option of the holder, at any time on or prior to maturity, unless the Notes have previously been redeemed or repurchased, into Shares.

The conversion price of the Notes will be negotiated and established with the initial purchaser(s) of the Notes at the time of the sale of the Notes but will not be less than the greater of: (i) the market price of the Shares on the NNM on the date of execution of definitive agreements in respect of the Private Offering plus a premium (to be negotiated at the time) of not less than 10%; and (ii) \$6.30 per Share (being the closing price of our Shares on the NNM on September 19, 2003, the last trading day prior to the date of this proxy statement). In order to effect the Private Offering pursuant to Rule 144A of the Securities Act, among other things, the conversion price of the Notes must be at a premium of at least 10% to the market price of the Shares at the time of sale. The final settlement of the conversion price for the Notes will not result in the number of Shares issuable upon conversion of the Notes to exceed 10,750,000 Shares as proposed to be authorized by shareholders other than as a result of a Share Capital Change.

The conversion price of the Notes will be subject to adjustment upon the occurrence of certain customary anti-dilution events such as: (i) the issuance of Shares as a dividend or distribution on our Shares; (ii) the subdivision or combination of our outstanding Shares; (iii) the issuance to all or substantially all holders of our Shares of certain rights or warrants entitling

## Edgar Filing: MERCER INTERNATIONAL INC - Form DEF 14A

them to subscribe for or purchase our Shares, or securities convertible into our Shares; (iv) the distribution to all or substantially all holders of our Shares of shares of our capital stock, evidences of indebtedness (including convertible or exchangeable indebtedness) or other non-cash assets, or rights or warrants; (v) the dividend or distribution to all or substantially all holders of our Shares of all-cash distributions; and (vi) certain purchases of our Shares pursuant to a tender offer made by us or any of our subsidiaries (herein collectively called a "Share Capital Change").

In the event of:

- \* any reclassification of our Shares;
- \* a consolidation, merger or combination involving the Company; or
- \* a sale or conveyance to another person of the property and assets of the Company as an entirety or substantially as an entirety;

in which holders of our outstanding Shares would be entitled to receive stock, other securities, other property, assets or cash for their Shares, holders of Notes will generally be entitled to convert their Notes into the same type of consideration received by holders of Shares immediately prior to one of these types of events.

No adjustment in the conversion price of the Notes will be required unless it would result in a change in the conversion price of at least one percent. Any adjustment not made will be taken into account in subsequent adjustments. Except as stated above, we will not adjust the conversion price of the Notes for the issuance of our Shares or any securities convertible into or exchangeable for our Shares or the right to purchase our Shares or such convertible or exchangeable securities.

The Notes are expected to be unsecured and subordinated to all of the Company's existing and future senior indebtedness and effectively subordinated to all existing and future indebtedness and other liabilities of the Company's subsidiaries. Neither the Company nor its subsidiaries are expected to be restricted from paying dividends or issuing or repurchasing their securities pursuant to the terms of the Notes.

6

The Notes are expected to be redeemable after five years in whole or in part, at the Company's option, at a price equal to the principal amount thereof plus accrued and unpaid interest, if any, to the date of redemption. Upon certain changes in control, each holder of the Notes is expected to be able to require us to repurchase some or all of its Notes 30 business days after the occurrence of the change of control at a purchase price equal to the principal amount of the Notes plus accrued and unpaid interest, if any, to the date of purchase. A change of control is expected to be deemed to have occurred, among other things, if a person becomes, directly or indirectly, the beneficial owner of 50% or more of the total voting power in the Company or has the power, directly or indirectly, to elect a majority of the members of the Board.

An event of default in connection with the Company's obligations under the Notes is expected to occur, among other things, if the Company fails to pay principal and interest on the Notes when due and in certain events of bankruptcy, insolvency or reorganization of the Company or any of its significant subsidiaries. The Company is expected to be able to amend the terms of the Notes with the consent of the holders of a majority in aggregate principal amount of the outstanding Notes, except in connection with, among

## Edgar Filing: MERCER INTERNATIONAL INC - Form DEF 14A

other things, a change in principal, interest, maturity, conversion or subordination of the Notes, which is expected to require the consent of the holder of each outstanding Note affected thereby.

### VOTE REQUIRED

In accordance with the NASD Marketplace Rules, the affirmative vote of a majority of Shares represented and voting, whether in person or by proxy, at the Special Meeting will be required to approve the issuance of up to 10,750,000 Shares upon conversion of the Notes to be issued under the Private Offering, subject to adjustment in the event of a Share Capital Change.

### EFFECT OF SHAREHOLDER APPROVAL

The issuance of Shares upon conversion of the Notes will significantly increase the number of Shares outstanding, have a dilutive effect on the Company's existing shareholders and result in existing shareholders owning a smaller percentage of the outstanding Shares. As at the Record Date, there were 16,874,899 Shares issued and outstanding. Approval by shareholders of this proposal at the Special Meeting will authorize the Company to issue up to 10,750,000 more Shares upon conversion of the Notes.

### BOARD RECOMMENDATION

THE BOARD RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" THE APPROVAL OF THE ISSUANCE OF UP TO 10,750,000 SHARES UPON CONVERSION OF THE NOTES AS DESCRIBED IN THIS PROPOSAL.

If approved, the Board will still retain the discretion not to proceed with the Private Offering if, in its opinion, to do so would not be in the best interests of the Company and to vary the principal amount of Notes to be issued, as it so determines.

### NO DISSENT RIGHTS

Under Washington state law, shareholders are not entitled to dissent rights with respect to this proposal.

7
